English Literature Through Multiple Choice Questions (UGC-NET/SLET, TGT, & PGT) by Narayan

Changder is a reference book that helps students prepare for competitive exams in English Literature like the National Eligibility Test (NET), State Level Eligibility Test (SLET), Trained Graduate

Teacher (TGT), and Post Graduate Teacher (PGT). This book is primarily designed for students preparing for various competitive ex- aminations. It will also be helpful for those preparing for

midterm exams in schools or universities. The aim of this book is twofold: first, to help the students preparing for competitive examinations, seeking admission to universities or schools, or pre- pare for job interviews. Second, it will also be helpful for those studying ENGLISH LITERATURE. This book

contains more than 12830 questions from the core areas of ENGLISH LITERATURE. The questions are grouped chapter-wise. There are total 43 chapters, 30 sections and 12830+ MCQ with answers. This

reference book provides a single source for multiple choice questions and answers in ENGLISH LITERATURE. It is intended for students as well as for developers and researchers in the field. This

book is highly useful for faculties and students. One can use this book as a study guide, knowledge test questions bank, practice test kit, quiz book, trivia questions . . . etc. The strategy used in this

book is the same as that which mothers and grandmothers have been using for ages to induce kids in the family to sip more soup (or some other nutritious drink). The children are told that some

cherries (their favourite noo- dles or cherries ) are hidden somewhere in the bowl, and that serves as an incentive for drinking the soup. In joint families, by the time the children are old enough to know

the trick played by their grandma, there is usually another group of kids ready to fall for it! They excite the kids, but the real nutrition lies not in the noodles but in the soup. The problems given in

this book are like those noodles/cherries while solving all these problems are nutritious soup. Now it is your choice to drink the nutritious soups or not!!!.
