Kids can look through all the stamps in her passport and try on her sunglasses and rings. New are a banana with a joke, and a smartphonethis granny likes to keep up with the times. The Mini Edition is jam-packed with objects to discover and explore.

Crochet Every Way Stitch Dictionary Creative Publishing International Hiroshima is the story of six people—a clerk, a widowed seamstress, a physician, a Methodist minister, a young surgeon, and a German Catholic priest—who lived through the greatest single manmade disaster in history. In vivid and indelible prose, Pulitzer Prize-winner John Hersey traces the stories of these half-dozen individuals from 8:15 a.m. on August 6, 1945, when Hiroshima was destroyed by the first atomic bomb ever dropped on a city, through the hours and days that followed. Almost four decades after the original publication of this celebrated book, Hersey went back to Hiroshima in search of the people whose stories he had told, and his account of what he discovered is now the eloquent and moving final chapter of Hiroshima.

101 Drama Games and Activities Creative Publishing International

In *Crochet Every Way Stitch Dictionary*, designer Dora Ohrenstein does what no crochet author has done before: She offers detailed instructions for how to create 125

stitch patterns, plus she explains how to increase and decrease each stitch pattern in three different ways—without shaping, with shaping at the edges, and with internal shaping. This hefty collection, ranging from lace and filigree to shells and textured stitches, is loaded with beautifully photographed swatches of each pattern, plus charted and text instructions. A focus on the ins and outs of shaping makes working stitch patterns far more accessible and allows the creative crocheter to make many items without a pattern. *Crochet Every Way Stitch Dictionary* will become an invaluable go-to resource that's sure to inspire legions of crocheters to use stitch patterns in new and exciting ways.

Miss Pinkeltink's Purse Tony Rosa *** FREE for a limited time only *** A hilarious cozy mystery series from 3x USA TODAY Bestselling Author Harper Lin! Barbara Gold, a retired CIA agent, is bored out of her skull in Cheerville, a sleepy town in New England—until a man is poisoned during a book club meeting for seniors. Everyone thinks Lucien had a heart attack, but from his symptoms, Barbara knows someone has slipped poisoned into his cake or drink. Even though she is no longer under cover, Barbara feels as if she's only playing the part of a sweet grandmother, but this may just be her most useful cover yet. The clock ticks as she investigates who in the Cheerville Active Readers' Society would want Lucien dead. It's only a matter of time before his death is declared murder and the police start hounding everyone. Suddenly Barbara's CIA training is useful again, and Cheerville is starting to seem not so dull after all. Read the action-packed first book (30,000 words) in the Secret Agent Granny mystery series. keywords: senior sleuths cozy mystery, secret agent thriller, CIA training, funny novella mystery, new cozy mystery series, quick read, Senior cozy mystery, Small town cozy mystery, Senior sleuths cozy mysteries, Senior cozy mysteries, Cozy funny senior mysteries, Senior sleuth mysteries in ebooks, Free senior mysteries ebooks, Free senior sleuths cozy mysteries

Grandma's Bag of Stories Interweave Parenting and Childhood Memories is a collection of stories about the ways in which parents' childhood memories influence their current interactions with their babies and young children: the ghosts and magic of our minds. This book explores the underlying meanings of parents' memories that emerge in their perceptions of their children and their responses to the challenges of early development and the everyday life stresses of parenting. Drawing on extensive material originating in mother-child groups and parent consultations, the author demonstrates that parents' emotional growth and ability to nurture their young children's emotional health is promoted by uncovering the links between the past and the present and unearthing the underlying meanings of seemingly inexplicable behavior. This original book, grounded in long-established psychoanalytic ideas, is about moments in early development and parent-child interaction that tell this story. Offering useful insights, readers will be intrigued by the details of the therapeutic process described and be inspired by the outcomes. This book will appeal to psychoanalysts, therapists, mental health professionals, and parents.

Bazaar Bizarre Workman Publishing Offers thirty crochet projects that can be created with only ten granny squares, including a tablet cover, tote bag, and backpack.

Beautiful Disaster Signed Limited Edition Knopf Books for Young Readers Highlighting the extraordinary influence Japanese craft has imparted on the world of fiber arts, this brilliantly illustrated manual showcases the stylish sensibilities of eastern expertise in creating gorgeously sophisticated handbags. Revealing a balanced selection of cleverly constructed handbags, exclusive pull-out pattern

templates, intricate details and instructions, and simple sewing techniques, sewers are shown how to create distinct and fashionable works of functional art, such as a wool tweed travel bag, a stylish denim bag with grommet and zipper details, a roomy tote with contrast lining and inside pockets, a handy laptop bag, a wool messenger bag with flower detail, and a soft luggage tote. With several concepts offering matching companion projects--such as change purses, drawstring bags, and wristlets--and accessible advice and information, this lively guide will inspire sewers of all experience levels.

Part 1 tells Jonah's story, including his adoption from Ethiopia, and his challenges in school. Part 2 is a celebration of crochet, defining the fiber art, introducing readers to Jonah's crochet friends, and offering instructions on how to make an identity-inspired dishcloth.

The Ultimate Granny Square Sourcebook Abrams

When a loved one dies we mourn our loss. We take comfort in the rituals that mark the passing, and we turn to those around us for support. But what happens when there is no closure, when a family member or a friend who may be still alive is lost to us nonetheless? How, for example, does the mother whose soldier son is missing in action, or the family of an Alzheimer's patient who is suffering from severe dementia, deal with the uncertainty surrounding this kind of loss? In this sensitive and lucid account, Pauline Boss explains that, all too often, those

confronted with such ambiguous loss fluctuate between hope and hopelessness. Suffered too long, these emotions can deaden feeling and make it impossible for people to move on with their lives. Yet the central message of this book is that they can move on. Drawing on her research and clinical experience, Boss suggests strategies that can cushion the pain and help families come to terms with their grief. Her work features the heartening narratives of those who cope with ambiguous loss and manage to leave their sadness behind, including those who have lost family members to divorce, immigration, adoption, chronic mental illness, and brain injury. With its message of hope, this eloquent book offers guidance and understanding to those struggling to regain their lives. Table of Contents: 1. Frozen Grief 2. Leaving without Goodbye 3. Goodbye without Leaving 4. Mixed Emotions 5. Ups and Downs 6. The Family Gamble 7. The Turning Point 8. Making Sense out of Ambiguity 9. The Benefit of a Doubt Notes Acknowledgments Reviews of this book: You will find yourself thinking about the issues discussed in this book long after you put it down and perhaps wishing you had extra copies for friends and family members who might benefit from knowing that their sorrows are not unique...This book's value lies in its giving a name to a force many of us will confront--sadly, more than once--and providing personal stories based on 20 years of interviews and research. --Pamela Gerhardt, Washington Post Reviews of this book: A compassionate exploration of the effects of ambiguous loss and how those experiencing it handle this most devastating of losses ... Boss's approach is to encourage families to talk together, to reach a consensus about how to mourn that which has been lost and how to celebrate that which remains. Her simple stories of families doing just that contain lessons for all. Insightful, practical, and refreshingly free of psychobabble. --Kirkus Review Reviews of this book: Engagingly written and richly rewarding, this title presents what Boss has learned from many years of treating individuals and families suffering from uncertain or incomplete loss...The obvious depth of the author's understanding of sufferers of

ambiguous loss and the facility with which she communicates that understanding make this a book to be recommended. --R. R. Cornellius, Choice Reviews of this book: Written for a wide readership, the concepts of ambiguous loss take immediate form through the many provocative examples and stories Boss includes, All readers will find stories with which they will relate...Sensitive, grounded and practical, this book should, in my estimation, be required reading for family practitioners. --Ted Bowman, Family Forum Reviews of this book: Dr. Boss describes [the] all-too-common phenomenon [of unresolved grief] as resulting from either of two circumstances: when the lost person is still physically present but emotionally absent or when the lost person is physically absent but still emotionally present. In addition to senility, physical presence but psychological absence may result, for example, when a person is suffering from a serious mental disorder like schizophrenia or depression or debilitating neurological damage from an accident or severe stroke, when a person abuses drugs or alcohol, when a child is autistic or when a spouse is a workaholic who is not really 'there' even when he or she is at home...Cases of physical absence with continuing psychological presence typically occur when a soldier is missing in action, when a child disappears and is not found, when a former lover or spouse is still very much missed, when a child 'loses' a parent to divorce or when people are separated from their loved ones by immigration...Professionals familiar with Dr. Boss's work emphasised that people suffering from ambiguous loss were not mentally ill, but were just stuck and needed help getting past the barrier or unresolved grief so that they could get on with their lives. --Asian Age Combining her talents as a compassionate family therapist and a creative researcher, Pauline Boss eloquently shows the many and complex ways that people can cope with the inevitable losses in contemporary family life. A wise book, and certain to become a classic. --Constance R. Ahrons, author of *The Good Divorce* A powerful and healing book. Families experiencing ambiguous loss will find strategies for seeing what aspects of their loved ones

remain, and for understanding and grieving what they have lost. Pauline Boss offers us both insight and clarity. --Kathy Weingarten, Ph.D, The Family Institute of Cambridge, Harvard Medical School *Hello, Crochet Friends!* Knopf Books for Young Readers

A triumphant tale of a young woman and her difficult childhood, *The Glass Castle* is a remarkable memoir of resilience, redemption, and a revelatory look into a family at once deeply dysfunctional and wonderfully vibrant. Jeannette Walls was the second of four children raised by anti-institutional parents in a household of extremes.

Two For The Dough David Farmer It's never too late to change your ways; especially when you're young. Troubled teen Mark Crowe has twenty-five weeks to do just that. At that point, he'll turn eighteen and all his problems will go away (so he thinks). But it will take more than just reaching a date on a calendar. Mark carries around a checkered past, has never known a stable home life, and believes all his problems originate from the neighboring golf course. He feels the odds are stacked against him and nobody is willing to give him a chance. A probation officer provides some routine counseling, but Mark is often leery of him and the process. It is at the least-likeliest of places, on the links, working with a most-improbable ally, a visually-impaired golfer, that Mark finds encouragement and catches glimpses of a better path through life.

Vanessa-Ann's My Grandmother Taught Me to Crochet Candlewick Press Who can resist a good story, especially when it's being told by Grandma? From her bag emerges tales of kings and cheats, monkeys and mice, bears and gods. Here comes the bear who ate some really bad dessert and got very angry; a lazy man who would not put out a fire till it reached his beard; a princess who got turned into an onion; a queen who discovered silk, and many more weird and wonderful people and animals. Grandma tells the stories over long summer days and nights, as seven children enjoy life in her little town. The stories entertain, educate and provide hours of enjoyment to them. So come, why don't you too join in the fun.
