COLLINS JAIDYN

Eat, Pray, Love Simon and Schuster

An "urgent and significant book [that] speaks to our times" (The New York Times Book Review) from the bestselling, Man Booker Prize-winning author of *The White Tiger* and *Selection Day* about a young illegal immigrant who must decide whether to report crucial information about a murder—and thereby risk deportation. Danny—formerly Dhananjaya Rajaratnam—is an illegal immigrant in Sydney, Australia, denied refugee status after he fled from Sri Lanka. Working as a cleaner, living out of a grocery storeroom, for three years he's been trying to create a new identity for himself. And now, with his beloved vegan girlfriend, Sonja, with his hidden accent and highlights in his hair, he is as close as he has ever come to living a normal life. But then one morning, Danny learns a female client of his has been murdered. The deed was done with a knife, at a creek he'd been to with her before; and a jacket was left at the scene, which he believes belongs to another of his clients—a doctor with whom Danny knows the woman was having an affair. Suddenly Danny is confronted with a choice: Come forward with his knowledge about the crime and risk being deported? Or say nothing, and let justice go undone? Over the course of this day, evaluating the weight of his past, his dreams for the future, and the unpredictable, often absurd reality of living invisibly and undocumented, he must wrestle with his conscience and decide if a person without rights still has responsibilities. "Searing and inventive," Amnesty is a timeless and universal story that succeeds at "illuminating the courage of displaced peoples and the cruelties of those who conspire against them" (Star Tribune, Minneapolis).

The Hindu Index Offshoot

In his definitive introduction to Zen Buddhism, Alan Watts ("the perfect guide for a course correction in life" —Deepak Chopra), explains the principles and practices of this ancient religion. With a rare combination of freshness and lucidity, he delves into the origins and history of Zen to explain what it means for the world today with incredible clarity. Watts saw Zen as "one of the most precious gifts of Asia to the world," and in *The Way of Zen* he gives this gift to readers everywhere. "Perhaps the foremost interpreter of Eastern disciplines for the contemporary West, Watts had the rare gift of 'writing beautifully the unwritable.'" —Los Angeles Times

Songs in Stone Offshoot

In the game of cricket, having scored 99 runs, when a batsman stands poised on the threshold of that much coveted century, he experiences the moment that is best associated with Ganesha. Fear and uncertainty envelope him; between him and his achievement stand hurdles, both real and imaginary: a possible spin from the bowler can overwhelm him, his own anxiety can paralyze him, cheering fans can distract him. He needs divine intervention then. He needs to focus, get rid of all hurdles, perform, get the final run, and achieve what he so longs for. In other words, he needs to think of Ganapati. This book brings together 99 meditations to better understand the stories, symbols and rituals of that adorable elephant-headed Hindu god who removes hurdles and brings prosperity and peace. Known variously as Ganapati, Gajanan, Vinayaka or Pillayar, he can help all of us score a century in the game called life.

Wind on Haunted Hill Catapult

Anika has recently emigrated from India and is having a difficult time adjusting to life in a new country, not to mention life in a new school. Remembering the advice her grandmother gave her, she prays to Lord Ganesh, the Hindu elephant god. But Lord Ganesh is slow to respond and Anika takes to the Internet to attract his attention. When her problems begin to resolve themselves, she can breathe a sigh of relief. But has Lord Ganesh truly been helping her, or has she been relying on her own inner wisdom all along? This is a sweet and witty story about staying true to one's beliefs and finding strength in unlikely places.

An Analysis of Hinduism Studies in America Vintage Ladybird Favourite Tales are the timeless, treasured stories that generations of children have grown up with and loved. These easy-to-read retellings, enhanced by exciting, richly colourful illustrations, faithfully capture all the magic of the original stories.

The Hindu Pantheon Otto Harrassowitz Verlag Presents twenty-three stories about the Hindu god Ganesha, including stories about how he stopped King Ravana from becoming too powerful, won a race around the world, and created the tabla.

Monuments That Call, Command and Captivate Lord Ganesha's Feast of Laughter

'Gopi, I can't believe a year has passed since I met you. You have brought me so much happiness!' In this second book in the bestselling Gopi Diaries series, Gopi is stronger, bigger, more confident than the little pup he was in the first book, but he is also cheekier and more mischievous! He faces new situations, new challenges, even new dog companions with endless energy and spirit. And then comes the day when he faces the biggest surprise of them all... Written in Sudha Murty's inimitable style, this simple story told from a dog's perspective shows us just why pets are so precious - for their love, devotion and boundless affection. This is a book for Sudha Murty's fans of all ages as Gopi paws himself yet again into the hearts of children and adults alike.

Stories of Lord Ganesha Turtleback

Pixar animator and Academy Award-nominated director Sanjay Patel (Sanjay's Super Team) brings to life Hinduism's most important gods and goddesses—and one sacred stone—in fun, full-color illustrations, each accompanied by a short, lively profile. The Little Book of Hindu Deities is chock-full of monsters, demons, noble warriors, and divine divas. Find out why Ganesha has an elephant's head (his father cut his off!); why Kali, the goddess of time, is known as the "Black One" (she's a bit goth); and what "Hare Krishna" really means. "Throw another ingredient in the American spirituality blender. Pop culture is veering into Hinduism."—USA Today

Lord Ganesha's Feast of Laughter Ratna Sagar

India, once a major civilizational and economic power that suffered centuries of decline, is now newly resurgent in business, geopolitics and culture. However, a powerful counterforce within the American academy is systematically undermining core icons and ideals of Indic culture and thought. For instance, scholars of this counterforce have disparaged the Bhagavad Gita as a dishonest book ; declared Ganesha s trunk a limpphallus ; classified Devi as the mother with apenis and Shiva as a notorious womanizer who incites violence in India.

Amma Tell Me

Life of Pi is a masterful and utterly original novel that is at once the story of a young castaway who faces immeasurable hardships on the high seas, and a meditation on religion, faith, art and life that is as witty as it is profound. Using the threads of all of our best stories, Yann Martel has woven a glorious spiritual adventure that makes us question what it means to be alive, and to believe.

The Light of Asia Penguin Books India

"Please teach me Indian cooking! I will bring ingredients and pay you for your trouble. I would like to know about your culture as well." And with this posting on Craigslist, so begins Nani Power's journey to learn traditional Indian cooking in the most ancient of ways — woman to woman. Welcomed warmly into the homes of strangers, Power meets women of all ages and backgrounds, and from them learns the skills that were passed on to them from their own mothers. Power takes the reader into a culture, a cuisine, and the female psyche, with recipes and stories from each chapter revealing the struggle of modern women, both American and of Indian descent, searching for identity and a definition of what it means to be a woman today. The recipes shared in this collection are far from ordinary; they are treasured family recipes from vegetarian homes in India — from homemade cheese cubes in a rich cilantro and almond curry to coconut-stuffed okra and luscious potato-curry dumplings. Power's recipes and stories pave the road to understanding a culture that is at the same time ancient and so very much part of our modern world.

The Little Book of Hindu Deities Notion Press

Leela—alluring, taciturn, haunted—is moving back to Delhi from New York. She knows her return will unsettle many lives. Twenty-five years ago her sister was seduced by Vyasa, a young university lecturer. Now Vyasa, an eminent Sanskrit scholar, is preparing for the unlikely marriage of his son, Ash, to the child of a Hindu nationalist. Compounding Leela's disruptive presence, Vyasa's hedonistic daughter Bharati arrives from London, reluctantly leaving her cosmopolitan university life to see Ash married. He, meanwhile, has fallen in love with his brother-in-law to be. Gleefully presiding over the drama is Ganesha—divine, elephant-headed scribe of India's great epic, the Mahabharata. The family patriarchs may think they have arranged the wedding for their own selfish ends, but according to Ganesh it is he who is directing events—in a bid to save Leela, his beloved heroine, from his devious enemy Vyasa. Turning to fiction after an award-winning travel book, Alice Albinia has written a brilliantly playful and genre-defying first novel. Ambitious and entertaining, Leela's Book weaves a tale of contemporary Delhi that crosses religious

and social boundaries, reaching back into the origins of the Mahabharata itself.

Lockdown Memories Penguin

In this award-winning novel, Tharoor has masterfully recast the two-thousand-year-old epic, The Mahabharata, with fictional but highly recognizable events and characters from twentieth-century Indian politics. Nothing is sacred in this deliciously irreverent, witty, and deeply intelligent retelling of modern Indian history and the ancient Indian epic The Mahabharata. Alternately outrageous and instructive, hilarious and moving, it is a dazzling tapestry of prose and verse that satirically, but also poignantly, chronicles the struggle for Indian freedom and independence.

The Great Indian Novel Harper Collins
