The homiletic corpora of John Chrysostom and Severian of Gabala are major yet understudied sources documenting late antique Christianity. With their sermons on Genesis as focal point, the studies in this volume contribute in many ways to advancing the state of the art. S. Voicu offers a complete survey of research on Severian, including a check-list of his authentic works. S. Kim, J. Oosterhuis-den

Otter and L. Sels-S. Van Pee contribute to text-critical research on Severian, P. Augustin to that of Chrysostom. Read together, the articles by R. Bishop, W. Mayer and P. Van Nuffelen offer fresh perspectives on the tensions between Chrysostom and Severian. H. Buchinger discusses what can be gleaned from their sermons about the liturgy at Constantinople. K. Papadopoulos engages with Severian's biblical exegesis while S. Miller and P. Molinie analyse the content of some of the sermons. As a whole, the volume offers fresh insights in the writings and thought of two important late antique Christian bishops and theologians and

opens up many avenues for further research.

Les Fleurs du Mal: The Flowers of Evil
BoD – Books on Demand

This book is the first full-length study of the art and writings of Jean Delville. As a member of the younger generation that emerged during the end of the nineteenth century, he was a dynamic leader of a group of avant-garde artists who sought to establish a new school of Idealist Art in Belgium. He was one of the most talented painters of his generation, producing a vast body of works that, in both scale and technical accomplishment, is unsurpassed amongst his contemporaries. In his

extensive writings in contemporary journals and books, he pursued a singular vision for the purpose of art to serve as a vehicle for social change, as well as to inspire individuals to be drawn to a higher, spiritual reality. Delvilles thinking is heavily indebted to the hermetic and esoteric philosophy that was widely popular at the time, and his paintings, poetry and writings reformulate the main tenets of this tradition in a contemporary context. In this regard, his aesthetic and artistic goals are similar, if not identical, to those found in the writings and art of Kandinsky and Mondrian during the early twentieth century.

Enquete Parlementaire Sur Les Actes Du Gouvernement de la Defense Nationale

John E. Tidball

Jan Owen's masterly translation captures all of Baudelaire's passion and anguish in a selection that includes many of Baudelaire's best known poems - including those banned from 1857 edition - as well as some less familiar ones, with the volume leading up to his great long poem, 'The Voyage', and finishing with the much-loved sonnet 'Meditation'.

In *Dandyism in the Age of Revolution*, Elizabeth Amann shows that in France, England, and Spain, daring dress became a way of taking a stance toward the social and political upheaval of the period. France is the centerpiece of the story, not just because of the significance of the Revolution but also because of the speed with which both its politics and fashions shifted. Dandyism in France represented an attempt to recover a political center after the extremism of the Terror, while in England and Spain it offered a way to reflect upon the turmoil across the Channel and Pyrenees. From the Hair Powder Act, which required users of the product implications of the feather in Yankee Doodle's hat, Amann aims to revise our understanding of the origins of modern dandyism and to recover the political context from which it emerged. -- from back cover.

Brockwell Park. Chaque allée, chaque fourré grouille de policiers en chasse. Un hélicoptère survole le jardin public. Et l'inspecteur Jack Caffery redoute le pire... Du petit Rory Peach ne reste plus qu'une

basket tachée de sang. Chez les enfants du coin, la rumeur enfle : voilà quelque temps déjà qu'un certain " troll " les poursuit jusque chez eux. Fantasma de gosses ? Caffery, dont le frère a disparu vingt ans plus tôt dans des conditions similaires, sent refluer d'amers souvenirs. A l'époque, lui-même n'a-t-il pas instinctivement soupçonné Penderecki, son voisin, pédophile reconnu mais jamais démasqué ? Depuis le drame une tension perverse, obsessionnelle, l'étreint à chaque fois qu'il le croise. Derrière l'affaire du " troll ", c'est un passé jamais enfoui, un cri intérieur jamais étouffé qui ne demande qu'à exploser...

Le facheux veuvage; opéra-comique. Les

chimeres; opéra-comique. La robe de

dissention, ou Le faux-prodige; opéra-

comique. Tirésias; opéra-comique BRILL

Aux abords de Brockwell Park, quartier résidentiel dans le sud de Londres, un garçon de neuf ans est enlevé à son domicile, en présence de ses parents. Mais le père comme la mère affirment ne pas avoir vu le ravisseur qui les a agressés et ligotés. La police pense aussitôt à un acte pédophile, d'autant que les enfants du lieu parlent avec effroi d'un " troll " qui les épie

dans leur sommeil. C'est à l'inspecteur Jack Caffery que revient la pénible tâche d'enquêter dans les milieux pédophiles. Or, depuis la disparition - jamais élucidée - de son frère durant son enfance, il est particulièrement sensible à ce problème. Cette affaire lui permettra-t-elle de découvrir enfin la vérité sur le sort du disparu ? Et s'il côtoyait cette vérité à son insu, sans se douter qu'elle est encore beaucoup plus sinistre qu'il ne l'imagine ? Après Birdman, Mo Hayder confirme son talent pour les romans chocs et dérangeants, à l'image de nos pires cauchemars.

The Flowers of Evil / Les Fleurs Du Mal (Dual language French English Edition)

University of Chicago Press

In *Biological Time, Historical Time*, 19th century scientific and literary works are analysed with regard to their mutual interactions, special focus being placed on

concepts and dimensions of time.

Les Annales Et la Chronique Des Dominicains de Colmar ISD LLC

Two great works of poetry together in one book: 'Les Fleurs du Mal' and 'The Flowers of Evil'. Baudelaire's seminal original French and John Tidball's superb new English translation.

Matériaux, en grande partie inédits, pour la biographie future du Comte T. Rastaptchine, rassemblés par son fils [A. F. Rostopchin].

Upon its original publication in 1857 Charles Baudelaire's "Les Fleurs du Mal" or "The Flowers of Evil" was embroiled in controversy. Within a month of its publication the French authorities brought an action against the author and the book's publisher claiming that the work was an insult to public decency. Eventually the French courts would acknowledge the literary merit of Baudelaire's work but ordered that six poems in particular should be banned from subsequent publication. The notoriety caused by this scandal

would ultimately work in the author's favor causing the initial publication to sell out, thus prompting the publication of another edition. The second edition was published in 1861, it included an additional thirty-five poems, with the exclusion of the six poems censored by the French government. Finally in 1868 a third edition was published posthumously.
