The Hidden World of the Fox Chronicle Books

The Korean Charlotte's Web More than 2 million copies sold This is the story of a hen named Sprout. No longer content to lay eggs on command,

only to have them carted off to the market, she glimpses her future every morning through the barn doors, where the other animals roam free, and comes up with a plan to escape into the wild—and to hatch an egg of her own. An anthem for freedom, individuality and motherhood featuring a plucky, spirited heroine who rebels against the tradition-bound world of the

barnyard, The Hen Who Dreamed She Could Fly is a novel of universal resonance that also opens a window on Korea, where it has captivated millions of readers. And with its array of animal characters—the hen, the duck, the rooster, the dog, the weasel—it calls to mind such classics in English as *Animal Farm* and *Charlotte's Web*. Featuring specially-

commissioned illustrations, this first English-language edition of Sun-mi Hwang's fable for our times beautifully captures the journey of an unforgettable character in world literature. *Hugless Douglas* Simon and Schuster A book about many of the world's most interesting wild animals, what they look like, where they live, how they hunt, what they eat, their intelligence

The Not-so-perfect Penguin

Penguin Charlie, like all small snails, lives in a shell. And since this two-in-one protective cover is strapped onto his back, Charlie carries his home with him everywhere. One day, while having a snail race with his friends—as snails like to do—there's a terrible

accident. As Charlie nears the finish line, the misplaced shoe of a little boy running through the garden comes down and breaks his shell. Charlie's shell—and his home—are completely destroyed. To make matters worse, winter is coming and Charlie has nowhere to go. Charlie's friends try to help him find a new home, but none seem to fit just right: they are too hard, too sticky, too sharp, or too flimsy. Will someone be

able to help Charlie find a new home before winter? Featuring a story of friendship from author and illustrator Doris Lecher, *A New House for Charlie* teaches children about helping others and showing compassion and empathy when hurting another person, even if unintentionally. Appropriate for children ages 3 to 6. Parents and educators will like the lessons throughout the book and

children will be able to relate to Charlie as he tries to find a new home.  Rosie is haunted by monster nightmares. Waking up in a pool of sweat, she is bound and determined to confront her fears. Her solution is so deft and

clever, mixing a deep knowledge of childhood, exuberant energy, and... a kiss, that it will leave young readers cheering and, more important, armed with some of the tools to tackle their own night monsters. Philip Waechter, the creator of the wonderfully all-too-human hero bear in Me!, now shows an equally keen and sensitive appreciation of the dilemmas of childhood. In

Rosie he has created a feisty and courageous little heroine, who can stand proudly next to William Steig's Brave Irene and Kevin Henke's Lily.
