**Books in Print** Taylor Trade Publishing

A new, fully illustrated gift book commemorating the unparalleled rise, fall, and comeback of golf's greatest champion Tiger Woods turned pro at age 20 in 1996, rapidly ascending to become the No. 1 ranked player in the world at age 21 and the youngest player ever to achieve the career Grand Slam. Woods' second decade on the tour was one of reinvention, marked by injuries and personal struggles before a comeback that culminated in Woods' first major win in 11 years at the 2019 Masters. In celebration of Woods' first quarter century on the professional circuit, those moments and memories are collected in *Tiger Woods: 25 Years on the PGA Tour*. Capturing the magic of Woods' career as only Sports Illustrated can, this new volume includes more than 100 full-color

photographs, some of which have become nearly as iconic as the man himself—from Woods' earliest days on the golf course with his father Earl to his play alongside son Charlie in 2020. This commemorative book also features Sports Illustrated's best written coverage of Woods' career, including pieces by Gary Smith, Frank Deford, Steve Rushin, Alan Shipnuck, and more. *Sports Illustrated Great Baseball Writing* National Geographic Books

For more than 50 years, Sports Illustrated has been the gold standard of sports writing, and during that time, football—once a popular college pastime but only a rag-tag professional game—has moved to center stage, taking its unquestioned place as America's most popular sport. This book

brings together dozens of football classics from the pages of SI, featuring the work of such esteemed writers as John O'Hara and Jack Kerouac, Dan Jenkins and George Plimpton, Don DeLillo and John Underwood and John Ed Bradley. And, of course, the collection includes many of the longtime favorites of SI readers: Frank Deford and Rick Reilly, Steve Rushin and Gary Smith, Peter King and Rick Telander and the inimitable Dr. Z, Paul Zimmerman. Covering more than half a century of the game at every level from high school to the Super Bowl, this volume will be indispensable reading for serious football fans.

**SCAN/info** Triumph Books

Based on J.G. Heck's 'Bilder Atlas zum Conversations Lexicon, ' published in

Germany in the nineteenth century, the original 'Iconographic Encyclopædia of Science, Literature, and Art' was a monumental six-volume compilation of illustrations and information covering an enormous range of subjects, from archaeology to zoology. Among its most remarkable features were the more than 11,000 superb steel engravings, comprising one of the most extensive pictorial archives ever published in a single work. The present book is devoted to architecture, mythology, and fine art, and includes illustrations of prehistoric tombs, pyramids, catacombs, classical temples and medieval cathedrals, as well as museums, arches, bridges and scores of other structures. Also depicted are mythological and religious figures and rites from many cultures: Hindu,

Japanese and Mexican idols; Egyptian gods and goddesses, Persian processions, runic stones, Dionysian orgies and others. Fine art illustrations include Etruscan bas-reliefs, Egyptian painting and statuary, Greek sculpture, paintings by Raphael, Caravaggio, Andrea del Sarto, Titan, and other masters, along with illustrated examples of the art of drawing, and alphabets of various languages.

Ready, Set, Swim! Triumph Books

For almost a century, big-time college athletics has been a wildly popular but consistently problematic part of American higher education. The challenges it poses to traditional academic values have been recognized from the start, but they have grown more ominous in recent decades, as cable television has become ubiquitous, commercial opportunities have proliferated, and athletic budgets have ballooned. In the second edition of his influential book *Big-Time Sports in American Universities*, Clotfelter

continues to examine the role of athletics in American universities, building on his argument that commercial sports have become a core function of the universities that engage in them. Drawing on recent scandals on large-scale college campuses and updates on several high-profile court cases, Clotfelter brings clear economic analysis to the variety of problems that sports raise for university and public policy, providing the basis for the continuation of constructive conversations about the value of big-time sports in higher education.

Lacrosse, a game of speed, complexity, and nuance, is fast becoming one of the most popular sports worldwide. This book details examples of the rules of lacrosse, moves, individual defense, offensive team formations, skills and drills, and more. In this thoroughly updated edition of a Sports Illustrated best-seller, ten-time national championship coach David Urick shows players and coaches the fundamental pathways that will lead to lacrosse success.

Sports Illustrated Lacrosse CRC Press

Sports Illustrated, the most respected voice in sports journalism, has covered the NBA for the much of its existence, documenting its expansion from fledgeling league to global force. Curated by editor and bestselling author Chris Ballard, this anthology features the best hoops writing from the SI archives along with new postscripts from nationally renowned basketball journalists including Jackie McMullan, Jack McCallum, Jeff Pearlman, S.L. Price, Lee Jenkins, Frank Deford, and more.

**The Complete "Chinese Ornament"**

Triumph Books

From the leader in sports writing comes a collection of stories that examine just about every aspect of the game: the players, the league and what it means to the fans. For true hockey fans, there is

no sport as great, as fast, as competitive, or as important as their beloved hockey game. The teams, the organizations, and the players are a part of their family and Saturday night is better known as hockey night. As children, we hockey fans would wake at 6am, jump into the back of a cold station wagon and head off with Dad or Mom at the wheel to our hockey games. Sleep deprived, cold and tired - it didn't matter how low we felt because as soon as those skates were laced, it was game-on! We traded the cards, we followed the players, and we watched as our team fought through the regular season to earn their rightful place in the post season. There is nothing like the feeling of seeing your team go all the way, seeing them hoist that cherished Cup

that Lord Stanley so kindly gifted to the Dominion of Canada, seeing the tears in the eyes of these grown men, these ice warriors. We love this game of ours, and we can't get enough, so thank you Sports Illustrated for bringing us more. In this book, Sports Illustrated's most prolific hockey writers give us the honest goods on hockey. They tell us about the players, the infractions, the best series, the most contentious of battles and the most glorious of victories. This is hockey in its truest form. This is hockey writing for hockey lovers and with an array of Sports Illustrated photos throw in for added benefit. This is just about the best damn book available on hockey, anywhere, period.

*Sports Illustrated* Courier Corporation  
Celebrating a New York icon and one of

baseball's most beloved superstars Derek Jeter made his major-league debut at age 20 in 1995. The following year, he earned Rookie of the Year honors as the starting shortstop as the Yankees won the team's first championship since 1978. Over the next two decades, Jeter kept hitting and the Yankees kept winning. By the time he hung up his pinstripes at the end of the 2014 season, the Yankee captain had collected five World Series rings and 3,465 hits. He was named to 14 American League All-Star teams and boasts a .321 career batting average in the World Series. It was no surprise when Jeter was elected to the Baseball Hall of Fame in his first year of eligibility in 2020, receiving more than 99% of the vote. In celebration of Jeter's induction in Cooperstown in 2021,

these moments and memories are collected in *Derek Jeter: A Celebration of the Yankee Captain*, a fully illustrated gift book commemorating the career of the most beloved Yankee of his generation. Featuring more than 100 photographs and unparalleled written coverage from the pages of *Sports Illustrated*, this new volume provides readers a complete portrait of the ultimate team player who became a role model and a baseball icon—from earning the Yankees starting shortstop job in spring training in 1996 to his record-setting postseason play and his walk-off single in his final game at Yankee Stadium. This commemorative book also features *Sports Illustrated*'s best written coverage of Jeter's career, including pieces by Tom Verducci, Joe Posnanski,

Michael Silver, and more.

**The Bradys and the Snake Charmer**  
Englewood, Colo. : Libraries Unlimited  
*Big Book of WHO* is a book your young sports fans will return to again and again! This 128-page collection features the brightest stars in sports, past and present. The editors of *Sports Illustrated Kids* profile the top stars in sports history, with thrilling sports photography and age-appropriate writing that *Sports Illustrated Kids* is famous for. This fully updated edition includes today's stars alongside sports' all-time greats – from Michael Jordan to LeBron James, Tom Brady to Patrick Mahomes, Mia Hamm to Megan Rapinoe, Babe Ruth to Mookie Betts, and more. Completely redesigned to match the modern look of *Sports Illustrated Kids*, this fun collection of

questions and answers will have kids stumping their friends and adult sports fans with their expert knowledge of sports' brightest stars.

*The Swimsuit Issue and Sport* Capstone

A step-by-step guide to working with vertical files and its alternatives based on Shirley Miller's *Vertical Files and its Satellites*, second edition (Libraries Unlimited, 1979), this volume introduces new resources, new products and new techniques, and serves as a guide to specific kinds of supplementary materials. The general approach and the coverage of topics has been changed, placing the emphasis on alternatives.

**Sports Illustrated The Basketball Vault** Capstone

Celebrating a New Orleans icon and one of football's most beloved superstars

Drew Brees describes his arrival in New Orleans as "a calling." Following a catastrophic shoulder injury and a handful of years with the San Diego Chargers, Brees hit the ground running with the Saints, leading the team to the playoffs in his very first season and building toward the ultimate prize: the franchise's first ever Super Bowl title. By the time he hung up his cleats in 2021, the Saints QB had won 172 games as a starting quarterback, led the NFL in passing yards seven times, and fashioned more than 50 game-winning drives. He won the 2004 Comeback Player of the Year award and was named to 13 Pro Bowls. These moments and memories are collected in *Drew Brees: A Tribute to the Saint of New Orleans*, a fully illustrated gift book

commemorating the 20-year career of one of the most beloved Saints players in history. Featuring more than 100 photographs and unparalleled written coverage from the pages of Sports Illustrated™, this new volume provides readers a complete portrait of the ultimate team player whose impact on the Saints franchise cannot be overstated—from his earliest days in New Orleans to the euphoria of Super Bowl XLIV and beyond. This

commemorative book also features SI's best written coverage of Brees's career, including pieces by Tim Layden, Greg Bishop, and more.

**Ready, Aim, Specialize!** Sports Illustrated Kids

Explores the cultural meanings of the swimsuit issue and shows how Sports Illustrated secures a large audience of men by creating a climate of hegemonic masculinity.
