The Waging War Within is a daily devotional that focuses on bringing the Christian believer into a closer walk with our Lord and Savior, Jesus Christ.

This devotional emphasizes the importance of putting on the full armor of God to withstand the daily onslaught of the enemy, that wars against our soul. Our prayer is that The Waging War Within would touch the lives of Christian believers, while at the same time winning souls into the Kingdom of our Lord and Savior Jesus Christ. The Waging War Within focuses on the supernatural and spiritual aspects of warfare. Individuals and families throughout our American Society and the world at large are wondering why their lives feel entrenched, shattered and pervasively ruined in a perpetual battlefield. This book takes a closer look into the

realm of spiritual warfare and the strategies to counter the attacks of Satan. Our prayer is that The Waging War Within would lead people to higher ground in their spiritual walk with Jesus Christ, as well as provide them with a battleplan to win The Waging War Within.

Twenty-two-year-old Shivani had thrown a party one evening-and awoken the next morning in hospital, her spine and her dreams shattered by a car crash. Paralyzed and then wheelchair-bound, it took Shivani years of pain, struggle and determination to

regain control of her life and her body; to demand and receive respect from the world; to gain acceptance from within and without; to find love and happiness. Then tragedy struck again. As the newly married Shivani drove to Manali with her family, an oil tanker collided head-on with the car; bedridden once again, she watched helplessly as first her father-in-law and then Vikas, her husband, succumbed to their injuries. And, yet, Shivani refused to surrender-she would not let her inability to walk keep her from achieving her ambitions. No Looking Back is a deeply moving and inspiring narrative about surviving the challenges of disability in a country that takes

little account of the daily difficulties and indignities faced by approximately fifteen per cent of the world's population, whether in terms of infrastructure, legislation or awareness-a country that appears to believe that disability equals invisibility from the public discourse. Undeterred by the hand fate had dealt her, Shivani Gupta has chosen to champion the cause of the disabled everywhere and is today one of India's best-known accessibility consultants. Her life is an extraordinary testament to true courage and the indomitability of the human spirit in the face of overwhelming odds. Don't Look Back Carina Press

Yet Valbrand, whose face—not to mention spirit—had taken a serious hit from the assassination attempt that had driven him underground, was sworn to spend all the rest of his days hunting down the enemies who

had done this to him. And even if he had the time for love, who could see past his scarred face to the man inside? Certainly not the beautiful Dulcie.... Or so Valbrand thought. But despite the darkness and mystery that surrounded him, Dulcie knew that the half-masked man before her was her destiny. Now, if only she could convince him that she held both the key to his heart and his kingdom in her trembling hands....

Looking Back Harlequin Adam's eyes swelled in horror at the sight that confronted him. Henry was standing with his back against the front door, pale and rigid, his left hand pressed to his neck. Blood was seeping between his fingers, running down his wrist and dripping from his elbow onto the back of Jacob's head. Jacob was facedown on the tiled floor, arms outstretched to either side with blood pooling around his wrists.

There was a faintly metallic butcher's shop smell in the air... After the tragic death of their eleven-year-old son, Adam and Ella are fighting to keep their family from falling apart. Then comes an opportunity that seems too good to be true. They win a competition to live for free in a breathtakingly beautiful mansion on the Cornish Lizard Peninsula. There's just one catch - the house is supposedly haunted. Mystery has always swirled around Fenton House. In 1920 the house's original owner, reclusive industrialist Walter Lewarne, hanged himself from its highest turret. In 1996, the then inhabitants, George Trehearne, his wife Sofia and their young daughter Heloise

disappeared without a trace. Neither mystery was ever solved. Adam is not the type to believe in ghosts. As far as he's concerned, ghosts are simply memories. Everywhere he looks in their cramped London home he sees his dead son. Despite misgivings, the chance to start afresh is too tempting to pass up. Adam, Ella and their surviving son Henry move into Fenton House. At first, the change of scenery gives them all a new lease of life. But as the house starts to reveal its secrets, they come to suspect that they may not be alone after all... What readers are saying about Ben Cheetham's books 'I love love loved this book! Had me gripped right from the start and just had to keep

reading it!' 'A dark and twisting narrative that will keep you turning the pages. Ben Cheetham's characters, though sometimes tainted or, indeed, pure evil, are completely believable.' 'The only trouble with this book is that sleep and work got in the way.' 'I loved this book and continue to think about the characters after I finished.' 'Brilliantly written and had me totally captivated. Didn't want to stop reading as I felt myself getting pulled into the drama and wanting to find out what happened next.' 'Wow! I loved this book. The suspense kept me on the edge of my chair!'

Repeatedly declared dead by the media, the women's movement has never been as vibrant as it is today. Indeed as Stanford professor and award-winning author Estelle B. Freedman argues in her compelling new book, feminism has reached a critical momentum from which there is no turning back. A truly global movement, as vital and dynamic in the developing world as it is in the West, feminism has helped women achieve authority in politics, sports, and business, and has mobilized public concern for once-taboo issues like rape, domestic violence, and breast cancer. And yet much work remains before women attain real equality. In this

fascinating book, Freedman examines the historical forces that have fueled the feminist movement over the past two hundred years—and explores how women today are looking to feminism for new approaches to issues of work, family, sexuality, and creativity. Freedman begins with an incisive analysis of what feminism means and why it took root in western Europe and the United States at the end of the eighteenth century. The rationalist, humanistic philosophy of the Enlightenment, which ignited the American Revolution, also sparked feminist politics, inspiring such pioneers as Mary Wollstonecraft and Susan B. Anthony. Race has always been

as important as gender in defining feminism, and Freedman traces the intricate ties between women's rights and abolitionism in the United States in the years before the Civil War and the long tradition of radical women of color, stretching back to the impassioned rhetoric of Sojourner Truth. As industrialism and democratic politics spread after World War II, feminist politics gained momentum and sophistication throughout the world. Their impact began to be felt in every aspect of society—from the workplace to the chambers of government to relations between the sexes. Because of feminism, Freedman points out, the line between the personal

and the political has blurred, or disappeared, and issues once considered “merely” private—abortion, sexual violence, homosexuality, reproductive health, beauty and body image—have entered the public arena as subjects of fierce, ongoing debate. Freedman combines a scholar’s meticulous research with a social critic’s keen eye. Sweeping in scope, searching in its analysis, global in its perspective, *No Turning Back* will stand as a defining text in one of the most important social movements of all time.

DON'T EVER GET OLD
 was one of mystery-publishing's biggest

critical successes last year, earning starred reviews from every major trade publication, garnering nominations for the Edgar, Thriller, and Anthony awards, and winning the Macavity Award for Best First Novel. The producer of four Harry Potter films and the Sherlock Holmes sequel, *Lionel Wigram*, is set to produce the film version. In Daniel Friedman's new novel, set in Memphis, Tennessee, and four months after the events of *DON'T EVER GET OLD*, eighty-eight-year-old Buck Schatz is reluctantly coming to terms with the fact that he can only move around with the aid of a walker, and his dementia seems to be getting worse. So when one of Buck's long-time

foes, a bank-robber named Elijah, comes to Buck looking for protection from mysterious pursuers, Buck wavers. In the end, his desire to cement his legacy by closing out a series of long-unsolved robberies overwhelms his usual antipathy toward doing favors for people he dislikes. Buck agrees to broker Elijah's surrender to the authorities, if Elijah will promise to confess to his long-ago crimes. But nothing involving Elijah, or Buck, is ever simple, and Elijah's plans for Buck are more sinister than they first appeared. Written in Buck's signature voice and featuring a mystery that will knock your socks off, DON'T EVER LOOK BACK takes a decades-old feud between two

dangerous—and now elderly—men and brings it to a final, explosive conclusion. *Shadows You Left Entangled: Embrace* From international bestselling author Patricia Scanlan comes a charming tale of best friends, family, and weddings. On top of that, Carol's parents are separated and constantly fighting. Neither wants the other to be there. And Nadine, Carol's

younger sister, is wild and disruptive and drinks like a fish—hardly the ideal wedding guest. Can Jessica and Carol's friendship survive a Double Wedding?
