## ANIYA KNOX

*Forgotten Labrador* Simon and Schuster

The progressive shrinking of city apartments, together with the widespread increasing cost of housing, has led to a search for interior designs that make the most of the area available, natural light sources and storage space. Interior designers and decorators have had to adapt quickly to this new reality by implementing resources and devices that are hardly ever used in larger homes. The result is a philosophy of life centered on the small-scale, the flexible and the adaptable. It is not only the size of the apartments that has changed; our style of life has also been altered along with it.

*The Human Touch* Penguin

Akimbo goes to the rescue of a zoologist who is injured on his father's game preserve.

*The Boy and the Sea* Loft Publications

"Readers looking for an updated Charlie's Angels in 'wild women' mode will be most satisfied" with this thriller in the New York Times bestselling series (Publishers Weekly). The fun, smart, sassy women of the Sisterhood are the best friends a woman wants by her side in good times and bad. Meeting once again in Myra Rutledge's beautiful Virginia home, they're ready to face a new challenge and right a vicious wrong . . . Alexis Thorn, once a successful securities broker, spent a hellish year behind bars for a crime she never committed. Now she has her freedom, but she's left with haunting memories of being hauled from her office in handcuffs . . . of the cell door clanging shut behind her . . . of her pleas going unheard. Meanwhile the real criminals—her former employers—continue to make millions by conning the innocent, especially preying on the elderly and taking their life savings. Alexis dreams of getting even. The legal system failed her, but the Sisterhood won't. They have a delicious plan that can give the scammers a taste of their own bitter medicine . . . "Fans of the series will relish the latest episode because it's as full of daring and rough justice as all the rest."—Booklist Series praise "Spunky women who fight for truth, justice, and the American way."—Fresh Fiction on Final Justice "Readers will enjoy seeing what happens when well-funded, very angry women take the law into their own hands."—Booklist on Weekend Warriors "Delectable . . . deliver[s] revenge that's creatively swift and sweet, Michaels-style."—Publishers Weekly on

Blondel explains how Nietzsche's ideas are reflected in his metaphors and textural devices that build a bridge between literature and philosophy. (Philosophy)

*Rajasthan* Loft Publications

As a follow-up to his bestselling book Life Strategies, Oprah acolyte Phillip C. McGraw, Ph.D., moves from aiding the aimless individual to coaching the disconnected couple. McGraw has distilled his more than two decades of counseling experience into a seven-step strategy he calls "Relationship Rescue." "I'm

prepared to kick a hole in the wall of the pain-ridden, unhappy maze you've gotten yourself into, and provide you clear access to action-oriented answers and instructions on what you must do to have what you want," says Dr. Phil. His aim is to expose and eliminate the saboteurs that cause senseless damage to already-fragile marriages, and, like an emotional root canal, to replace them with values he says provide positive results. If you follow Dr. Phil's strategy, he will lead you on a precise journey to uncover your heart and then share it with your partner as part of taking the "risk of intimacy." Dr. Phil leads you to "reconnect with your core" in the first five steps of his seven-step strategy. By no means a quick fix, there are in-depth and rigorous questionnaires, surveys, tests, and profiles that require a "brutally candid" mindset, with such fill-in-the-blanks as "List five things that today would make you fall out of love with your partner." With this internal work accomplished, you'll then move on to reconnecting with your partner during a two-week, half-hour-a-day short course. As a "dyad," you and your loved one take turns giving monologues on topics such as "The most positive thing I took away from my mother and father's relationship was..." Once the "reconnection" has been established, Dr. Phil says the work shifts to a management role, as relationships are always a work in progress. Dr. Phil humorously refers to his own marriage throughout the book, sharing his mishaps and victories in learning to accept and enjoy what he sees as fundamental but complementary differences between men and women. --John Youngs

*Akimbo and the Crocodile Man* Graywolf Press

Meet the Laments—the affably dysfunctional globetrotting family at the center of George Hagen's exuberant debut novel. Howard is an engineer who dreams of irrigating the Sahara and lives by the motto "Laments move!" His wife Julia is a fiery spirit who must balance her husband's oddly peripatetic nature with unexpected aspirations of her own. And Will is the "waif with a paper-thin heart" who is given to Howard and Julia in return for their own child who has been lost in a bizarre maternity ward mishap. As Will makes his way from infancy to manhood in a family that careens from continent to continent, one wonders where the Laments will ever belong. In Bahrain, Howard takes a job with an oil company and young Will makes his first friend. But in short order he is wrenched off to another land, his mother's complicated friendship with the American siren Trixie Howitzer causing the family to bolt. In Northern Rhodesia, during its last days as a white colony, the twin enfants terribles Marcus and Julius are born, and Will falls for the gardener's daughter, a girl so vain that she admires her image in the lid of a biscuit tin. But soon the family's life is upturned again, this time by their neighbor Major Buck Quinn, with his suburban tirades against black self-rule. Envisioning a more civilized life on "the sceptered isle," the Laments board an ocean liner bound for England. Alas, poor Will is greeted by the tribal ferocity of his schoolmates and a society fixated on the Blitz. No sooner has he succumbed to British pop culture in the guise of mop-top Sally Byrd and her stacks of 45s, than the Laments uproot themselves once again,

and it's off to New Jersey, where life deals crisis and opportunity in equal measure. Undeniably eccentric, the Laments are also universal. Every family moves on in life. Children grow up, things are left behind; there is always something to lament. Through the Lament's restlessness, responses to adversity, and especially their unwieldy love for one another, George Hagen gives us a portrait of every family that is funny, tragic, and improbably true.

**How to Read a Novel** Thieme Medical Publishers

With her eagerly awaited second novel, Tawni O'Dell takes readers back to the coal-mining country of western Pennsylvania. Set in a town ravaged and haunted by a mine explosion that took the lives of 96 men, Coal Run explores the life of local deputy and erstwhile football legend, "The Great Ivan Z.," as he prepares for a former teammate's imminent release from prison. As the week unfolds and Ivan struggles to confront his demons, he reveals himself to be a man whose conscience is burdened by a long-held and shocking secret.

**L'Afrique orientale** Macmillan

Cette nouvelle édition de l'annuaire de l'Afrique orientale revient sur les moments clés qui ont marqué l'année 2005 en Afrique de l'Est. L'actualité politique s'est caractérisée par des événements qui mettent en lumière les processus de transition démocratique complexes dans lesquels sont engagés les trois pays d'Afrique de l'Est (référendum constitutionnelle au Kenya, élection présidentielle en Tanzanie, et réintroduction du multipartisme en Ouganda). Les trois dossiers thématiques proposés dans cette édition viennent apporter un complément d'informations sur la vie politique et sociale des trois pays. Le premier est consacré au référendum constitutionnel au Kenya et au processus de démocratisation vu notamment à travers le statut de la presse. Trois articles mettent également en perspective la question de la gestion des ressources naturelles (forestières et lacustres) au Kenya, en Tanzanie et autour du lac Victoria. Enfin le dernier dossier fait le point sur l'épidémie de Sida au Kenya avec des éclairages sur les jeunes et les migrants.

Stone Primer Farrar, Straus and Giroux

An intimate look at the lifestyle, living conditions, and activities of a people whose lives were shaped by the uncertainties of the seal, salmon, and cod fisheries.

**The Little Stone Lion** Simon and Schuster

"Artemis Slake, at the age of thirteen, took his fear and misfortune and hid them underground. The thing is, he had to go with them".

Transmission Dial Books for Young Readers

From the author of Rain and Featherstone comes a story of a sun-drenched, sea-soaked day which changes a boy's life forever. At the start of a summer's day, Ward is waiting on the beach. His friend, Alex, wants him to come to a party at Alison's where there'll be girls and drinks and the possibilities of fun. But Ward is shy and self-conscious and struggling to move from under the weight of his powerful father. He'd rather wait on the beach for the surf to come up. As the sun moves towards its highest point and the girls' laughter carries along the wind towards Ward, the tide changes and Ward is faced with a dramatic event that will change his life forever. This beautiful and intense coming-of-age story captures perfectly the discomforts and challenges of being fifteen years old with the world stretching out in front of you. Sensual, heady, as though dazed by the heat of her pages, Gunn slowly unfolds a tale of danger and sexuality, of mothers and sons and the fathers who rule them, and of the sea.

Cybercafes / Cybercafes Paramount Market Publishing

The award-winning writer of White Tears and The Impressionist takes an ultra-contemporary turn with the story of an Indian computer programmer whose luxurious fantasies about life in America are shaken when he accepts a California job offer. Lonely

and naïve, Arjun spends his days as a lowly assistant virus-tester, pining away for his free-spirited colleague, Christine. Arjun gets laid off like so many of his Silicon Valley peers, and in an act of desperation to keep his job, he releases a mischievous but destructive virus around the globe that has major unintended consequences. As world order unravels, so does Arjun's sanity, in a rollicking cataclysm that reaches Bollywood and, not so coincidentally, the glamorous star of Arjun's favorite Indian movie.

Why People Buy Things They Don't Need Shambhala Publications

Over the years, architects have often introduced a distinct aesthetic quality to high-rise complexes as an attempt to soften perceived harshness of character. This volume collects some of the most recognised designs throughout the world and presents architectural trends in multi-housing projects.

Pocket Atlas of Pharmacology Ballantine Books

In this extraordinary reconstruction of the origins of the blues, historian Marybeth Hamilton demonstrates that the story as we know it is largely a myth. Following the trail of characters like Howard Odum, who combed Mississippi's back roads with a cylinder phonograph to record vagrants, John and Alan Lomax, who prowled Southern penitentiaries and unearthed the rough, melancholy vocals of Leadbelly, and James McKune, a recluse whose record collection came to define the primal sounds of the Delta blues, Hamilton reveals this musical form to be the culmination of a longstanding white fascination with the exotic mysteries of black music. By excavating the history of the Delta blues, Hamilton reveals the extent to which American culture has been shaped by white fantasies of racial difference.

Sketch Bloomsbury Publishing USA

From a New York Times–bestselling author, a Regency debutante rescues a Viking only to become his captive. As publisher of the weekly London ladies' gazette Heart to Heart, Krista Hart is known for her outspoken views on such unpopular issues as social reform—risking her reputation and her very safety with every controversial article. She refuses to be intimidated, although she knows full well it makes her the target of angry opposition. When she encounters a powerful Viking descendant imprisoned as a local sideshow attraction, Krista angrily demands his release. Although she tells herself that freeing Leif Draugr is simply the right thing to do, she can't deny being attracted to the fierce Nordic chieftain, especially after her father transforms him into a "proper" English gentleman. But as anonymous threats against Krista become more and more aggressive, it is Leif who must face the enemies desperate to silence her, even as they push her closer into the embrace of a warrior prepared to do whatever it takes to make her his.

Living in Small Spaces Loft

Time Out Chicago, Top 10 Book of 2005 Winner of the 2006 PEN USA Literary Award for Fiction Training horses is dangerous—a head-to-head confrontation with 1,000 pounds of muscle and little sense takes courage, but more important, patience and smarts. It is these same qualities that allow John and his uncle Gus to live in the beautiful high desert of Wyoming. A black horse trainer is a curiosity, at the very least, but a familiar curiosity in these parts. It is the brutal murder of a young gay man, however, that pushes this small community to the teetering edge of intolerance. Highly praised for his storytelling and ability to address the toughest issues of our time with humor, grace, and originality, Wounded by Percival Everett offers a brilliant novel that explores the alarming consequences of hatred in a divided America.

**Heart of Honor** Hachette Books

A little stone lion, smaller than a cat, tells about the Chinese village that it guards.

*Pirates!* Random House Trade Paperbacks

With wit, charm, and brilliance, this epic work sets out to make sense of our place in the scheme of things. Surveying the spectrum of philosophical concerns from the existence of space and time to relativity and language, Frayn attempts to resolve what he calls "the oldest mystery": the world is what we make of it.

*Slake's Limbo* McGill-Queen's Press - MQUP

Senior Iyengar Yoga teacher Bobby Clennell brings decades of yoga study and teaching experience to *The Woman's Yoga Book*. She offers a comprehensive program of asana (yoga poses) and pranayama (breathing exercises) designed to support menstrual health from menarche to menopause, along with nutritional and lifestyle information for those times off the yoga mat. Yoga sequences are given for each phase of the menstrual cycle: • premenstrual: poses to stabilize • menstruation: poses to restore

• postmenstrual: poses to rebalance • on through to ovulation: poses to strengthen In addition, *The Woman's Yoga Book* offers sequences for: • PMS, irritability, tension, and moodswings • migraine headaches • bloating and breast tenderness • insomnia • cramps and lower back pain • heavy bleeding • scanty periods • absence of menstruation • irregular periods A former professional animator, Bobby has used her skill in rendering over 700 illustrations that teach right along with her text. Best of all, she encourages women to embrace the physical, emotional, mental, and spiritual well-being that comes from practicing women's yoga. Begin the journey—now!

Wounded Simon and Schuster

Ursula Blanchard, lady-in-waiting to the new Queen Elizabeth I, is sent by her liege to France with a letter for the Queen Mother that could prevent war between rival Protestant and Catholic factions.
