 A girl makes her own dollhouse in this picture book that celebrates creativity and imagination! A little girl proudly walks the reader through her handmade dollhouse, pointing out the bricks she painted on the outside, the wallpaper she drew on the inside, the fancy clothes she made for her dolls, and the little elevator she

made out of a paper cup. She's proud of her house and has lots of fun using her imagination to play with it—until she discovers her friend Sophie's "perfect" storebought house. Sophie thinks her house, with everything matching and even a toilet seat that goes up and down, is pretty perfect too, until both girls discover that the narrator's handmade dollhouse is really a lot more fun. "Celebrates the best of free play, capturing what it's like to be fully engaged and inspired." —The New York Times "Readers will feel right at home with this cozy tribute to imagination." —Kirkus Reviews, Starred "The realization that creative, outside-the-box artistry can be more inspiring than anything manufactured makes for a wonderful story." —Publishers Weekly, Starred

 In the past, music therapy work with children typically took place in special schools without the family being present. More recently, music therapy has become a widespread practice, and this book reflects the variety of settings within which music therapists are now working with children together with their families. The contributors are music therapists with experience of working with children and their families in a range of different environments, such as schools, hospices, psychiatric units, child development centres and in the community. They describe their approaches to family work with client groups including children with autism, learning disabled toddlers, adopted children and

looked after teenagers. Their experiences demonstrate that involving the family in a child's music therapy can be beneficial for everyone, and that it is possible to address relationship issues within the family as part of the treatment. This book will provide useful insight into the growing area of music therapy with children and their families, and will be valuable for music therapy professionals and students, as well as other medical and teaching professionals who work with families.

The Dolls' House Do-it-yourself Book Maureen Reil

For many, many years you may have heard that God doesn't still perform miracles. A Mother In Mourning will restore your faith if you are among the many who don't believe. Kathy will tell you, too, of

the many miracles God has given to her. One of the miracles was giving birth to her sons. Another came after the fatal accident of her oldest son when an angel was waiting for her in the most unusual place, her favorite coffee house. A Mother In Mourning is sure to be a best seller of its kind. Kathy delivers a truly powerful love story involving herself, her two sons and her God. From the first day she gave birth to her sons, she held them close to her. To Aaron (and Kendrick), she was a one of a kind mother; she was their mentor, their right hand, their best friend and their preparedness for this thing called life. Most importantly, she was Aaron's (and is Kendrick's) overseer in making sure that without a doubt their ultimate destination would be "heaven." A Mother In Mourning will take you on a journey filled with nothing but love, joy and the pain of being a mother. This heart-felt true story will have you laughing out loud and at the same time bring joyful tears to your eyes. It's clear that Kathy understood from the very beginning what it took to be a good mother. You will also read how God

gave her a premonition that something tragic was going to happen five months before his death. She didn't know what it was until a knock came on her door one early morning. She opened the door only to see two police officers standing there and one of them was holding her son's drivers license. Through all of their years together with his following closely in her footsteps, she never could have predicted that Aaron would have had such a short life. Kathy and her sons were so close, it seemed to her that the sun would shine on them forever. One Wednesday evening just as the sun was going down, God called Aaron's name. Even though she has always been a natural teacher of having faith in God the devastation of losing her son has caused her faith to increase even more. You will read how God got her through the lowest stage of her life when no one else was there for her. A Mother In Mourning is not just for someone who has lost a loved one. It is a book that unmistakably teaches us to have faith in God and to realize that life is a journey. Yes, it is a journey that we all must

travel and that will one day (make no mistake about it) come to an end.

Comical Vacations 1

Three-Book Bundle

Contents The Finch Family Short Break (Book 0

Prequel) This British funny fiction is the prequel in the Comical Vacations series that takes place the year of Kitty's divorce and before the first Finch Family Holiday kicks off.

We find Kitty Finch trying to get to grips with life without Mason after seeking a friend on-line to share her time and troubles with but he turns out to be more trouble than he is worth. When things get weird she tries to end their friendship, only he is not having it so she persuades her sister-in-law that she needs a short break. However, it does not remain just the three of them going on an Amsterdam adventure when other Finch family members also wangle a ticket to ride. How will she

handle the fact that her ex-husband is coming along too and who is the mystery woman with him?

It was not all fun and games for Kitty when she discovers that things are not going her way no matter how hard she tries to deal with stuff that could prevent her enjoyment and talk about unrequited love, for it is catching on. Especially when Kitty ends up gate-crashing a hen party and pretending to be someone else just so she can join in. There is also the Red Light District to contend with, where all her worst fears came true. Overall, it was a memorable stay in the end and to find out more just read this hilarious story of one woman's quest to keep her sanity and her sanitary towels intact. The Finch Family Holiday 1 WISH YOU WERE HERE would be the words written on a dirty postcard from Blackpool that Kitty Finch would send home to the rest of her family, if only, they were not already there with her. The Finch family are going to a Blackpool campsite for a typically British seaside holiday. Will Kitty be able to enjoy the excursions, when plagued with the arthritis she suffers from? On the other

hand, will she want to end it all off the top of The Blackpool Tower through embarrassment before their final day is done?

Will everyone else survive the holiday, come to that? There are a couple of surprises joining them for the ride and plenty of comedic complications to overcome. Can Kitty really put her marriage to Mason behind her since the divorce and perhaps, have a holiday romance with someone new? Read this funny, feel good fiction to find out. The Finch Family Holiday 2 Fancy a fun British holiday with the wacky Finch family in The Lake District then you are very welcome to join them for another zany outing. In this laughter-filled story, Kitty has found herself a boyfriend that she met through the internet and she has invited the current man in her life to come along with them. Does her ex-husband approve of this new dude and does Kitty care if Mason cares? Will Kitty's continuing battle with her health issues interfere somewhat with them having a good time, not to mention the mishaps, misunderstandings and general mayhem all round? Everyone tries their best to bond

together on this exciting trip, only to rub each other up the wrong way. While a blast from the past manages to upset an excursion and causes Kitty yet more grief. As Kitty wonders if the local myths truly exist and is there a monster lurking at the bottom of the lake. Moreover, can a witch really put a curse on Kitty when she is made of stone? This is the least of her woes when she suspects a real post office robbery has taken place. Is it a crime to want this ten-day stint away from home, not to end up a complete disaster? Go on; I dare you to crack open the cover of this holiday scrapbook looking journal to find out what they did on their vacation.
