The goal of preaching is to

let the powerful message of the Bible penetrate the lives of your congregation. A well-crafted sermon can help to bridge the gap between biblical context and contemporary application. In *Excellent Preaching*, Craig Bartholomew explains why we need to be acquainted with both the context of Scripture and the context in which we preach. Good contextualization is hard work, but Bartholomew shows that it can be done. Practical, accessible, and rooted in years of

preaching experience, this short book helps preachers connect the message of the text to everyday life.

So when she kicked him out after his father died, he left without a backward glance. Somehow he survived on one meal a day for more than a year. He managed to finish high school while working two part time jobs to pay his tuition. He even found a way to give God the bitterness hed carried all those lonely years. And he discovered that God

wanted him to be a preachera sentiment not shared by the head of the religion department at his chosen college. Charles wasnt preacher material, said he. Ah, but when God has something in mind for one of His beloved children, neither the head of the religion department nor all the forces of Hitlers army can dissuade Him.

Hot on the heels of her phenomenal American debut, *The Ice Princess*, Camilla Läckberg brings

readers back to the quiet, isolated fishing village in Sweden where dangerous secrets lie just beneath the community's tranquil surface. During an unusually hot July, detective Patrik Hedstrom and Erica Falck are enjoying a rare week at home together, nervous and excited about the imminent birth of their first baby. Across town, however, a six-year-old boy makes a gruesome discovery that will ravage their little tourist community and catapult Patrik into the center of a

terrifying murder case. The boy has stumbled upon the brutally murdered body of a young woman, and Patrik is immediately called to lead the investigation. Things get even worse when his team uncovers, buried beneath the victim, the skeletons of two campers whose disappearance had baffled police for decades. The three victims' injuries seem to be the work of the same killer, but that is impossible: the main suspect in the original kidnappings committed suicide twenty-four years

ago. When yet another young girl disappears and panic begins to spread, Patrik leads a desperate manhunt to track down a ruthless serial killer before he strikes again.

A History of Preaching: From the Apostolic fathers to the great reformers, A. D. 70-1572 Liturgical Press

Richard Hooker (1554-1600) is widely regarded not only as the leading apologist of the Elizabethan age, but one of Anglicanism's most accomplished and influential thinkers of all time. Much of Anglicanism as we know it today owes its character to the course Hooker deftly charted between Catholic and Protestant claims. His *Laws of Ecclesiastical Polity* published in seven volumes, set out the constitution of the Church of England, and enshrine a philosophical and

theological outlook that is characteristic of Anglicanism to this day. He opposed a literal and absolute interpretation of Scripture and instead advocated an appeal that incorporated reason - which remains the response of mainstream Anglicanism to complex ethical and moral questions today. This volume sets Richard Hooker's life in the context of contemporary parties and opinions within the Elizabethan Church and provides an extensive reader of his

original work in the fields of Scripture, reason, tradition, doctrines and the governance of the Church.

Preacher's Quest

Pinnacle Books

Making Good Preaching Better explores not the preaching of ethics but the ethics of preaching. Using sound theology and practical insights, this book shows that by putting themselves in the place of the people in the pews, preachers can improve their sermons and make good preaching better more consistently.

Written with the practicing homilist in mind, Making Good Preaching Better helps motivate and sharpen the skills of those in preaching ministry. Laid out as a teaching tool for classroom use, it also makes the work of the homiletic professor easier. Reverend Rueter explains how the same qualities - visual, oral, cohesive - that make it possible for preachers to remember their sermons also make it possible for parishioners to remember these sermons. He also explores

concepts not covered in other homiletics books, such as the legitimate appeal to self-interest as observed in Jesus, Paul, and Moses, how to deal with "hard," controversial topics, and tips for remembering homilies. Reverend Rueter bases his approach on the time-proven step-by-step pedagogy used in the first-century schools of rhetoric. He believes that requiring novices to prepare whole homilies for criticism presents too many possibilities for failure and thus

discouragement. With its step-by-step homiletical exercises, *Making Good Preaching Better* gives students greater possibilities of the joy of success inputting together entire homilies - one step at a time. *Making Good Preaching Better* offers three-minute oral exercises to be performed before a video camera. Each exercise uses the theological/homiletical principles explained in that chapter and includes suggestions on how to conduct the video lab

sessions without provoking dread but rather, by promoting affirmation. Fourteen homilies (by the author and others) are supplied for both professionals and novices to critique. To supplement the instruction, recommendations for additional readings are provided at the end of each chapter. Roman Catholic and Protestant clergy, seminarians, and those in Roman Catholic diaconate formation programs will benefit from this practical textbook.

Reverend Rueter wrote this book asking several questions: "How does rhetoric agree with Christian theology?" "Why aren't homiletics books laid out as teaching tools?" and "Why don't we teach homilists the skills of rhetoric?" He answers with *Making Good Preaching Better*. Alvin C. Rueter, Ph.D., a Lutheran pastor, conducts preaching workshops and teaches homiletics in the Formation Program for Permanent Deacons for the Archdiocese of St. Paul and Minneapolis. He

also teaches homiletics at the School of Theology, St. John's University, Collegeville, Minnesota. He also hosts and produces a weekly radio program, Sing for Joy, and for several years wrote a monthly column, "People-Centered Preaching," for *Emphasis*. He earned a Ph.D. in speech communication from the University of Minnesota. "*The Joy of Preaching*" Zondervan
 Seventy-five years ago, renowned preacher Harry Emerson Fosdick asked in Harper's Magazine,

"what's the matter with preaching?" Fosdick's question is even more relevant today, as both pastors and laity acknowledge the need for improvement in Sunday morning's sermons. And who better for pastors and students to learn from than those who already do it well? The contributors to this book are a some of the best and most thoughtful preachers in the church and classroom today. In their essays, they assess the state of preaching today, identify a variety of

issues that challenge effective preaching, and offer helpful suggestions for what can be done to improve preaching. In the process, they help to define what effective preaching is.

If most pastors were pressed to describe an average day of ministry, they'd have trouble doing it. In a single day, a pastor may fill many different roles in quick succession, from counselor to theologian to student to CEO to custodian (well, let's hope there's usually someone else available to perform that last role). Some roles come more naturally than others, but every pastor wants to perform each role to the best of their ability. In *The 10 Key Roles of a Pastor*, church consultant Gary L.

McIntosh shows pastors how to - understand and juggle their many essential roles - prioritize their time and energy - manage their people's expectations of them - and empower others to take up the vital work of the church body Pastors just starting out in ministry, as well as those who have been at it a while and find themselves overworked and overwhelmed, will value this practical resource. It is also an enlightening read for those in church leadership who would

benefit from understanding the pressures their pastor faces on a daily basis. *The Works of that Learned and Judicious Divine, Mr. Richard Hooker* B&H Publishing Group
What does it mean to preach the gospel today? How do we shape vibrant congregations? How do we preachers not merely survive, but thrive? For nearly a quarter century, Chris Neufeld-Erdman has preached the gospel--sustaining congregational life and emboldening Christian witness in the

midst of this turbulence. He's also taught seminarians and mentored working pastors. His theology and practice of preaching is hammered out on the anvil of real life. It's tested. True. Useful. In this book, a veteran pastor meditates on everything from exegesis and sermon preparation to the way preachers might preach after tsunamis, hurricanes, and earthquakes. He reflects on what it means, for example, to host the text in the midst of what feels

like a terminal state of war and violence, both abroad and at home, as well as the task of preaching in the midst of the massive anxiety produced by economic uncertainty and political gridlock. Here's a book that will inspire and guide you as a wise, empowered preacher--an ordinary agent of the extraordinary gospel.
