Jack is an FBI agent, a playboy, a man who is happy tasting the flavor of the month and not staying for breakfast. He's perfectly content with his life and has no interest in finding his happily ever after. So when he is attracted to Kennedy at his partner's wedding, he naturally takes the opportunity to seduce her. Now it's time to focus on the next good-looking woman who comes along, right? Ah, you don't always get what you expect. Kennedy was burned by her ex-husband—badly. She told everyone he cheated on her, because the truth—that he stole all of her money before disappearing out of her life—is far more embarrassing. For the last three years she's struggled to pay off her debt, ignoring her libido and refusing to consider allowing another man to get close. A one-night stand with Jack is the perfect way to break her sexual fast—until she discovers that he's pouring her morning coffee and frying bacon. While Jack goes undercover at a male strip club, the two begin an affair that distracts him from his job and puts their hearts—and Kennedy's life—in danger. Now there's only one way Jack can stop this killer, and it involves making that declaration they both swore they didn't want. Sensuality Level: Sensual

"A formidable, addictive storyteller, Morgan provides a highly stimulating story of a midlife education in the messiness of modern sex and love. A steamy, liberating tale of self-exploration and self-love that encourages readers to 'revel in your sexuality'" —Kirkus Reviews Leslie Morgan, bestselling author of *Crazy Love* and *Mommy Wars*, was a mom turning fifty, reeling from divorce and determined to reclaim her life. In a radical break with convention, she dedicated a year to searching for five new lovers, seeking the rapture absent in a life of minivans and mom jeans—and finding a profound new sense of self-worth. When Leslie Morgan divorced after a twenty-year marriage, both her self-esteem and romantic optimism were shattered. She was determined to avoid the cliché of the "lonely, middle-aged divorcée" lamenting her stretch marks and begging her kids to craft her online dating profile. Instead, Leslie celebrated her independence with an audacious plan: she would devote a year to seeking out five lovers in hopes of unearthing the erotic adventures and authentic connections long missing from her life. Clumsy and clueless at first, she overcame mortifying early missteps, buoyed by friends and blind faith. And so she found men at yoga class, the airport, and high school reunions—all without the torture of dating websites. Along the way she uncovered new truths about sex, aging, men, self-confidence, and what it means to be an older woman today. Packed with fearless, evocative details, *The Naked Truth* is a rare, unexpected, and wildly entertaining memoir about a soccer mom who rediscovers the magic of sexual and emotional connection, and the lasting gifts of reveling in your femininity at every age.

THE NAKED TRUTH ABOUT LIFE AND LIVING!!! A must read for everybody. Citadel

In 2012, photographer and Hollywood executive Adrien Finkel turned her love of insightful quotes into a quest for hope and meaning. Armed with nothing but a camera and a black ink marker, she began asking friends, family, and co-workers to reveal what words moved and shaped them. The response she received was unexpected—timeless quotes were shared, personal confessions and advice flooded in, and total strangers wanted to get involved. My Naked Truth Project, a photoblog celebrating self-expression and emotional healing, soon became a safe space for people to bare all—mind, body, and soul. The experience transformed Finkel's outlook on life. Now, in her debut book, she continues to ask the world: What's your truth? Intimate and empowering, *My Naked Truth* is a candid photo journey that encourages us to trust more deeply, open our hearts, and expose what matters most. All of us are searching for answers about what our purpose is and why we're here. All of us have secrets to reveal. But when we share our hopes and fears with each other, we realize that none of us are ever really alone.

Across America, strip clubs have come under attack by a politically aggressive segment of the Christian Right. Using plausible-sounding but factually untrue arguments about the harmful effects of strip clubs on their communities, the Christian Right has stoked public outrage and incited local and state governments to impose onerous restrictions on the clubs with the intent of dismantling the exotic dance industry. But an even larger agenda is at work, according to Judith Lynne Hanna. In *Naked Truth*, she builds a convincing case that the attack on exotic dance is part of the activist Christian Right's "grand design" to supplant constitutional democracy in America with a Bible-based theocracy. Hanna takes readers onstage, backstage, and into the community and courts to reveal the conflicts, charges, and realities that are playing out at the intersection of erotic fantasy, religion, politics, and law. She explains why exotic dance is a legitimate form of artistic communication and debunks the many myths and untruths that the Christian Right uses to fight

strip clubs. Hanna also demonstrates that while the fight happens at the local level, it is part of a national campaign to regulate sexuality and punish those who do not adhere to Scripture-based moral values. Ultimately, she argues, the naked truth is that the separation of church and state is under siege and our civil liberties—free speech, women's rights, and free enterprise—are at stake. *The Body Image in Psychoanalysis and Art* White Ladder Jenny McCarthy, New York Times bestselling author of *Baby Laughs* and *Belly Laughs*, speaks candidly about the challenges and the humor to be found in balancing motherhood and the ups and downs of marriage. Jenny McCarthy's honesty has made her a bestseller. In *Life Laughs*, Jenny opens up about all of the things no one told you before you got married and had kids. Of course there's plenty of Jenny's outrageous humor, but she also writes openly and for the first time about doing your best when marriage falters and about her own divorce, which made headlines when it was announced in the summer of 2005. Jenny doesn't pretend to be an expert in her books; she is instead something more valuable—a good girlfriend. Catch Jenny's take on growing older, finances, PMS, sex, dating . . . and again, mommyhood. Jenny McCarthy is a trusted, brand-name, bestselling author, and *Life Laughs* is poised to be her biggest book yet.

Fascinating, highly candid and often uproarious, costume designer Jean-Pierre Dorléac's detailed Hollywood accounts strip back the façade from the years between 1973 and 1985, when classic glamour became a thing of the past. Through his award-winning works spanning theater, television, film, couture, burlesque and ballet, Jean-Pierre draws on firsthand, factual knowledge to paint an insider's picture of the entertainment industry.Get a behind-the-scenes account of what it took to create the magic of *Battlestar Galactica*, *Buck Rogers in the 25th Century*, *Somewhere in Time*, *The Blue Lagoon* and other diverse projects that brought recognition, respect and acclaim to Dorléac through Oscar, Emmys and The Los Angeles Drama Critics Circle Awards while he secured his idiosyncratic place in history as the creator of the figure-hugging, wildly popular, spandex pants.Guided by the treasured advice of his mentor, Edith Head, Dorléac was able to successfully retain his composure in exasperating situations and skillfully maintain his balance between obstreperous actors, demanding directors and powerful producers. This is an engaging chronicle of a crucial 12-year period when the dogged pursuit of higher profits radically changed the entertainment industry and replaced singular, custom-made designs with cut-rate, ready-to-wear on rolling racks.

"Accessibly written in an engaging style, this book examines classic popular stories in the history of science. Some of the myths discussed include Franklin's Kite, Newton's Apple, and Thomson's plum pudding model of the atom. Martnez successfully holds readers' attention by relying on rich documentation from primary sources to debunk speculations that have become reified over time. He argues that although scientists have disagreed with one another, the disagreements have been productive. Features includes extensive primary source documentation and detailed explanations of how to compare contradictory sources in order to determine which accounts are truly valid"-- Provided by publisher.

The Naked Truth Isn't Always Pretty. A no-holds-barred look at the hilarious underbelly of what it means to be female, *Dirty Girls* lays bare the secrets of the fairer sex. Women don't come from a different planet than men. In fact, both sexes want the exact same things: success, friendships, semifunctional families, semifunctioning relationships, good bodies, and lots and lots of great sex. But there's more. Even though we pluck, we wax, and we put on war paint to mask our blemishes, we also regularly watch porn. We wear our bikini bottoms when we run out of clean underwear. When we're alone, we eat Cheetos and peanut butter on a spoon for dinner. Women are fascinating, beautiful, and, yes, disgusting creatures, and we shouldn't be ashamed of it. *Dirty Girls* exposes the filthy, lazy, fabulous truth that everything boys can do, girls can do better.

Caterina fa parte della Roma "bene": guida una macchina da snob, frequenta l'università privata più prestigiosa della sua città, il suo ragazzo è un nobile ed è circondata da una realtà frivola che le calza a pennello. O almeno è quello che ha sempre pensato, finché il padre non la convince a trasferirsi a Orlando per frequentare il secondo anno di università alla UCF dove sarà costretta a fare i conti con la sua vera natura. La sua vita verrà stravolta in meno di 24 ore senza che abbia nemmeno il tempo di smaltire il jet-lag. Le basterà posare gli occhi sul bel vicino di casa per rimettere in discussione la sua vita troppo perfetta e già programmata. «Lui è proprio il tipo di

ragazzo dal quale devi stare alla larga», l'ammonisce suo padre non appena scendono dal taxi. Già, perché Benjamin Carter ha tutta l'aria del ragazzaccio che fa fare cose stupide alle ragazze intelligenti. Tutti credono che sia abituato a ottenere quello che vuole: le donne gli cadono letteralmente ai piedi, è il miglior studente del suo corso, ha fondato e canta in un gruppo rock che sta diventando sempre più popolare a Orlando. Cosa potrebbe mai volere di più dalla vita? Eppure manca qualcosa. Manca qualcuno capace di fargli accettare che nella vita non è sempre per forza o tutto bianco o tutto nero, che gli tenga testa, che faccia cadere la maschera dietro la quale si nasconde da tutta la vita, perché è più facile così. E, a quanto pare, quel qualcuno ha due occhi gialli da gatta selvatica e un accento sexy da perdere la testa. Riuscirà a mettere da parte il suo carattere irruente per conquistare la bella straniera che lo tiene a debita distanza e che sembra essere caduta dal cielo proprio nel momento in cui aveva più bisogno di lei?
