This volume looks at the

ways in which governance

in the exercise of its strategies also acts as a process of production of subjects. It argues that governance is not a one-

sided affair starting and ending with those who rule and govern, producing fiats, decrees, and diktats, but a productive process — one that produces subjects of governance who in turn respond to the process, and make the field of governance a contentious one. Against the backdrop of the first transition of democracy in India from its origin in a colonial polity to the first phase of its independent life after the promulgation of the Indian Constitution in 1950, this volume

explores the second transition towards developmental democracy, examining the interrelations between globalisation, development and structures of governance. The volume suggests that while there is need to reflect on the governance of transition, it is important to question how democracy negotiates this transition.  “I have become a fan of this man. One should just meet him to know...” This is what Nitish Kumar had said about his now bitter foe Narendra Modi after NDA's 2004 defeat. “I feel like tying my PWD minister on an empty tractor trolley and run the vehicle at a speed of 60km per hour to make him realise how people suffer when they travel on these roads”, says Lalu, conceding the terrible condition of Bihar roads. Ruled or Misruled, Story and Destiny of Bihar by

The Indian Express' Assistant Editor SANTOSH SINGH offers a 360 degree journey of Bihar politics since Independence, especially since the Congress' downfall in 1990. An out and out reporter's book, it tells an interesting and tumultuous journey of the post-1990 legends of Bihar politics - Nitish Kumar, Lalu Prasad, Ram Vilas Paswan and Jitan Ram Manjhi with the legendary clash between Nitish Kumar and Narendra Modi - with the untold version on the

2010 dinner cancellation and Nitish's ambition, providing the third angle. Right from revealing JP's dilemma between Lalu and Nitish to socialist leader Karpoori Thakur out-thinking the Congress with his simplicity. From Jagannath Mishra making a confession on his controversial 1982 Anti-Press Bill to the numerous tales of vernacularization of politics and giving a voice to the poor by Lalu, the writer also traces the story of the making of the Ranbir Sena at the height of caste wars. The stories

of repair, hope and construction under Nitish Kumar, disillusionment and new political realignment after the 2013 NDA split, Nitish and Lalu coming together again after two decades and Nitish almost walking out of the Lalu alliance again are just as captivating. Jitan Ram Manjhi, who makes startling revelations on how he played a dummy for Nitish and Ram Vilas Paswan, also concedes the real truth of his Godhra stand.
