A funny, festive picture book about Paddington, the beloved, classic bear from darkest Peru.

The Wise Men of Schilda Wm. B. Eerdmans Publishing  
 Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly

expensive. Pomona Press are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.

The Christmas Bear  
 Macmillan Children's Books

This profoundly moving tale about a grieving boy and an imaginary gorilla makes real the power of talking about loss. On the day of his mother's funeral, a young boy conjures the very visitor he needs to see: a gorilla. Wise and gentle, the gorilla stays on to answer the heart-heavy questions the boy hesitates to ask his father: Where did his mother go? Will she come back home? Will we all die? Yet with the gorilla's friendship, the boy slowly begins to discover moments of

comfort in tending flowers, playing catch, and climbing trees. Most of all, the gorilla knows that it helps to simply talk about the loss--especially with those who share your grief and who may feel alone, too. Author Jackie Azúa Kramer's quietly thoughtful text and illustrator Cindy Derby's beautiful impressionistic artwork depict how this tender relationship leads the boy to open up to his father and find a path forward. Told entirely in dialogue, this direct and deeply affecting picture book will inspire conversations about grief, empathy, and healing beyond the final hope-filled scene. *Where the Rivers Flow North* Turtleback Books "The Selfish Giant" is a short fantasy story for children by the Irish

author Oscar Wilde. The story's plot revolves around a giant who builds a wall to keep children out of his garden, but learns compassion from the innocence of the children. The short story contains significant religious imagery. The Selfish Giant owns a beautiful garden which has 12 peach trees and lovely fragrant flowers, in which children love to play after returning from the school. The Giant put a notice board "TRESPASSERS WILL BE PROSECUTED". The garden falls into perpetual winter. One day, the giant is awakened by a linnet, and discovers that spring has returned to the garden, as the children have found a way in through a gap in

the wall... It was first published in 1888 in the anthology *The Happy Prince and Other Tales*, which, in addition to its title story, also includes "The Nightingale and the Rose", "The Happy Prince", "The Devoted Friend" and "The Remarkable Rocket".

*Five on a Treasure Island* Chronicle Books

When Santa sets off to deliver the presents poor Christmas Bear is left behind. How will Bear make it to Tom's house in time for Christmas morning? With plenty of novelties to play with, from flaps and tabs to wheels and mini pop-ups, little hands will love to follow Christmas Bear's adventures as he travels far and wide.

Affective Health and Masculinities in South Africa explores how different masculinities modulate substance use, interpersonal violence, suicidality, and AIDS as well as

recovery cross-culturally. With a focus on three male protagonists living in very distinct urban areas of Cape Town, this comparative ethnography shows that men's struggles to become invulnerable increase vulnerability. Through an analysis of masculinities as social assemblages, the study shows how affective health problems are tied to modern individualism rather than African 'tradition' that has become a cliché in Eurocentric gender studies. Affective health is conceptualized as a balancing act between autonomy and connectivity that after colonialism and apartheid has become compromised through the imperative of self-

reliance. This book provides a rare perspective on young men's vulnerability in everyday life that may affect the reader and spark discussion about how masculinities in relationships shape physical and psychological health. Moreover, it shows how men change in the face of distress in ways that may look different than global health and gender-transformative approaches envision. Thick descriptions of actual events over the life course make the study accessible to both graduate and undergraduate students in the social sciences. Contributing to current debates on mental health and masculinity, this volume will be of interest to scholars from various disciplines

including anthropology, gender studies, African studies, psychology, and global health.

Lacking the athletic and reading skills of his older brothers, Prince Noah uses love and compassion to save the kingdom from the Black Knight.

### *My Friend Earth*

Pelangi ePublishing Sdn Bhd  
"When an inventive mouse misses the biggest cheese festival the world has ever seen, he's determined to turn back the clock. But what is time, and can it be influenced? With the help of a mouse clockmaker, a lot of inventiveness, and the notes of a certain famous Swiss physicist he succeeds in traveling back in time. But when he

misses his goal by eighty years, the only one who can help is an employee of the Swiss Patent Office, who turned our concept of space and time upside down."--Amazon.com

**Milo and the Mysterious Island**

Viking Juvenile

This exciting sequel to Marcus Pfister's best-selling Milo and the Magical Stones returns! When Milo, the cliff mouse, and his friends discover an island inhabited by striped mice, they have to make a choice. Will Milo and the cliff mice share their treasures or will they hide them away for themselves? It's up to the reader to decide in this alternate-ending story that splits into two sections, each offering a different ending. This thought-provoking

story, with the book's unique format, actively involves children in the decision-making process.

Presents the stories behind the music of Disney films and examines the role music played in the

films.  
Lindbergh Zondervan  
 Rare edition with  
 unique illustrations.  
 Hans Christian  
 Andersen was a Danish  
 author best known for  
 writing children's  
 stories including "The  
 Little Mermaid" and  
 "The Ugly Duckling."  
 But he didn't just write  
 short stories, and his  
 intended audience  
 wasn't restricted to  
 children. In addition to  
 his fairy tales,  
 Andersen wrote  
 poems, plays, novels,  
 travel books, essays,  
 and more. He  
 hungered for  
 recognition at home  
 (Denmark) and abroad-  
 and he got it!  
 Eventually. Today, his  
 stories can be read in  
 over one hundred  
 languages. But no  
 matter what language  
 they're in, Andersen's  
 tales have got

something for  
 everyone. In them,  
 you'll find beauty,  
 tragedy, nature,  
 religion, artfulness,  
 deception, betrayal,  
 love, death, judgment,  
 penance, and-  
 occasionally-a happy  
 ending. They're  
 complex tales, but  
 since Andersen himself  
 was pretty complex,  
 we like to think that art  
 imitates life. Or  
 something like that.  
Zitty NorthSouth Books  
 This book analyzes the  
 intellectual side of the  
 American war effort  
 against Nazi Germany.  
 It shows how  
 conflicting  
 interpretations of "the  
 German problem"  
 shaped American  
 warfare and postwar  
 planning. The story of  
 how Americans  
 understood National  
 Socialism in the 1930s  
 and 1940s provides a

counter-example to the usual tale of enemy images. The level of German popular support for the Nazi regime, the nature of Nazi war aims, and the postwar prospects of German democratization stood at the center of public and governmental debates. American public perceptions of the Third Reich - based in part on ethnic identification with the Germans - were often forgiving but also ill-informed. This conflicted with the Roosevelt administration's need to create a compelling enemy image. The tension between popular and expert views generated complex and fruitful discussions among

America's political and cultural elites and produced insightful, yet contradictory interpretations of Nazism.

Der Ewige Jude

Cambridge University Press

This book is suitable for children age 4 and above. "The Fox and the Stork" is a story about a stork that goes to a fox's house for dinner. The fox decides to make fun of a stork by treating it to a plate of soup. The stork is unable to drink the soup and leaves the fox's house hungry. The stork decides to teach the fox a lesson. The next day when the fox goes to the stork's house for dinner, the stork treats the fox to a tall jar of soup. The fox goes home hungry and realises its mistake.
