People Magazine Book of the Week A Best Book of the Year at Kirkus Reviews, Book Riot, The Chicago Review of Books, Minnesota Public Radio, and more An Indies Introduce and Indie Next Pick Fans of Maria Semple's *Where'd You Go Bernadette* and Kevin Wilson's *The Family Fang* will delight in Annie Hartnett's debut, a darkly comic novel about a young girl named Elvis trying to figure out her place in a world without her mother. Elvis Babbitt has a head for the facts: she knows science proves yellow is the happiest color, she knows a healthy male giraffe weighs about 3,000 pounds, and she knows that the naked mole rat is the longest living rodent. She knows she should plan to grieve her mother, who has recently drowned while sleepwalking, for exactly eighteen months. But there are things Elvis doesn't yet know—like how to keep her sister Lizzie from poisoning herself while sleep-eating or why her father has started wearing her mother's silk bathrobe around the house. Elvis investigates the strange circumstances of her mother's death and finds comfort, if not answers, in the people (and animals) of Freedom, Alabama. As hilarious a storyteller as she is heartbreakingly honest, Elvis is a truly original voice in this exploration of grief, family, and the endurance of humor after loss.

My Weird School Fast Facts: Geography HarperCollins

We've all heard the super hero stories. Teenager bitten by a radioactive bug, parents are killed and child seeks vengeance, science project gone wrong, alien from another planet with powers. But what if all of the things we love about super heroes in comics were combined into one? Avery Kendall is just like any other teenage girl her age. Except for the fact that her parents died when she was little, lives with her uncle in a huge house in a small town, and is suffering from nightmares. However, whatever happens in her dreams ends up happening in real life. Avery discovers that she has an ability, a super power, that lets her become any type of hero she can imagine. After finding a group of teens just like her, they form a super hero team to stop crime and bring justice. Avery develops not only with her powers but also as a person. She learns what really happened to her parents, who her real friends are, and who her real enemies are.
