More than ten years after the publication of the last edition, this up-to-date reference source includes more than 900 universities and other institutions, and more than 1.500 relevant programmes. Entries provide contact information as well as details such as statistical information, tuition fees, admission requirements, programmes' contents.

A Bibliography of Library Resources on Women Walter de Gruyter GmbH & Co KG

The digital age has transformed the structure and management of libraries around the world. With an increased focus on technology and its use in library management, library professionals seek the best practices and management systems to implement in specialized library settings. Special Library Administration, Standardization and Technological Integration presents the latest scholarly research on the existing and emerging trends in special library management including technological advancements, the importance of social media outlets, and the necessary professional practices to maintain efficiency and success within a library setting. This publication is an essential reference source for academicians, researchers, librarians, and advanced level students interested in the management of special libraries in the digital age.
