## CARLSON VALENTINE

**Michigan's Haunted Legends and Lore** American Legends Reprint. Originally published: Oklahoma City: Warden, 1921.

**Legends & Lore of East Tennessee** American Heritage Before it became part of the vast Beaubien-Miranda Land Grant (later the Maxwell Land Grant) of more than 1.7 million acres in the New Mexico territory, the Moreno Valley was the summer hunting grounds of Apache and Ute native tribes. Later this was the scene of a gold rush, the center of the Colfax County War, a passageway to the Santa Fe Trail, and on the regular route of American frontiersman Kit Carson. Visionaries, explorers, ranchers, scallywags, and murderers called the location home. At one time the population of this obscure place was larger than that of Santa Fe, and the now-ghost town of Elizabethtown was proposed to become the state capitol. Little had been written about the history of northern New Mexico's Moreno Valley until the 1990s, when a group of business people called upon local writers to research and document the fascinating history of the area and the towns that still exist here today. Speaking with members of the pioneer families who came West with nothing much more than grit and determination, the resulting oral history grew to encompass the work of historians and, with the blessing of the History Department at University of New Mexico, the resulting book brought to life the legends of the Moreno Valley's tumultuous past. Now in its 3rd Revised and Expanded edition Lure, Lore, and Legends is a must-read for anyone who has ever visited or dreams of visiting northern New Mexico. Praise for Lure, Lore, and Legends of the Moreno Valley: "It was an honor to play even a minor role in introducing these hardy souls to the arduous but fulfilling work of incorporating oral testimony into historical research. They applied their writer's sensibility and its attendant demand for perfection to a task few have attempted before. Their product speaks for itself ... a gift given back to a region which has brought them so much joy and pleasure ... an acknowledgement of a debt owed those who came before and who might have been relegated to oblivion by the oversight of professional historians had they not taken pen and microphone in hand?" -Carlos Vasquez, The University of New Mexico [from the Foreword]

Reviews from the 1st edition: "Fun read, especially if you are new to the area." - Bob Hurt, 5 stars, online review "This book was of especial interest since we now have a cabin in this region. A must for locals." - Suzanne M. Schneider, 5 stars "Full of stories about the history of Northern New Mexico, well written by a selection of published and new authors." - rsafford, 5 stars "The Moreno Writer's Guild have put together a wonderful book about the history of Moreno Valley (For Vietnam Veterans that includes Angel Fire Vietnam Memorial.) Great book to read while visiting that part of New Mexico. I visit Angel Fire often and found the book to be entertaining and enlightening about why the area is like it is today - like the unfinished tunnel on the north side of Eagle Nest lake, and of course, the building of the Vietnam Memorial. This area is so rich with treasured old stories and tales

that the authors share with us. I would recommend a copy of this book to any visitors to the area or for those who just like reading local history books. it is most enjoyable to read." - Rev. Bill McDonald Jr., 4 stars, online

History of the Cherokee Indians and Their Legends and Folk Lore (Classic Reprint) Columbine Publishing Group

To access the power of crystals, you must know their stories. Crystal Lore, Legends & Myths presents these fascinating histories and legends of the world's crystals. Crystals, gems, and semi-precious stones have long been sought for their beauty, power, and utility. Historically used as adornments, currency, talismans, and amulets, crystals have been reputed through the ages to bestow magic and power on the user. However, in order to fully harness each stone's unique power, one must know the unique legends and lore attached to it. Every stone has a narrative or key that unlocks its power. Oftentimes, these legends have been lost—or even deliberately altered—to confuse and obscure. In Crystal Lore, Legends & Myths, leading crystal expert and metaphysical teacher Athena Perrakis presents the fascinating history of the world's most powerful stones. This comprehensive collection of stones presents to you the legends and relics from different cultures and ancient civilizations, including Lemuria, Sumeria, Egypt and Atlantis, among others. Learn the fascinating stories of how gems and minerals were used to raise power, store wisdom and secret teachings, and give incredible healing—and tap into the powers of the crystals yourself!

Haunting Tales of Old New Orleans, Volume One Arcadia Publishing

The History of the Cherokee Indians and Their Legends and Folklore, is considered an essential source of reference for researchers investigating the Cherokee tribe, or family historians tracing their Native American family genealogy. **Nether Lochaber** Arcadia Publishing

Colorful tales of the MS Gulf Coast from specters to sodas and from buccaneers and pioneers. The story of the Mississippi Golden Gulf Coast can't be told without a few tall tales--pirates, buried treasure, ghosts and colorful characters pepper its diverse past. From incredible stories of the pirate Jean Lafitte to iconic legends like Barq's Root Beer, travel from Bay St. Louis to Biloxi and every nook and cranny in between to discover the legends and lore of Mississippi's Golden Gulf Coast. Local historian Edmond Boudreaux explores this exciting history, recounting the fantastic tales that launch the reader into the past and create a truly captivating history.

**Southern Ohio Legends & Lore** Secret Staircase Books, an imprint of Columbine Publishing Group

With this series of tales, local author and longtime storyteller Melanie Zimmer helps us discover the people and places of Central New York and the Finger Lakes region. Whether interested in the Revolutionary War or the founding of the Mormon Church, Zimmer brings the heart of upstate New York to vibrant life. From delightful stories recounting the exploits of the legendary Red McCarthy and the creation myths of the Iroquois to heroic tales of Harriet Tubman and the underground railroad, *Central New York & the Finger Lakes: Myths, Legends & Lore* is sure to please both the seasoned historian and the casual reader.

**Nether Lochaber** Arcadia Publishing

Excerpt from *Star Lore of All Ages: A Collection of Myths, Legends, and Facts, Concerning the Constellations of the Northern Hemisphere* The author's first book, *A Field Book of the Stars* was simply intended as a guide to the constellations. It was an effort on his part to acquaint the reader with the star groups and the individual star names. In his book, *In Starland with a Three-inch telescope* he sought to indicate to the amateur astronomer what could be seen of the stellar wonders with a modest telescopic equipment. It follows naturally that having come to be on friendly terms with the stars, and having seen many of the beautiful sights that the night reveals, the tyro should wish to know more of the history of the stars and how the constellations came to be named, and the purpose of this book therefore is to satisfy that desire. It is always a pleasure to trace back to their sources the traditions with which time has endowed the enduring, and thus the study of the myths and legends that surround the eternal stars possesses a surpassing charm for those who have learned to know them intimately and through nightly communion with them have come to love them. The author quotes extensively from R.H. Allen's *Star Names and Their Meanings*, an exhaustive and scholarly work and an authority on the subject, and he here pays tribute to the author for the pleasure a close perusal of his book affords, and heartily commends it to all those who desire to make a closer study of the philology of the ancient star names. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work. **Legend and Lore of the Guadalupe Mountains** Wentworth Press  
Washington Irving's *The Legend of Sleepy Hollow* is one of the best-known works of American literature. But what other myths lie hidden behind the landscape of New York's Hudson Valley? Imps cause mischief on the Hudson River, a white lady haunts

Raven Rock, Major Andre's ghost seeks redemption and real headless Hessians search for their severed skulls. Local storyteller Jonathan Kruk tells these and other tales of the lore of the Hudson Valley the stories that have created an atmosphere of mystery that helped inspire Irving's legend."

**Apache Legends & Lore of Southern New Mexico** Arcadia Publishing

From pre-Columbian legends to modern-day eyewitness accounts, this comprehensive guide covers the history, sightings and lore surrounding the most mysterious monsters in America—including Bigfoot, the Jersey Devil, and more. Bigfoot, the chupacabra, and thunderbirds aren't just figments of our overactive imaginations—according to thousands of eyewitnesses, they exist, in every corner of the United States. Throughout America's history, shocked onlookers have seen unbelievable creatures of every stripe—from sea serpents to apelike beings, giant bats to monkeymen—in every region. Author, investigator, and creature expert Linda S. Godfrey brings the same fearless reporting she lent to *Real Wolfmen* to this essential guide, using historical record, present-day news reports, and eyewitness interviews to examine this hidden menagerie of America's homegrown beasts.

***American Monsters*** National Geographic Children's Books

"Interesting and curious historical legends and their background, for children"--

***Discovering America's Past*** Arcadia Publishing

**Urban Legends & Historic Lore of Washington**, Arcadia Publishing

Between the waters of the Atlantic and the Chesapeake is Delmarva, a storied land that was once the hunting ground of Blackbeard, where ancient sea monsters lurk and wild ponies gallop along the beaches. Local author David Healey explores the lore of Delmarva, from the legends of St. Michaels--the town that escaped British cannons with a clever trick--to stories of Assateague's cannibalistic colonists and the all but forgotten

history of Anna Carroll, President Lincoln's "Dear Lady," who is rumored to have brilliantly advised him on strategy during the Civil War. Join Healey as he reveals the secret history and remarkable legends of Delmarva.

*Legends and Lore of Sleepy Hollow and the Hudson Valley* SIU Press

For over three hundred years, stories of witches, sea serpents and pirates have amazed and terrified residents of Massachusetts's North Shore. In the summer of 1692, phantom men were spotted in the fields of Gloucester. Farther north, "A" marks the spot for pirate treasure in the marshes of Newbury, while to the east, full moons might bring out the werewolf of Dogtown. The devil himself has burned his mark on the boulder-strewn landscape, while shaggy humanoids have been sighted loping along the coast. From Boston to New Hampshire, Massachusetts's North Shore is filled with remarkable stories and legendary characters. Join author Peter Muise and discover the North Shore's uncanny legends and tales of the paranormal.

*History's Mysteries: Legends and Lore* Arcadia Publishing

Once part of the 1.7 million acre Beaubien-Miranda Land Grant in the New Mexico territory, the Moreno Valley was the scene of a gold rush, center of the Colfax County War, a passageway to the Santa Fe Trail, and a crucial part of NM history.

**Central New York & The Finger Lakes** University Press of Kansas

In the 1950s and '60s, John W. Allen told the people of southern Illinois about themselves—about their region, its history, and its folkways—in his series of newspaper articles, "It Happened in Southern Illinois." Each installment of the series depicted a single item of interest—a town, a building, an enterprise, a person, an event, a custom. Originally published in 1963, *Legends & Lore of Southern Illinois* brings together a selection of these articles preserving a valuable body of significant local history and cultural lore. During territorial times and early statehood, southern Illinois was the most populous and most influential part of the state. But the advent of the steamboat and the building of the National Road made the lands to the west and north more easily accessible, and the later settlers struck out for the more expansive and fertile prairies. The effect of this movement was to isolate that section of the state known as Egypt and halt its development, creating what Allen termed "an historical eddy." Bypassed as it was by the main current of westward expansion and economic growth, its culture changed very slowly. Methods,

practices, and the tools of the pioneer continued in use for a long time. The improved highways and better means of communication of the twentieth century brought a marked change upon the region, and daily life no longer differed materially from that of other areas. Against such a cultural and historical backdrop, Mr. Allen wrote these sketches of the people of southern Illinois—of their folkways and beliefs, their endeavors, successes, failures, and tragedies, and of the land to which they came. There are stories here of slaves and their masters, criminals, wandering peddlers, politicians, law courts and vigilantes, and of boat races on the rivers. Allen also looks at the region's earlier history, describing American Indian ruins, monuments, and artifacts as well as the native population's encounters with European settlers. Many of the vestiges of the region's past culture have all but disappeared, surviving only in museums and in the written record. This new paperback edition of *Legends & Lore of Southern Illinois* brings that past culture to life again in Allen's descriptive, engaging style.

*The Santa Fe Trail* Arcadia Publishing

Storytelling has been a vital and vivid tradition in Apache life. Coyote tales, the creation legend and stories of historic battles with Comanche and Anglo intruders create a colorful mosaic of tribal heritage. Percy Bigmouth, a prominent oral historian of the Mescalero and Lipan Apache tribes, realized in the early twentieth century that the old ways were waning. He wrote in longhand what he had learned from his father, Scout Bigmouth, a prison camp survivor at Fort Sumner and participant in the turbulent Apache Wars. Join author Lynda Sanchez as she brings to light the ancient legends and lore of the Apaches living in the shadow of Mescalero's Sacred Mountain. Seventy-five years in the making, this collection is a loving tribute to a way of life nearly lost to history.

*Lure, Lore, and Legends of the Moreno Valley* Fair Winds Press

From its beginning as one of the most ambitious construction projects west of the Mississippi, the imposing red granite Lone Star statehouse loomed large in Texas lore. The iconic landmark rests on a foundation of election rigging, an unsolved murder, land swaps and pre-dedication blackmail. It bore witness to the first meeting between LBJ and Lady Bird, as well as a bizarre resolution honoring the Boston Strangler. Mike Cox digs up a quarry's worth of the capitol's untold history, cataloguing everything from its ghost stories to its public art and collectible tourist kitsch.
