<i>Herz der Wüste Knopf Canada Ein genialer Schlagabtausch für alle, die Wissen niemals für unnützlich halten! Es gibt Momente im Leben, da muss man der Wahrheit ins Auge blicken und ein klares Urteil fällen: Wer bringt mehr Geschenke - Weihnachtsmann oder Osterhase? Sollte man lieber die Wahrheit sagen - oder sich für die Pflicht entscheiden? Süß oder salzig?</i>	Gemüse oder Obst? In ihrem zweiten Buch schicken Sebastian Leber & Yvonn Barth 100 neue Gegner in den Ring, um die alles entscheidende n Fragen der Menschheit zu klären. Verblüffende Fakten, dramatische Szenen: Hier wird duelliert, was das Zeug hält. Und dabei sind alle Mittel erlaubt ... <i>Auf Spurensuche Vintage</i> An award- winning debut novel about a quirky immigrant's	journey through a multicultural, post- nationalist landscape Set in Frankfurt, All Russians Love Birch Trees follows a young immigrant named Masha. Fluent in five languages and able to get by in several others, Masha lives with her boyfriend, Elias. Her best friends are Muslims struggling to obtain residence permits, and her parents rarely leave the house except to compare gas
--	--	--

prices. Masha has nearly completed her studies to become an interpreter, when suddenly Elias is hospitalized after a serious soccer injury and dies, forcing her to question a past that has haunted her for years. Olga Grjasnowa has a unique gift for seeing the funny side of even the most tragic situations. With cool irony, her debut novel tells the story of a headstrong young woman for whom the

issue of origin and nationality is immaterial—her Jewish background has taught her she can survive anywhere. Yet Masha isn't equipped to deal with grief, and this all-too-normal shortcoming gives a particularly bittersweet quality to her adventures. *Dick gegen Doof und 99 neue Duelle* Paul Zsolnay Verlag Three years ago, David Hunter moved to rural Norfolk to escape his life

in London, his gritty work in forensics, and a tragedy that nearly destroyed him. Working as a simple country doctor, seeing his lost wife and daughter only in his dreams, David struggles to remain uninvolved when the corpse of a woman is found in the woods, a macabre sign from her killer decorating her body. In one horrifying instant, the quiet summer countryside that had been David's refuge

has turned malevolent—and suddenly there is no place to hide. The village of Manham is tight-knit, far from the beaten path. As a newcomer, Dr. Hunter is immediately a suspect. Once an expert in analyzing human remains, he reluctantly joins the police investigation—and when another woman disappears, it soon becomes personal. Because this time she is someone

David knows, someone who has managed to penetrate the icy barrier around his heart. With a killer's bizarre and twisted methods screaming out to him, with a brooding countryside beset with suspicion, David can feel the darkness gathering around him. For as the clock ticks down on a young woman's life, David must follow a macabre trail of clues—all the way to its final, horrifying

conclusion. Mörder ohne Gesicht Königshausen & Neumann Die in der deutschsprachigen und polnischen Literatur entworfenen Fremd- und Eigenbilder lassen Rückschlüsse über die kulturelle Identität wie auch existierende Stereotype zu. Für die letzten Jahrzehnte wird man davon ausgehen können, dass ein nachhaltiger Wandel in den deutsch-polnischen

<p>Beziehungen eingetreten ist. Als Folge davon ist es zu einem Abbau existierender Stereotype gekommen. Damit in Verbindung steht ein Plädoyer für Offenheit gegenüber dem Anderen, seiner Werte und seiner Kultur. Der Perspektivenwechsel war nicht zuletzt deshalb möglich, weil in besonderer Weise erinnert und vergessen wurde. Zudem hat die Bereitschaft zugenommen, »die andere</p>	<p>Seite mit ihren eigenen Augen« (Uwe Johnson) zu betrachten. Die Beiträge zeigen, dass in diesem Prozess Literatur wie auch filmische Inszenierungen, das Theater oder die Bildende Kunst eine nicht zu unterschätzende Rolle gespielt haben, auch und gerade, indem sie »aufstörende Erfahrungen« zum Gegenstand der Darstellung machten. Zitty BoD - Books on</p>	<p>Demand Henning Mankell's first novel, never before released in English, explores the reflections of a working class man who has struggled against the constraints of his station for his entire life. A VINTAGE ORIGINAL. The year is 1911. The young rock blaster Oskar Johansson has been killed in an accident. Or so it says in the local newspaper. In spite of serious injuries, however,</p>
---	--	--

Oskar survives. Decades later, Oskar looks back and reflects on his working life as an invalid, his marriage, his dreams, and his hopes. Oskar's life is woven together out of fragments of voices, images, and episodes that, taken together, provide a sharp and precise picture of life in Sweden for the working class. The Chemistry of Death Tectum Verlag DE A stunning

and poignant autobiographical look at the myriad experiences that shape a meaningful life, by the bestselling author of the Kurt Wallander mysteries. In January 2014, Henning Mankell received a diagnosis of lung cancer. Quicksand is a response to this shattering news—but it is not a memoir of destruction. Instead, it is a testament to a life fully lived, a tribute to the extraordinary but fleeting

human journey that delivers both boundless opportunity and crucial responsibility. In a series of intimate vignettes, Mankell ranges over rich and varied reflections: of growing up in a small Swedish town, where he experiences a startling revelation on a winter morning as a young boy; of living hand-to-mouth during a summer in Paris as an ambitious young writer; of his work at

a theater in Mozambique, where Lysistrata is staged in the midst of civil war; of chance encounters with men and women who changed his understanding of the world. Along the way, Mankell ponders the meaning of a good life, and the critically important ways we can shape the future of humanity if we are fortunate enough to have the choice. Vivid, clear-eyed, and breathtakingly beautiful,

Quicksand is an invaluable parting gift from a great man. Buchkultur Delacorte Press The tenth riveting installment in the mystery thriller series that inspired the Netflix crime drama Young Wallander "As satisfying for its emotional depth as its suspense . . . A gripping mystery." —PEOPLE Magazine A retired navy officer has vanished in a forest near Stockholm. Kurt

Wallander is prepared to stay out of the relatively straightforward investigation—which is, after all, another detective's responsibility—but the missing man is his daughter's father-in-law. With his typical disregard for rules and regulations, Wallander is soon pursuing his own brand of dogged detective work on someone else's case. His methods are often questionable, but the results

are not: he finds an extremely complex situation which may involve the secret police and ties back to Cold War espionage. Adding to Wallander's concerns are more personal troubles. Having turned sixty, and having long neglected his health, he's become convinced that his memory is failing. As he pursues this baffling case, he must come to grips not only with the facts at hand, but also with

his own troubling situation. *Firewall* Diplomatica Verlag
It is October 1914, and Swedish naval officer Lars Tobiasson-Svartman is charged with a secret mission to take depth readings around the Stockholm archipelago. In the course of his work, he lands on the rocky isle of Halsö. It seems impossible f...

gemacht und leichtsinnig sein Leben riskiert, doch sein außerordentliches kriminalistisches Talent gilt als erwiesen ... Von Wallanders erstem Fall bis zu einem ausgewachsenen Kriminalroman, "Die Pyramide", reicht das Spektrum der vorliegenden Erzählungen, die alle vor 1990, dem Beginn der eigentlichen Wallander-Serie, spielen. <i>Liberal</i> Paul Zsolnay Verlag	International bestseller: Murder becomes a high tech game of cat and mouse in this "thinking man's thriller" from the master of Nordic noir (The New York Times Book Murder). Ystad, Sweden. A man stops at an ATM during his evening walk and inexplicably falls to the ground dead. Two teenage girls brutally murder a taxi driver. They are quickly apprehended, shocking local policemen	with their complete lack of remorse. A few days later a blackout cuts power to a large swath of the country. When a serviceman arrives at the malfunctioning power substation, he makes a grisly discovery. Inspector Kurt Wallander senses these events must be linked, but he has to figure out how and why. The search for answers eventually leads him dangerously close to a group of anarchic
--	---	---

terrorists who hide in the shadows of cyberspace. Somehow, these criminals always seem to know the police department's next move. How can a small group of detectives unravel a plot designed to wreak havoc on a worldwide scale? And will they solve the riddle before it's too late? A riveting police procedural about our increasing vulnerability in the modern digitized world, Firewall

“proves once again that spending time with a glum police inspector in chilly Sweden can be quite thrilling . . . A notable success” (Publishers Weekly).
Der Kriminalroman als Medium für (allgemeine) Gesellschaftskritik: Am Beispiel des schwedischen Autors Henning Mankell
 Random House International bestseller: Kurt Wallander and his daughter

join forces to hunt for a ritual killer in this “gripping, beautifully orchestrated” mystery (New York Times Book Review). Linda Wallander is bored. Having just graduated from the police academy, she's waiting to start work with the Ystad police and move into her own apartment. In the meantime, she's staying with her father and, like fathers and daughters everywhere, they are driving each

other crazy. Nor will they be able to escape each other when she moves out. Her father is Inspector Kurt Wallander, a veteran of the Ystad police force, and the two of them are about to find themselves working a case that couldn't be closer to home. Linda's childhood friend Anna has disappeared. As the investigation proceeds, she makes a few rookie mistakes that

are both understandable and life-threatening. But as the case her father is working on dovetails with her own, something far more dangerous, and chillingly calculated, begins to emerge. A "powerful" and "thoroughly engaging" thriller from "a master storyteller," Before the Frost introduces an unforgettable new heroine to the acclaimed series that is

the basis for the BBC television show starring Kenneth Branagh (San Francisco Chronicle). Die Leiche im Paradies New Press/ORIM Detective Wallander is haunted by the spectre of a murder he was unable to prevent as a young policeman. Years after the event, the daughter of the murder victim, now a heroin addict, dies of an overdose. A distressed Wallander is assigned to investigate

the crash of a light airplane and a detonated armour piercing shell is found in the wreckage. A few days later, two elderly sisters are killed in an explosion in a sewing supplies shop. Traces of an advanced explosive are found in the burnt-out shop and evidence soon mounts to indicate that both events are tied to a showdown between two rival narcotics gangs. *Deutschland-und*

Polenbilder in der Literatur nach 1989
Vandenhoeck & Ruprecht
From the dean of Scandinavian noir, comes a riveting mystery set in frozen north of Sweden. . . When retired policeman Herbert Molin is found brutally slaughtered on his remote farm in the northern forests of Sweden, police find strange tracks in the snow — as if someone had been practicing the tango. Stefan Lindman, a

young police officer recently diagnosed with mouth cancer, decides to investigate the murder of his former colleague, but is soon enmeshed in a mystifying case with no witnesses and no apparent motives. Terrified of the disease that could take his life, Lindman becomes more and more reckless as he unearths the chilling links between Molin's death and an underground

neo-Nazi network that runs further and deeper than he could ever have imagined. <i>Before the Frost</i> Springer- Verlag Mitte der 90er Jahre beginnt eine Flut von Kriminalroman en aus dem skandinavisch en Sprachraum den deutschen Krimimarkt zu uberfluten. Angefuhrt wird diese neue Riege von Krimiautoren durch Henning Mankell, der in kurzer Zeit eine grosse Fangemeinde in	Deutschland findet. Europa befindet sich nach dem Fall der Mauer im Wandel und auch die nordlichsten Lander Europas sind davon betroffen. Henning Mankell nennt diese Zeit in dem Vorwort von Wallanders erster Fall" (erschieden 1999) die europaische Unruhe. In diesem Vorwort fragt Mankell nach den Chancen fur das Uberleben der Demokratie, wenn das Fundament	des Rechtsstaates nicht mehr intakt ist. Europa befindet sich in einem neuen Bewusstsein fur Verbrechen und Gewalt, die es umgeben. Terrorismus, Rassismus, Gewaltorgien, Soziopathie, Massenmord, Serienerbrec hen erfassen alle Lander und drangen sich in die Wahrnehmung der Menschen. Diese Untersuchung beschäftigt sich mit Ursachensach enforschung
