A step-by-step guide to attracting all the investment funds you will ever need for your next real estate transaction As the sales of Real Estate Investing in Canada have proven, Canadians are looking to real estate investing to build wealth. In his bestselling book Real Estate Investing in Canada, Don R. Campbell introduces the Authentic Canadian Real Estate (ACRE) system, the first system of

its kind to show ordinary Canadians how to profit from investing in residential real estate. Told as a narrative, a typical Canadian couple named Richard and Emma successfully buy their first properties and now are ready to leverage their equity into more properties. In order to achieve their goals, they are introduced to a joint-venture specialist and, with his guidance, they learn how joint-venture partnerships work and secrets and strategies for acquiring new properties that only the pros know. Richard and Emma build their portfolio -- and their confidence -- and so they leave their jobs to focus on real estate investing full-time. Following a proven 7-step system, Richard and Emma are equipped with the information, strategies and motivation they need to go to the next level by explaining: What are joint-venture partnerships and how do they work to create win-win relationships Wealth attraction principles-how to become a money magnet How and where to find joint-venture partners-marketing and lead generation--and separate the wheat from the chaff Structuring a joint venture deal-building a team of experts and the due diligence process Legal structures and agreements, including tax implications 19 landmines to avoid in joint venture partnerships Following up with current joint venture partners and duplicating success The appendices offer valuable time-saving checklists, forms and worksheets, as well as advice on paper flow and time management.

 With rental prices climbing, vacancy rates low, and property values rising, real estate investing has become a tempting option for achieving financial security. And with all the fixer-upper shows today that make it look so easy-- simply buy a property, fix it up, and then rent it until you're ready to sell for a ridiculous profit--the number of real estate investors is growing . . . but the same can't be said for all of their bank accounts. Because the reality is, real estate can be confusing, requiring in-depth financial and tax knowledge that most newcomers lack. Rental-Property Profits walks you through every important step, from spotting smart investments to taking advantage of tax breaks and loop holes. With clear language and updated forms, worksheets, checklists, and formulas, this new edition explains how to:

- Evaluate risks and opportunities in a post-recession market
- Determine if you qualify for an investor loan
- Calculate cash flow and maintain healthy levels
- Establish sound bookkeeping and accounting systems
- Handle rental property depreciation
- And much

more! Real estate investing is not as easy as it looks on TV. But it also doesn't have to be risky! With this self-guided manual by your side, avoid the costly mistakes that many before you didn't see coming, and build the nest egg you deserve!
