The Disney Musical: Critical Approaches on Stage and Screen is the first critical treatment of the corporation's hugely successful musicals both on screen and on the stage. Its 13 articles open up a new territory in the critical discussion of the Disney mega-musical, its gender, sexual and racial politics, outreach work and impact of stage, film and television adaptations. Covering early 20th century works such as the first full-length feature film Snow White and the Seven Dwarfs (1937), to The Lion King - Broadway's highest grossing production in history, and Frozen (2013), this edited collection offers a diverse range of theoretical engagements that will appeal to readers of film and media studies, musical theatre, cultural studies, and theatre and performance. The volume is divided into three sections to provide a contextual analysis of Disney's most famous musicals: · DISNEY MUSICALS: ON FILM · DISNEY ADAPTATIONS: ON STAGE AND BEYOND · DISNEY MUSICALS: GENDER AND RACE The first section employs film theory, semiotics and film music analysis to explore the animated works and their links to the musical theatre genre. The second section addresses various stage versions and considers Disney's outreach activities, cultural value and productions outside the Broadway theatrical arena. The final section focuses on issues of gender and race portraying representations of race, hetero-normativity, masculinity and femininity in Newsies, Frozen, High School Musical, Aladdin and The Jungle Book. The various chapters address these three aspects of the Disney Musical and offer new critical readings of a vast range of important works from the Disney musical cannon including Enchanted, Mary Poppins, Hunchback of Notre Dame, The Lion King and versions of musicals for television in the early 1990s and 2000s. The critical readings are detailed, open-minded and come to surprising conclusions about the nature of the Disney Musical and its impact.

*The Big Book of Superman* Dark Horse Comics

This is the incredible story of Tenzin Palmo, a remarkable woman who spent 12 years alone in a cave 13,000 feet up in the Himalayas. At the age of 20, Diane Perry, looking to fill a void in her life, entered a monastery in India--the only woman amongst hundreds of monks---and began her battle against the prejudice that had excluded women from enlightenment for thousands of years. Thirteen years later, Diane Perry a.k.a. Tenzin Palmo secluded herself in a remote cave 13,000 feet up in the Himalayas, where she stayed for twelve years. In her mountain retreat, she face unimaginable cold, wild animals, floods, snow and rockfalls, grew her own food and slept in a traditional wooden meditation box, three feet square. She never lay down. Tenzin emerged from the cave with a determination to build a convent in northern India to revive the Togdenma lineage, a long-forgotten female spiritual elite. She has traveled around the world to find support for her cause, meeting with spiritual leaders from the Pope to Desmond Tutu. She agreed to tell her story only to Vicky Mackenzie and a portion of the royalties from this book will help towards the completion of her convent.

#1 NEW YORK TIMES BESTSELLER • When we deny our stories, they define us. When we own our stories, we get to write the ending. Don't miss the five-part HBO Max docuseries Brené Brown: Atlas of the Heart! Social scientist Brené Brown has ignited a global conversation on courage, vulnerability, shame, and worthiness. Her pioneering work uncovered a profound truth: Vulnerability—the willingness to show up and be seen with no guarantee of outcome—is the only path to more love, belonging, creativity, and joy. But living a brave life is not always easy: We are, inevitably, going to stumble and fall. It is the rise from falling that Brown takes as her subject in *Rising Strong*. As a grounded theory researcher, Brown has listened as a range of people—from leaders in Fortune 500 companies and the military to artists, couples in long-term relationships, teachers, and parents—shared their stories of being brave, falling, and getting back up. She asked herself, What do these people with strong and loving relationships, leaders nurturing creativity, artists pushing innovation, and clergy walking with people through faith and mystery have in common? The answer was clear: They recognize the power of emotion and they're not afraid to lean in to discomfort. Walking into our stories of hurt can feel dangerous. But the process of regaining our footing in the midst of struggle is where our courage is tested and our values are forged. Our stories of struggle can be big ones, like the loss of a job or the end of a relationship, or smaller ones, like a conflict with a friend or colleague. Regardless of magnitude or circumstance, the rising strong process is the same: We reckon with our emotions and get curious about what we're feeling; we rumble with our stories until we get to a place of truth; and we live this process, every day, until it becomes a practice and creates nothing short of a revolution in our lives. *Rising Strong* after a fall is how we cultivate wholeheartedness. It's the process, Brown writes, that teaches us the most about who we are. ONE OF GREATER GOOD'S FAVORITE BOOKS OF THE YEAR "[Brené Brown's] research and work have given us a new vocabulary, a way to talk with each other about the ideas and feelings and fears we've all had but haven't quite known how to articulate. . . . Brené empowers us each to be a little more courageous."—The Huffington Post

When a peculiar letter arrives inviting Armand Gamache to an abandoned farmhouse, the former head of the Sûreté du Québec discovers that a complete stranger has named him one of the executors of her will. Still on suspension, and frankly curious, Gamache accepts and soon learns that the other two executors are Myrna Landers, the bookseller from Three Pines, and a young builder. None of them had ever met the elderly woman. The will is so odd and includes bequests that are so wildly unlikely that Gamache and the others suspect the

woman must have been delusional. But what if, Gamache begins to ask himself, she was perfectly sane? When a body is found, the terms of the bizarre will suddenly seem less peculiar and far more menacing. But it isn't the only menace Gamache is facing. The investigation into what happened six months ago—the events that led to his suspension—has dragged on, into the dead of winter. And while most of the opioids he allowed to slip through his hands, in order to bring down the cartels, have been retrieved, there is one devastating exception. Enough narcotic to kill thousands has disappeared into inner city Montreal. With the deadly drug about to hit the streets, Gamache races for answers. As he uses increasingly audacious, even desperate, measures to retrieve the drug, Armand Gamache begins to see his own blind spots. And the terrible things hiding there.

**Moving Images in the Classroom** Dark Horse Books

Now a limited Netflix series starring Zoe Saldana! This Reese Witherspoon Book Club Pick and New York Times bestseller is "a captivating story of love lost and found" (Kirkus Reviews) set in the lush Sicilian countryside, where one woman discovers the healing powers of food, family, and unexpected grace in her darkest hours. It was love at first sight when actress Tembi met professional chef, Saro, on a street in Florence. There was just one problem: Saro's traditional Sicilian family did not approve of his marrying a black American woman. However, the couple, heartbroken but undeterred, forged on. They built a happy life in Los Angeles, with fulfilling careers, deep friendships, and the love of their lives: a baby girl they adopted at birth. Eventually, they reconciled with Saro's family just as he faced a formidable cancer that would consume all their dreams. From Scratch chronicles three summers Tembi spends in Sicily with her daughter, Zoela, as she begins to piece together a life without her husband in his tiny hometown hamlet of farmers. Where once Tembi was estranged from Saro's family, now she finds solace and nourishment—literally and spiritually—at her mother-in-law's table. In the Sicilian countryside, she discovers the healing gifts of simple fresh food, the embrace of a close knit community, and timeless traditions and wisdom that light a path forward. All along the way she reflects on her and Saro's romance—an incredible love story that leaps off the pages. In Sicily, it is said that every story begins with a marriage or a death—in Tembi Locke's case, it is both. "Locke's raw and heartfelt memoir will uplift readers suffering from the loss of their own loved ones" (Publishers Weekly), but her story is also about love, finding a home, and chasing flavor as an act of remembrance. From Scratch is for anyone who has dared to reach for big love, fought for what mattered most, and those who needed a powerful reminder that life is...delicious.
