TANYA SIMMONS

The World's Social Evil OECD Publishing
This book is a volume in the Penn Press Anniversary Collection. To mark its 125th anniversary in 2015, the University of Pennsylvania Press rereleased more than 1,100 titles from Penn Press's distinguished backlist from 1899-1999 that had fallen out of print. Spanning an entire century, the Anniversary Collection offers peer-reviewed scholarship in a wide range of subject areas.

Index-catalogue of the Library of the Surgeon-General's Office, United States Army Palala Press

This series of country reports focuses on quality issues in early childhood education and care.

Rehabilitation of the Spine

Organisation for Economic Co-operation and Development

This work is a reprint of the 1937 edition by C.H. Curran and Carl Kauffeld.

Presented in narrative format, the book deals with the appearance, habitats and habits of snakes. Each chapter presents both fact and fiction, dispelling many of the misconceptions of folklore, religion and mythology.

Studies on Codeine Addiction

In a European context of rapidly expanding early education/ care provision for young children, the staffing of these services is a critical quality issue. What are the requirements for professional education and training? How alike or how varied are the qualification profiles and fields of work? Through detailed country reports and comparative analyses across 27 countries, this book provides answers to these questions.

Snakes and Their Ways

Although improving the quality of, and access to, early childhood education and care has become a major policy priority in OECD Member countries they have tended to diverse strategies in this field. This report provides a comparative analysis of major policy developments and issues in 12 OECD countries. It looks at the contextual and cultural issues that shape

policy, highlights innovative approaches, and proposes policy options that can be adapted across borders. As a result it proposes eight key elements of successful policy for decision-makers seeking to promote equitable access to quality early childhood education and care.
