*A Million Miles in a Thousand Years* Createspace Independent Publishing Platform

It's the most important subject in Christianity. It reveals who God is, how God works, how we mature as followers of Jesus, and how we are to conduct ourselves in this sinful world. The subject is suffering. To explore it biblically and inspirationally is to identify the basic elements of a responsible Christian theology that's more than a set of pious abstractions. This subject forces us close to where we hurt, doubt, believe, and relate to our neighbors. God suffers, Jesus cries. The tears of God are the deepest meaning of our history. God's "problem" is not that God is not able to do certain things, but that God loves. The cross of Jesus was in God's heart before it appeared on Golgotha. The pain of God is the healing of humanity. The cross, the worst of human doing and the best of divine revelation, clarifies that we must die to really live. We must share in the sufferings of Jesus.

*Religion in the Anthropocene* Thomas Nelson Inc

Technology of the Gods lays out the mind-bending evidence that long-lost civilizations had attained and even exceeded our "modern" level of advancement. Westerners have been taught that humankind has progressed along a straight-line path from the primitive past to the proficient present, but the hard, fast evidence (literally written in stone!) proves that the ancients had technologies we cannot even replicate today.

**The Devil's Pool and Other Stories** Christian Faith Publishing, Inc.

*Women, Identity and Religion in Wales* is the first comprehensive study of its kind from a present-day perspective. It brings significant and original insights to an understanding of Welsh identity and religion, as well as exploring the distinctive pressures that women in Wales face in their everyday lives. The author provides a qualitatively rich account of the religious and sociological context and interweaves her own experience with that of a number of Welsh women writers, including Menna Elfyn, Jasmine Donahaye and Mererid Hopwood, to offer an in-depth understanding of the dynamic interplay between Welsh female identity and religion. At the heart of the book are conversations with thirteen other women whose lives and experiences reveal how women facing misogyny, repression and stigmatisation are able to respond with resilience and humour. The author concludes that Welsh women have an empowering stereotype, the Strong Woman, and are constructing new identities for themselves beyond the pressures to be respectable and submissive.

#### End of Story? Avon

This is a book about the primacy and centrality of God and his unsurpassable presence, and what this means for the Church. The presence of God is the core, the sine qua non, of mere Christianity. God's presence is what is needed to win the day over the present powers of darkness. This book shows what it means for a church to be presence-driven, and what leadership looks like in the presence-driven church.

**The Inner Life of the Catholic** Lulu.com

This is the first book to investigate how people in the early middle ages used the past: to legitimate the present, to understand current events, and as a source of identity. Each essay examines the mechanisms by which ideas about the past were - sometimes - subtly reshaped for present purposes.

**Mount Misery** Lulu Press, Inc

Revised and expanded second edition of William R. Yount's book showing teachers how to organize and adapt classroom instruction to fit the learning styles of their students.

**Technology of the Gods** Rose Publishing

They Came To Earth Millions Of Years Ago To Spread The Poison Of Hatred, War And Catastrophe... They Are With Us Still... Human history is a seemingly endless succession of bloody conflicts and devastating turmoil. Yet, inexplicably, in the light of astonishing intellectual and technological advancement, Man's progress has been halted in one crucial area: he still indulges the primitive beast within and makes war upon his neighbors. As a result of seven years of intense research, William Bramley has uncovered the sinister thread that links humanity's darkest events -- from the wars of the ancient pharaohs to the assassination of JFK. In this remarkable, shocking and absolutely compelling work, Bramley presents disturbing evidence of an alien presence on Earth -- extraterrestrial visitors who have conspired to dominate humankind through violence and chaos since the beginning of time...a conspiracy which continues to this very day.

*The Golden Bough* University of Wales Press

Combining elements of the supernatural with gripping suspense and seduction, #1 New York Times bestselling author Nora Roberts presents the second novel in her Circle Trilogy... He saw where the earth was scorched, where it was trampled. He saw his own hoofprints left in the sodden earth when he'd galloped through the battle in the form of a horse. And he saw the woman who'd ridden him, slashing destruction with a flaming sword... Blair Murphy has always worked alone. Destined to be a demon hunter in a world that doesn't believe in such things, she lives for the kill. But now, she finds herself the warrior in a circle of six, chosen by the goddess Morrigan to defeat the vampire Lilith and her minions. Learning to trust the others has been hard, for Blair has never allowed herself such a luxury. But she finds herself drawn to Larkin, a man of many shapes. As a horse, he is proud and graceful; as a dragon, beautifully fierce; and as a man...well, Blair has never seen one quite so ruggedly handsome and playfully charming as this nobleman from the past. In two months' time, the circle of six will face Lilith and her army in Geall. To complete preparations and round up forces to fight, the circle travels through time to Larkin's world, where Blair must choose between battling her overwhelming attraction to him—or risking everything for a love that can never be... Don't miss the other books in the Circle Trilogy Morrigan's Cross Valley of Silence

**Praying** Cambridge University Press

Biblical Guidance for Ministering God's Love in a Sexually Diverse Culture In a time when sexual norms are changing rapidly, how can a local church be a place of grace—a loving community for all kinds of people—where everyone can flourish and disagreements are overcome in a Christlike spirit while at the same time stay true to biblical standards? In a way that appeals to pastors and lay leaders alike, Bruce offers a biblical theology of sexuality and provides practical wisdom for how a church can approach ministering to, and alongside, people who identify their sexuality in diverse ways: LGBTQ+. Here is a church-tested program full of wise pastoral insights to help church leaders think through day-to-day decisions, such as how to handle baby dedications, small groups, who can serve, membership, baptism, retreats, the Lord's Supper, weddings, funerals, teaching, hiring, and caring for those caught in sin. If you are a leader who is facing any of these challenging issues and decisions, then this practical, grace-filled book is for you.

**Seeing Jesus** Presbyterian Publishing Corp

Glenn Langoer has been studying prayer ever since his nephew was diagnosed with skin cancer. He felt the Holy Spirit guiding him to EM Bounds and began writing prayer books. This one dives into many of the other great prayer warriors and the most influential Christian Pastors & Prophets like: EM Bounds Charles Spurgeon DL Moody CS Lewis GK Chesterton Martin Luther John Wycliffe Thomas Aquinas Joyce Meyer Billy Graham Franklin Graham Joel Osteen Rick Warren & many of the Saints From studying a brief biography and look at what each person's anointing was like, it can help take your prayer life and relationship with God a little deeper by meditating with them on God's Word. This compilation is like a view from above where we can search out how the Holy Spirit has moved through people since Jesus Christ ascended into Heaven and left us empowered by the Spirit He promised us. USUALLY 4.99 WITH KINDLE BUT ONLY .99 FOR NOW. ALSO AVAILABLE IN PRINT AND AUDI

**The Golden Bough: Bibliography and general index. 3d ed., rev and enlarged. 1918** Lion Fiction

*The Inner Life of the Catholic* by Alban Goodier, S.J. Publisher: A Kindle Edition is also available. This Paperback is the ideal small size of 5" x 8". "Man, even if he be reckoned in the order of nature only, is made for God. He comes from God; in God and from God he lives, and moves and has his being; at the end he goes back to God. There are those, a very small minority, who call this in question; perhaps they have reasons which satisfy them, we ourselves have never been able to find them. To most thinking men, to every average man who has not been deceived, the facts of life tell their own story, are their own evidence." "While man lives in this world he is entirely in the hands of God, far more than he is in his own; when the end come, as his prudent foresight tells him, nothing else can matter very much but the relation that will exist at that moment between himself and God. Coming from God, the creature of God, he is of necessity created for the purpose which the all-seeing, and all-loving God has in view for him. Even as a creature, a tool from the hand of God, this would be true of man; how much more true it is, now that we know with what everlasting love God has loved us, with what bonds He has drawn us to Himself!" *The Jagged Journey* Wipf and Stock Publishers

"So compelling in its exploration of the human psyche, it's as hard to put down as a thriller...such a force of energy, intensity, and straightforwardness.

*Women, Identity and Religion in Wales* National Geographic Books

This book is an exercise in a thoroughgoing narrative theology. The social and legal validation of same-sex relationships in the West over the last two decades has presented an immense challenge to the church insofar as it seeks to remain faithful to Scripture. But it is not an isolated ethical problem. It is just one element—albeit a very important one—in the much broader, long-term overhaul and reorientation of Western culture after the collapse of the Christian consensus. The forces of history that are driving this transformation, however, have also alerted us to the historical perspectives that constrained biblical thought. Andrew Perriman suggests that Paul's argument about same-sex behavior, perhaps more clearly than any other issue, highlights the narrative shape of the mission of the early church in the Greek world. By the same token, we must ask how that storyline has been refracted across the boundary of modernity, and how it now shapes the mission of the church as it adapts to its marginalized position in an aggressively secular world.

**Reading with Earth** Adventures Unlimited Press

Burton F. Porter explores the philosophical question of the existence of God in an open, yet critical, way, examining the argumentation used by centuries of human society to support or reject divinity.

*The Golden Bough: Bibliography and general index. 3d ed., rev. and enl. 1915* Wayne O'Donnell

Applying a re-envisioned, ecological, feminist hermeneutics, this book builds on two important responses to twentieth- and twenty-first-century situations of ecological trauma, especially the complex contexts of climate change and cross-species relations: first, ecological feminism; second, ecological hermeneutics in the Earth Bible tradition. By way of readings of selected biblical texts, this book suggests that an ecological feminist aesthetic, bringing present situation and biblical text into conversation through engagement with activism and literature, principally poetry, is helpful in decolonizing ethics. Such an approach is both informed by and speaks back to the new materialism in ecological criticism.

*The Worldview of the Word of Faith Movement: Eden Redeemed*

BoD - Books on Demand  
Spiritual endowment for today's believer is possible. This possibility is studied and compared to that of the early church fathers. This journey to the reception of Holy Spirit endowment of the early Pentecostal forefather was not short and instantaneous. There is a waiting period that is observed and reported. This book revisits the biblical significance of tarry's treatment in Luke 24:49. The key principle of waiting on the timing of God's provision of "power" was commanded. The promised endowment is necessary to accomplish the job description God has given all Christians. The reader will observe the results of a tarry presented to encounter the Holy Spirit experience. The word for power that Luke uses in Luke 24:49 and Acts 1:8 reference "that ability to do work." Acts 1:4 placed emphases on them not leaving Jerusalem without the promise. The potential value of this topic is in its impact on the reader's personal life. The project conducts a hundred surveys, interviews, and research of historical tarry data. The successful tarry, as Luke presents it, will yield an authentic encounter with the promised Holy Spirit, and the production of guidelines for Christian mentors to tarry for endowment.

*Small Gods* Wipf and Stock Publishers

A FORTIORI LOGIC: INNOVATIONS, HISTORY AND ASSESSMENTS is a wide-ranging and in-depth study of a fortiori reasoning, comprising a great many new theoretical insights into such argument, a history of its use and discussion from antiquity to the present day, and critical analyses of the main attempts at its elucidation. Its purpose is nothing less than to lay the foundations for a new branch of logic, and greatly to develop it; and thus to once and for all dispel the many fallacious ideas circulating regarding the nature of a fortiori reasoning.

*A Fortiori Logic: Innovations, History and Assessments* SUNY Press

All my books can be read online for free at [wayneodonnell.com](http://wayneodonnell.com). Mt. 10:8, "Freely you have received, freely give." This booklet is included in and comprises of one section of my book "Predestination is to Glory not to Faith: Anti-Calvinism & Reformed Theology; Pro-Certainty of Sanctification & Glorification; In Romans 8, Romans 9, & John 6." Most other anti-Calvinist books

deal heavily with the moral and philosophical travesties of Calvinism. For example, I highly recommend *What Love Is This*, by Dave Hunt. But this book tries to provide better expositions of the passages that lead good, godly men to accept Calvinism in the first place, like John 6, by paying attention to the small, under-appreciated detail, that the Bible says predestination is to sanctification and glory, not to faith. If I felt this task was already accomplished, I wouldn't have written this book, but would have promoted the books that already did it. White (Calvinist), "There is no meaningful non-Reformed exegesis of [John 6:37-45] available. As numerous as the attempts of Arminian exegetes to find some way around the testimony of these verses has been, not even a plausible solution has been offered that does not require the complete dismantling of the text, redefinition of words, or the insertion of utterly foreign concepts." This book is the result of 1) a paper I wrote for a Soteriology class at Veritas International University, 2) my coming into contact with an increasing number of Reformed church plants, 3) my deep appreciation of D. Martin Lloyd-Jones' teaching about the certainty of the hope of our future glorification, and 4) my gratitude for the simple gospel message I first heard when I was fourteen years old after having been raised a Roman Catholic. Jn. 3:36, "He that believes on the Son has everlasting life." Not, "He that is good," or "He that goes to church," or "He that is -predestined- believe," but "He that believes on the Son." The gospel is a genuine offer for every person, in the way we usually think of an offer, and not something predetermined. My hope is that this book won't only be a defense against Calvinism and its harms, and rescue some born-again

Calvinists from Calvinism; but also that this consideration of the topic of predestination will give all readers a better understanding of the justification, sanctification, and glorification that comprise our gracious salvation, and this knowledge will also make us more fruitful. Jn. 15:7-8, "If ... my words abide in you, ... herein is my Father glorified, that you bear much fruit."

The Books of the Bible Made Easy Bloomsbury Publishing  
Edwin, the deposed king of Northumbria, seeks refuge at the court of King Raedwald of East Anglia. But Raedwald is urged to kill his guest by Aethelfrith, Edwin's usurper. As Edwin walks by the shore, alone and at bay, he is confronted by a mysterious figure - the missionary Paulinus - who prophesies that he will become High King of Britain. It is a turning point. Through battles and astute political alliances Edwin rises to great power, in the process marrying the Kentish princess Aethelburh. As part of the marriage contract the princess is allowed to retain her Christian faith. But, in these times, to be a king is not a recipe for a long life ... This turbulent and tormented period in British history sees the conversion of the Anglo-Saxon settlers who have forced their way on to British shores over previous centuries, arriving first to pillage, then to farm and trade - and to come to terms with the world view of the Celtic tribes they have driven out. "At the dawn of England seven kingdoms struggle for supremacy: but there is more than honour and power at stake; paganism, Christianity and the future shape of the English nation will be decided. A fast-paced and gripping tale of the great Northumbrian King Edwin, reclaiming one of our great national figures from the shadows of history." Justin Hill

The Family Caregiver's Survival Guide is an essential reference book for anyone undertaking the long-term care of a loved one. For over twenty years the author has been engaged in the day to day care of four separate and distinct family members, and in his attempt to help others in similar situations, this book is the result. It is not all sweetness and light in its telling, and deals frankly with the type of realities few will discuss. Even if you believe that God granted you the gift of becoming a caregiver, that doesn't mean that you will either enjoy every minute of the job or just naturally know how to be one. The first book describes a detailed personal journey for the author through the myriad day to day to week to year to..., activities involved in such care, along with tips and tidbits on how to both accomplish this sometimes rewarding, sometimes not, job, and how to stay sane in the process. As is true for all, while his experiences are often unique to his caregiving situation, many of them also share a great deal of commonality for all to benefit from. The second book concerns a state by state reference section on anything and everything available to the family caregiving situation. Organized under individual state headings, this section is an invaluable treasure trove of what might be found in the reader's state and sometimes municipality to assist both the caregiver and care-given in their long and healthy mutual lifestyles. This book has deliberately been priced at the Kindle minimum in order to be available to the widest possible audience. The Family Caregiver's survival Guide. Essential state resource+ personal guide-2 sides of caregiving. Not Pollyannaish, real people/family CG. Also on Kindle, \$.99
