An intimate tour of quintessential Provençal style, featuring chic homes and interior details inspired by this picturesque region Thirty years after the publication of Peter Mayle's bestselling memoir *A Year in Provence*, the sun-drenched southern French region continues to excite home decorators with its combination of rustic charm, elegant details, and historical influences. *Provence Style* showcases the best of the region, with Shauna Varvel's quintessential 18th-century Rhône valley farmhouse--Le Mas des Poiriers--as its centerpiece. Named for the working pear orchard on the grounds, the property was reimagined by noted local architect Alexandre Lafourcade, who transformed a rough structure into a luxurious expression of the Provençal aesthetic, referencing historical influences, rural traditions, and Parisian taste. Set amid a garden of allées, arbors, and terraces designed by the architect's mother, renowned landscape designer Dominique Lafourcade, this exemplar of Provençal style is the starting point for exploring the region's characteristic interior details and exterior features. The book includes chapters on the public spaces of the home, from entrances to living rooms, the private realm of bedrooms and bathrooms, and outdoor areas including patios and kitchen gardens, transporting the reader on a captivating stylistic journey.

Change the world one trip at a time. In this illuminating collection of stories and lessons from the road, acclaimed travel writer Rick Steves shares a powerful message that resonates now more than ever. With the world facing divisive and often frightening events, from Trump, Brexit, and Erdogan, to climate change, nativism, and populism, there's never been a more important time to travel. Rick believes the risks of travel are widely exaggerated, and that fear is for people who don't get out much. After years of living out of a suitcase, he still marvels at how different cultures find different truths to be self-evident. By sharing his experiences from Europe, Central America, Asia, and the Middle East, Rick shows how we can learn more about our own country by viewing it from afar. With gripping stories from Rick's decades of exploration, this fully revised edition of [Travel as a Political Act](#) is an antidote to the current climate of xenophobia. When we travel thoughtfully, we bring back the most beautiful souvenir of all: a broader perspective on the world that we all call home. All royalties from the sale of [Travel as a Political Act](#) are donated to support the work of Bread for the World, a non-partisan organization working to end hunger at home and abroad.

[Starry Night](#) is a fully illustrated account of Van Gogh's time at the asylum in Saint-Remy. Despite the challenges of ill health and asylum life, Van Gogh continued to produce a series of masterpieces - cypresses, wheatfields, olive groves and sunsets. He wrote very little about the asylum in letters to his brother Theo, so this book sets out to give an impression of daily life behind the walls of the asylum of Saint-Paul-de-Mausole and looks at Van Gogh through fresh eyes, with newly discovered material.

In this irresistible marriage of watercolorist's sketchbook and traveler's guide, Virginia Johnson lovingly captures the magic of one of the world's most storied regions, the French Riviera. We walk the Promenade des Anglais in Nice. Shop for handmade sandals at Rondini in Saint-Tropez. Visit the Madoura workshop in Antibes, where Picasso discovered his genius for pottery. Meet legendary characters like Pierre Grunberg, a swimming instructor who taught Jean Cocteau, Brigitte Bardot, Paul McCartney, and many others. Saturated with the limpid colors of sea and sun, the dazzling greens of verdant gardens, and the rose and ochre of sunbaked villas and joyous with paisleys and blue-striped sailor's shirts and the riotous look of a patisserie window filled with confections, *Travels Through the French Riviera* is a gift book of visual wonder, the souvenir every Francophile will want. But it is also a quirky yet singularly useful travel guide, whether showing how to order coffee like a local, plan a beach day at Menton, or hike the Cap Ferrat peninsula or where to taste the best ice cream in Antibes (at Amarena—try the mint).

From cities to quaint towns and everything in between, Provence has something for everyone. Swim in the crystal clear waters of the Calanque de Sormiou in Marseille. Drive with the top down through fields of lavender in Valensole. Experience a bite of just-out-of-the-oven fougasse, a Provençal classic. Stand in awe of the beautiful, white Camargue horses native to the area. Located in the South of France, Provence is uniquely positioned to be a cultural blend of the Mediterranean. Roman landmarks still prevail from the 1st century AD alongside châteaux from

medieval times--a varied legacy brightened by the indigenous mimosas and cypresses. Perhaps since the region is well-known for its ability to inspire, it's

home to a plethora of festivals such as Rencontre d'Arles, Festival d'Avignon, Festival d'Aix-en-Provence and more, all celebrating the arts. Artists who have praised the unique Provençal light include

Cézanne, Van Gogh, Matisse and Picasso. Alexandre Dumas and Jean Giono are among the writers who were drawn to write in the shade of the plane trees.
