The Cruellest Month is the third book in Louise Penny's award winning Three Pines mystery series featuring the wise and beleaguered Inspector Armand Gamache. "Many mystery buffs have credited Louise Penny with the revival of the type of traditional murder mystery made famous by Agatha Christie ... " - Sarah Weinman Welcome to Three Pines, where the cruellest month is about to deliver on its threat. It's spring in the tiny, forgotten village; buds are on the trees and the first flowers are struggling through the newly thawed earth. But not everything is meant to return to life. . . When some villagers decide to celebrate Easter with a séance at the Old Hadley House, they are hoping to rid the town of its evil---until one of their party dies of fright. Was this a natural death, or was the victim somehow

helped along? Brilliant, compassionate Chief Inspector Armand Gamache of the Sûreté du Québec is called to investigate, in a case that will force him to face his own ghosts as well as those of a seemingly idyllic town where relationships are far more dangerous than they seem.

Miss Marple and Hercule Poirot both make appearances in Agatha Christie's Double Sin and Other Stories, a sterling collection of short mystery fiction that offers double the suspense, surprise, and fun. In one of London's most elegant shops, a decorative doll dressed in green velvet adopts some rather human, and rather sinister, traits. A country gentleman is questioned about a murder yet to be committed. While summoning spirits, a medium is drawn closer to the world of the dead than she ever dared imagine possible. In a small country church, a dying man's last word becomes both an elegy and a clue to a crime. These chilling stories, and more, cleverly wrought by master Agatha Christie and solved by the inimitable Hercule Poirot and Miss Jane Marple.

The Mystery of the Blue Jar HarperCollins UK

"For lovers of the supernatural and the macabre comes this collection of ghostly and chilling tales from legendary mystery writer Agatha Christie. Fantastic psychic visions, spectres looming in the shadows, encounters with deities, a man who switches bodies with a cat--be sure to keep the light on whilst reading these stories. The Last Seance gathers twenty tales, some featuring Christie's beloved detectives Hercule Poirot and Miss Marple, in one haunting compendium that explores all things occult and paranormal, and is an essential omnibus for Christie fans."--Provided by publisher.

It's 1956, and Lee Plunkett has taken over the family business as a private investigator despite his reluctance to follow in his father's footsteps. When murder intrudes on a group of ghost seekers, Lee is asked to solve the case by a cop on the verge of retirement. At the urging of his perpetual fiancée Audrey, Lee enlists the help of Mr. O'Nelligan, a scholarly Irishman with a keen eye for solving mysteries. The duo is drawn into a murder

investigation involving the "Spectricator," a machine designed to communicate with the dead. Soon, Plunkett and O'Nelligan are knee-deep in a suspect pool that includes a surly medium, a former speakeasy queen, a mysterious Spanish widow, and a whole slew of eccentric servants. Engaging, charming, and smart, *The Séance Society* by Michael Nethercott is a fresh take on the traditional mystery genre for readers who love original characters, witty dialogue, and a great whodunit. "Nethercott's debut sparkles with a mix of W.B. Yeats and Elvis quotations, well-placed red herrings, and an endearing trio of protagonists."—Library Journal "This clever series opener offers a mid-century take on the traditional drawing-room mystery...There is a sweet charm to this mystery, ensuring that readers will want to see more from O'Nelligan and Plunkett."—Booklist "A classically styled Holmesian whodunit." —Publishers Weekly

"One of my favorite authors."—Colleen Hoover An insightful, delightful, instant #1 New York Times bestseller from the author of *Beach Read* and *People We Meet on Vacation*. Named a Most Anticipated Book of 2022 by Oprah Daily • Today • Parade • Marie Claire • Bustle • PopSugar • Katie Couric Media • Book Bub • SheReads • Medium • The Washington Post • and more! One summer. Two rivals. A plot twist they didn't see coming... Nora Stephens' life is books—she's read them all—and she is not that type of heroine. Not the plucky one, not the laidback dream girl, and especially not the sweetheart. In fact, the only people Nora is a heroine for are her clients, for whom she lands enormous deals as a cutthroat literary agent, and her beloved little sister Libby.

Which is why she agrees to go to Sunshine Falls, North Carolina for the month of August when Libby begs her for a sisters' trip away—with visions of a small town transformation for Nora, who she's convinced needs to become the heroine in her own story. But instead of picnics in meadows, or run-ins with a handsome country doctor or bulging-forearmed bartender, Nora keeps bumping into Charlie Lastra, a bookish brooding editor from back in the city. It would be a meet-cute if not for the fact that they've met many times and it's never been cute. If Nora knows she's not an ideal heroine, Charlie knows he's nobody's hero, but as they are thrown together again and again—in a series of coincidences no editor worth their salt would allow—what they discover might just unravel the carefully crafted stories they've written about themselves.

“An electrifying Victorian ghost story” from the International Horror Guild Award-winning author of *The Asylum* (The Seattle Times). “Sell the Hall unseen; burn it to the ground and plow the earth with salt, if you will; but never live there . . .” Constance Langton grows up in a household marked by death, her father distant, her mother in perpetual mourning for Constance's sister, the child she lost. Desperate to coax her mother back to health, Constance takes her to a séance: perhaps she will find comfort from beyond the grave. But the meeting has tragic consequences. Constance is left alone, her only legacy a mysterious bequest that will blight her life. So begins *The Séance*, John Harwood's brilliant second novel, a gripping, dark mystery set in late-Victorian England. It is a world of apparitions, of disappearances and unnatural phenomena, of betrayal and

blackmail and black-hearted villains—and murder. For Constance's bequest comes in two parts: a house and a mystery. Years before, a family disappeared at Wraxford Hall, a decaying mansion in the English countryside with a sinister reputation. Now the Hall belongs to Constance. And she must descend into the darkness at the heart of the Wraxford Mystery to find the truth, even at the cost of her life. “Harwood has written a true gothic, and invented a supremely creepy house to stage it in.”—Salon “Wilkie Collins would be proud: this is a Victorian world of mesmerism and spirits, vapours and delirium, doomed inheritances, shivery maids and spooky visitations in the night.”—Times (UK) “Perfect fare for a standard dark and stormy night.”

A sterling collection of short stories featuring Poirot and others, *The Golden Ball and Other Stories* is a riveting compendium of shocking secrets, dastardly crimes, and brilliant detection—a showcase of Dame Agatha at her very best. Is it a gesture of goodwill or a sinister trap that lures Rupert St. Vincent and his family to a magnificent estate? How desperate is Joyce Lambert, a destitute young widow whose only recourse is to marry a man she despises? What unexpected circumstance stirs old loyalties in Theodora Darrell, an unfaithful wife about to run away with her lover? In this collection of short stories, the answers are as unexpected as they are satisfying. *The Queen of Mystery* takes bizarre romantic entanglements, supernatural visitations, and classic murder to inventive new heights.

The Luminaries Harper Collins

It's "great fun" when a baker's dozen of Golden Age authors collaborate on a whodunit—including Agatha Christie, Dorothy L. Sayers, and G. K. Chesterton (*The Guardian*). Originally published in 1931, *The Floating Admiral* is a classic literary collaboration by members of the Detection Club, in which each chapter is written by a different mystery author, with G. K. Chesterton adding a

prologue after the novel was completed. Each writer was tasked with building on what the previous writer created, without ignoring or avoiding whatever plot points had come before. Although Anthony Berkeley wrote the definitive conclusion to the mystery in his final chapter, the writers all provided their own individual solutions, each in a sealed envelope, which appear in the appendix. In the words of Dorothy L. Sayers in her introduction, the spirit of the project was that of a "detection game," for the amusement of the authors—and their readers. In the sleepy English seaside village of Whynmouth, an old sailor discovers a corpse floating serenely in a rowboat owned by the local vicar. The victim has been stabbed in the chest. It falls to Inspector Rudge to solve this most baffling mystery, in which not only the identity of the killer but the identity of the victim is called into question. *The Floating Admiral* includes contributions by Canon Victor L. Whitechurch, G. D. H. and Margaret Cole, Henry Wade, Agatha Christie, John Rhode, Milward Kennedy, Dorothy L. Sayers, Ronald A. Knox, Freeman Wills Crofts, Edgar Jepson, Clemence Dane, and Anthony Berkeley. "I was . . . hugely entertained by the virtuoso displays of mental gymnastics, which kept me guessing all the way." —*The Guardian*

The Sittaford Mystery is Dame Agatha at her most intriguing, as a séance in a snowbound house predicts a particularly grisly murder. In a remote house in the middle of Dartmoor, six shadowy figures huddle around a table for a seance. Tension rises as the spirits spell out a chilling message: "Captain Trevelyan . . . dead . . . murder." Is this black magic or simply a macabre joke? The only way to be certain is to locate Captain

Trevelyan. Unfortunately, his home is six miles away and, with snowdrifts blocking the roads, someone will have to make the journey on foot. . . .

The Last Séance: An Agatha Christie Short Story Harper Collins

A prescient warning of a future we now inhabit, where fake news stories and Internet conspiracy theories play to a disaffected American populace "A glorious book . . . A spirited defense of science . . . From the first page to the last, this book is a manifesto for clear thought."—Los Angeles Times How can we make intelligent decisions about our increasingly technology-driven lives if we don't understand the difference between the myths of pseudoscience and the testable hypotheses of science? Pulitzer Prize-winning author and distinguished astronomer Carl

Sagan argues that scientific thinking is critical not only to the pursuit of truth but to the very well-being of our democratic institutions. Casting a wide net through history and culture, Sagan examines and authoritatively debunks such celebrated fallacies of the past as witchcraft, faith healing, demons, and UFOs. And yet, disturbingly, in today's so-called information age, pseudoscience is burgeoning with stories of alien abduction, channeling past lives, and communal hallucinations commanding growing attention and respect. As Sagan demonstrates with lucid eloquence, the siren song of unreason is not just a cultural wrong turn but a dangerous plunge into darkness that threatens our most basic freedoms. Praise for *The Demon-Haunted World* "Powerful . . . A stirring defense of informed rationality. . . Rich in surprising information and beautiful writing."—The Washington Post Book World "Compelling."—USA Today "A clear vision of what good science means and why it makes a difference. . . . A testimonial to the power of science and a warning of the dangers of unrestrained credulity."—The Sciences "Passionate."—San Francisco Examiner-Chronicle

The Woman and the Kenite was a little known short story which was published in a little known Italian Magazine in the 1920's. Unusually for Agatha Christie it was a horror short story which is not normally associated with the Great Author. The story was retrieved from the Italian Magazine on the 19th June 2013 and is only 9 pages in length. In normal circumstances, nine pages is not enough to justify a printed version of this little known and recently discovered Agatha Christie work. This book attempts to celebrate the fact that a 'new' work by the Great Author has been discovered and the fact that it can be classified as a horror short story adds to what we know about the Great Lady. The book

gives some background to the story in addition to faithfully reproducing the actual Italian translation from the magazine. The English translation follows and the ends with further reference to ensure a full understanding of the story.

The Cruellest Month Harper Collins

In Agatha Christie's Dumb Witness, Hercule Poirot investigates the very suspicious death of an elderly spinster who, fearing the very worst, had written to the great detective prior to her demise. Everyone blamed Emily Arundell's accident on a rubber ball left on the stairs by her frisky terrier. But the more she thought about her fall, the more convinced she became that one of her relatives was trying to kill her.... On April 17th she wrote her suspicions in a letter to Hercule Poirot. Mysteriously, he didn't receive the letter until June 28th...by which time Emily was already dead....
