Practical Practice Reading: Filling Out Forms

Remedia Publications Our combined resource helps engage learners while providing the knowledge they need to have successful daily life skills. Our in depth study combines the three lessons in this series: Daily Marketplace Skills, Daily Social & Workplace Skills, and Daily Health & Hygiene Skills. Students will start by going into the marketplace and learning how to budget and how to best spend their money. Then, students go into the workplace and learn how to behave in a social environment. Finally, students go back to their home and learn about health and hygiene. Comprised of reading passages, graphic organizers, real-world activities, crossword, word search and comprehension quiz, our resource combines high interest concepts with low vocabulary to ensure all learners comprehend the essential skills required in life. All of our content is reproducible and aligned to your State

Standards and are written to Bloom's Taxonomy.

Budget Math: Life Skills Math Series
Remedia Publications

Grade Level: 3-6 Make learning fun while boosting basic skills with this unique book of practical application math activities. The ebook includes a colorful menu to which students must refer to figure costs when spending money at a restaurant! 21st Century JANUARY DAILY COMPREHENSION - High Interest Reading Activities Remedia Publications

Grade Level: 5-12 Reading Level: 3-4 Learning to eat right is one of life's most essential lessons. After all, we are what we eat... our choices directly affect our health and well-being. Unfortunately, making intelligent choices is not always easy. From an early age, kids are enticed into a life of poor nutrition. There are thousands of fast-food restaurants in American, many offering toys and prizes with every meal. Fad diets fill the pages of teen magazines, television commercials feature sugar-filled breakfast cereals, and movie stars tell us which cola to drink. This easy-to-use book is a great way to provide students with up-to-date information on the principles of good nutrition while simultaneously improving their reading comprehension skills. Relevant, high-interest activities follow each reading selection and challenge students to: read for details, make inferences, find the main idea, find facts, summarize data, build vocabulary, draw conclusions, restate information, and make decisions.
