### God is Dead Lonely Planet

Kaja doesn't like change in her life. And why should she? Everything seems to be quite nice and settled: she is living in a cosy flat in the centre of Zurich, together with her faithful dog Zorro. She has a successful career as a computer programmer and a casual relationship with a charming work colleague. Surely, it couldn't get any better. - But then her whole life comes crashing down: her lover turns out to be a cheat, her professional reputation is in tatters and to cap it all, she starts seeing a shiny blue creature called Lance who does his very best to get on her nerves. Has it all been too much for her recently? Is she hallucinating? Or is she the only girl in the world with a personal dragon at her service? Virginia Fox's debut novel tells the story of a young woman, her journey from just living to finding a purpose in life, all told in a light-hearted, humorous style. You will laugh and cry with her and you will be genuinely happy for her in the end. - Only it won't be the end. It will be the beginning of new adventures, because this is only part one of the author's trilogy. A book for dragon friends and animal lovers, looking for a little bit of magic in their life.

"A donkey?" blurted my family as one. For a moment it didn't seem they'd ever be able to list all the reasons that made this so entertainingly ludicrous. . . .Yes, I'd never ridden a donkey on a beach or petted one at a city farm, never even pinned a cardboard tail to one's throat after the cake and ice cream....A donkey would be my hairy-coated hair shirt, making my

pilgrimage to Santiago de Compostela a truer test of the will, a trial." With these words, having no knowledge of Spanish and even less about the care and feeding of donkeys, Tim Moore, Britain's indefatigable traveling Everyman, sets out on a pilgrimage to the cathedral at Santiago de Compostela with a donkey named Shinto as his companion. Armed only with the Codex Calixtinus, a twelfth-century handbook to the route, and expert advice on donkey management from Robert Louis Stevenson, Moore and his four-legged companion travel the ancient five-hundred-mile route from St. Jean Pied-de-Port, on the French side of the Pyrenees, to the cathedral at Santiago de Compostela, which houses the remains of Spain's patron saint, St. James. Over sun-scorched highways, precipitous bridges, dirt paths shaded by leafy trees, and vineyards occasionally lashed by downpours, Moore and Shinto pass through some of the oldest towns and cities in northern Spain in colorful company, both past and present. Pilgrims real and imagined have traveled this route throughout the ages, a diverse cast of wayfarers spanning Charlemagne, St. Francis of Assisi, Chaucer's Wife of Bath, and New Age diva, Shirley MacLaine. Moore's present-day companions are no less florid or poignant. Clearly more interested in Shinto than in Moore, their fellow walkers are an assortment of devout Christian pilgrims, New Age spirituality seekers, travelers grieving over a lost love affair, Baby Boomers contemplating the advent of middle age, and John Q. Public just out for a cheap, boozy sun-drenched outdoor holiday. As Moore pushes, pulls, wheedles, cajoles, and threatens Shinto across Spain toward the crypt of St. James in a quest to find the spiritual pilgrim within, the duo overnights in the bedrooms, dormitories, and---for Shinto---adjacent grassy fields of northern Spain's hostels, inns, convents, seminaries, and farmhouses. Shinto, a donkey with a finely honed

talent for relieving himself at the most inopportune moments, has better luck in the search for his next meal than Moore does in finding his inner St. Francis. Undaunted, however, Man and Beast finally arrive at the cathedral and a successful end to their journey. For readers who delighted in his earlier books, *Travels with My Donkey* is the next hilarious chapter in the travels of Tim Moore, a book that keeps the bones of St. James rattling till this day.

YEAR AWARD 2022 • 'How doping killed cycling's 'golden boy'. A shocking, clear-sighted and sympathetic account of a talent destroyed by drugs.' The Times 'Sensitive yet compelling.' The Observer They called him God. For his grace on a bicycle, for his divine talent, for his heavenly looks. Frank Vandebroucke had it all, and in the late nineties he raced with dazzling speed and lived even faster. The Belgian won most of cycling's most prestigious races, including Liège-Bastogne-Liège and Paris-Nice, enthraling a generation of cycling fans. Off the bike, he only had one enemy - himself. His rise to prominence coincided with a rampant period of doping and Vandebroucke had a wayward streak. He regularly fell out with team managers and had all-night party sessions mixing sleeping pills and alcohol. A drugs scandal started a long fall from grace, leading to addiction, car crashes, court appearances, marital problems and suicide bids, punctuated by sporting comebacks. His life was like a soap opera and its premature ending shocked many. In October 2009, aged thirty-four, Vandebroucke was found dead in a Senegalese hotel room - in mysterious circumstances. Led by candid contributions from his closest family, friends and associates, William Hill award-winning author Andy McGrath lays bare Vandebroucke's turbulent life story. God is Dead is the compelling biography of this mercurial cycling prodigy. - 'With his talent, Frank is the Johan Cruyff of cycling. He could win anything.' Eddy Merckx, FIVE TIMES WINNER OF THE TOUR DE FRANCE 'Captures the charisma and chaos of Vandebroucke's short life perfectly.' Cyclist 'A cautionary tale. Gripping yet harrowing.' Bikeradar

One of the most important politics books of the year, To Obama is a record of a time when politics intersected with empathy. 'The real story of Obama's America' Sunday Times Every day, President Obama received ten thousand letters from ordinary American citizens. Every night, he read ten of them before going to bed. In To Obama, Jeanne Marie Laskas interviews President Obama, the letter-writers themselves and the White House staff in the Office of Presidential Correspondence who were witness to the millions of pleas, rants, thank-yous and apologies that landed in the mailroom during the Obama years. At once desperate, joyful, hateful and despairing, they form an intimate portrait of one man's relationship with the American people, and of a time when empathy intersected with politics in the White House.
