The American Angler New York : Harper

Three dark tales from the writer and
 director of *Get Carter*, *Pulp* and *The
 Terminal Man*. In 'Bait', a slippery PR
 man, Mark Miles, is unaware he's being
 manipulated and dangled as bait by an
 investigative reporter until he's
 swallowed by a sadistic mind-expanding
 cult from America. In 'Grist', the
 bestselling writer, Maxwell Grist,

ruthlessly uses real people as fodder for
 his crime novels before finding himself
 living up to his name and becoming grist
 for his own murder. In 'Security', an
 American movie star, unhappy with the
 film he's working on, refuses to leave his
 hotel for the studios, while in the
 corridor outside his luxury suite mayhem
 and murder take over.

"Joel Arnold is the real deal. He elicits a subtle element of terror and justice through his writing, delivered without a heavy hand. His exceptional imagery effects readers in a way that leaves them chilled and disturbed; causing the kind of behavior that will leave friends asking "what's bothering you," for days afterwards." D.L. Russell, editor of *Strange, Weird & Wonderful Magazine* "Author Arnold has a deft touch with horror that will leave a chill in your spine, but without the violence and gore of much modern horror. The stories remind me of Ray Bradbury at his darkest with their ability to play on the difference between what we know might happen and what we want to happen. These are complex tales with layers below the surface enjoyment of a story well written." *Armchair Interviews*

Now she's parlayed her talent into a unique consulting business: she runs the online dating profiles of Washington D.C.'s most eligible women. Armed with a battalion of rules, Blanche expertly helps her clients optimize their profiles and ace that first date. But

although she'll happily message handsome strangers (and fend off dick pics) for other ladies, Blanche's most important rule is the one she has for herself: no relationships. Blanche is definitely over him, and this is how she'll prove it. But if she doesn't watch out, Blanche might end up not only screwing over a client—and possibly tanking her entire business—but breaking her rule about love as well . . . Lauren Voss has a nice, quiet, orderly life running her grandmother's Heron Bay Resort on the Texas coast. Three years removed from a break-up that left her ex—and her life—behind in San Diego, she's adjusted to the slow pace in Rockport, seeking out neither new friends nor lovers. Vandalism at the resort's clubhouse—and a cryptic message written in blood—brings Detective Harley Shepherd, with her obnoxious Hawaiian shirts, into her life. A tragedy sent Harley Shepherd running to the sleepy fishing village of Rockport, where violent crime is rare. So different from her life as a homicide detective in a large city, she embraced the quiet and easy-going attitude of the town, determined to put her past behind her. Was it luck or fate that had her catch a case of simple vandalism? The lovely Lauren Voss made no attempt to hide her dislike of both her—she reminded Lauren of her ex—and her Hawaiian shirts. Was the vandalism a prank, as Lauren suspects? When a body is found floating near the resort's pier, Harley is convinced it's related. As the formality and animosity between them changes and a friendship forms, the women find themselves growing closer as a killer terrorizes the peaceful town they both now call home.
