RODGERS ROACH

Ummat CRC Press

Bukan sekadar cerita petualangan, novel Kim mengisahkan drama kehidupan dan, tak kalah menariknya, spiritualitas dunia Timur. Melalui Kim, kita akan menjelajahi sudut-sudut India yang tak pernah tersentuh, melebur bersama penduduknya yang lekat dengan beraneka tradisi, dan menikmati serunya dunia spionase dalam sudut pandang bocah lelaki usia belasan tahun. Ditulis oleh seorang peraih Nobel Sastra termuda saat itu, Kim adalah salah satu mahakarya dunia. [Mizan, Bentang, Sastra, Dunia, Legenda, Indonesia]

Pengantin Di Birralee Academic Press
Autobiography of Deliar Noer, an Indonesian Muslim scholar.

The Rainbow Troops National Academies Press
The book provides discussion on all aspects of Invertebrates as covered in Practical Zoology. Beginning with general techniques of preparation of cultures of Protozoa, microscopic slides and laboratory regents, it also covers in tabular and detailed form, recent classification of various invertebrate phyla with examples of each order or suborder. Wide coverage of each phylum, and diagrams of major and minor dissections make the book equally useful for both undergraduate and postgraduate students.

Birds of the Indonesian Archipelago
Iwan Berri Prima

Dokter hewan merupakan profesi kedokteran yang memiliki peran cukup penting dalam menyetatkan masyarakat. Profesi ini sejatinya adalah profesi dokter yang layak dikenal masyarakat. Selain unik, dokter hewan memiliki kekhasan dan keistimewaan tersendiri. Karena bukan hanya mengobati hewan (pasien), tetapi juga mengomunikasikan dengan pemilik hewan (klien). Di tataran kampus, profesi ini sejak tahun 2017 sudah masuk ke dalam rumpun ilmu kesehatan. Serumpun dengan dokter, dokter gigi, apoteker, perawat, bidan, dan tenaga kesehatan lainnya. Namun, peran dan popularitas dokter hewan sepertinya masih kalah oleh profesi kedokteran lainnya. Mengapa hal

itu terjadi? Buku berjudul Mengenal Lebih Dekat Profesi Dokter Hewan? berisi sejarah dokter hewan di Indonesia, peran dokter hewan dalam dunia kesehatan masyarakat, peranan dokter hewan dalam pengendalian, penanggulangan penyakit hewan, dan upaya peningkatan perekonomian serta tantangan dan peluang yang dihadapi dokter hewan di Indonesia. Buku ini juga merupakan kumpulan tulisan penulis yang sudah pernah dimuat diberbagai media massa, baik ketika penulis masih menyangand status mahasiswa, maupun ketika penulis sudah bekerja sebagai Aparatur Sipil Negara (ASN). Selain itu, banyak khazanah pengetahuan yang termaktub di dalam buku ini. Sebuah bacaan istimewa yang dikemas apik sehingga dapat dikonsumsi oleh kalangan pembaca mana pun. Akan tetapi, penulis menyadari belum semua yang berkenaan dengan dokter hewan tertuang dalam buku ini, tapi setidaknya buku ini dapat sedikit menambah wawasan kita tentang gambaran profesi dokter hewan di Indonesia.

Mengenal Lebih Dekat Profesi Dokter Hewan EGC

This richly illustrated book provides step-

by-step instructions for the construction of over 30 different modular origami structures. The author describes basic folding techniques required to construct the "modules" that are used as building blocks to construct complex ornamental models. The diagrams are clear, crisp, and easy to follow, and are accompanied by inspiring color photographs. Additional tips encourage the reader to design their own original creations. Advance Praise for *Marvelous Modular Origami* "A must-have for any modular origami polyhedra enthusiast." -Rona Gurkewitz, co-author of *Multimodular Origami Polyhedra* "The models are paper folding in its purest form. They range from simple Sonobe to floral and geometrical constructions. All are eye-catching and satisfying to fold, and the finished constructions are pleasing to behold. Also included are short sections on the mathematics behind the shapes and optimum color choices." -David Petty, author of *Origami A-B-C* "In this colorful book, you'll find wonderful original origami modular creations. Meenakshi's clear instructions and helpful hints will have you zipping through these modules as well as improvising your own." -Rachel Katz, co-

author of *FUN FOLDS: Language Learning Through Paper Folding* "Marvelous Modular Origami is a colorful addition to the literature of mathematical origami." -

Florence Temko, author of many origami and other craft books

My Husband My Prince Bentham Science Publishers

Is there a better place than a farm to meet friendly animals? What sound does this animal make? Let's join Ditty Bird and take a walk around the farm. Press the sound button on each page to listen to real-life animal sounds and 'Moo', 'Baa', 'Quack' along with our favorite animal sounds song! The book introduces first facts about five favorite farm animals: Bella, the CowRobby, the PigMoli, the SheepGavin, the HorseAnd Darcy, the Duck.

Nutrition of Rice Simon and Schuster
Equality, Diversity and Inclusion at Work is certainly a recommended read for EDI scholars interested in both established and novel perspectives on the field. . .

Practitioners, whether directly involved with diversity management or not, can also use this volume to gain significant insight into the variety of perspectives on diversity management and training.

Florence Villesèche, Management This collection can serve as a mirror for all of us who spend much of our lives in work organizations. From diverse vantage points, the authors help us see and understand the dynamics through which workplaces are gendered to the advantage of some and the disadvantage of others. For those of us wanting to transform those dynamics and create organizational cultures characterized by fairness, support, and cooperation, this book is a must-read. Jay Coakley, University of Colorado, Colorado Springs, US Equality, Diversity and Inclusion at Work, edited by Mustafa F. Özbilgin is a fascinating and useful collection of articles that cover varied perspectives on this thriving topic. Theoretical issues and policy problems, equal opportunity and diversity management, sociological and psychological approaches, history and present management and trade union efforts, and much more are all covered. I particularly appreciated the inclusion of several articles on men, masculinities, equality and diversity, a refreshing recognition of the importance of men and masculinities in the success or failure of

equality and diversity efforts. Although the collection covers the UK in the most detail, chapters on the US, Germany, South Africa, and Japan provide a multinational perspective. It is the kind of book I'd like to have at hand when I'm writing about organizations, gender, equality and diversity. Joan Acker, University of Oregon, US With over thirty chapters, this book offers a truly interdisciplinary collection of original contributions that are likely to influence theorization in the field of equality, diversity and inclusion at work. Many chapters in the book offer comparative perspectives through cross-national and multi-level analyses. The volume adopts a critical perspective as it focuses on relations of power in exploring equality, diversity and inclusion at work. Specifically, the authors examine areas such as cultural conflict, gender inequity and politics, work life balance, affirmative action, trade unions and diversity and diversity interventions and change. This timely book with chapters that are contributed by internationally eminent scholars will prove to be an invaluable resource for researchers, policy makers and students in this field.

Umur dan Silsilah Para Nabi Jihad Muhammad Hajjaj Selain unik, buku ini juga akan memberi banyak informasi yang jarang tersentuh tentang silsilah dan latar belakang keluarga para nabi, termasuk di dalamnya tentang siapa ibu, istri, anak, dan cucu mereka. Dengan ketelatenan dan kecermatannya dalam mengumpulkan data dan fakta yang berserakan di berbagai sumber, penulis juga akan mengungkap berapa umur para nabi tersebut. Akan diterangkan misalnya, tentang berapa umur Nabi Adam sebenarnya, mengapa ia memberikan 40 tahun dari jatah umurnya kepada Nabi Daud yang sebenarnya hanya mendapat

jatah hidup di dunia selama 60 tahun, dan mengapa Nabi Adam sempat menolak ketika akan dicabut nyawanya? Dan tentunya, masih banyak lagi pernak-pernik hikmah dari pengulasan tentang umur-umur para nabi lainnya. Karena itu, buku ini bisa menjadi bahan alternatif yang menyegarkan, tidak hanya menghibur tetapi juga bisa mempertebal iman -Qisthi Press-

Introduction to Clinical Nutrition, Third Edition Qisthi Press

Dietary factors have been implicated in at least four of the ten leading causes of death in the U.S. (heart disease, cancer, diabetes, and stroke). Nevertheless, physicians frequently receive inadequate training in nutrition to properly counsel their patients. Introduction to Clinical Nutrition, Third Edition discusses the physiologic and metabolic interrelationships of all nutrients and their roles in health maintenance and the prevention of various diseases. Since the publication of the second edition of this book, new discoveries have revolutionized the field of clinical nutrition. This is true especially with respect to gene-nutrient interaction, epigenetic pathways that

contribute to the activation and inactivation of gene expression, the relationship of nutrients to telomere length and health, and personalized nutrition. Highlighting these advances, new and revised topics include: Fiber, antioxidants, nutraceuticals, alternative medicine, and epidemiology DNA, gene-nutrient interaction, epigenetics, and telomeres Nutritional aspects of kidney disease, diabetes, and metabolic syndrome Personalized nutrition and personalized medicine Vegetarianism, the Mediterranean diet, and other popular dietary practices Obesity and cholesterol Designed as a textbook for students in conventional medicine, osteopathy, dentistry, dietetics, nursing, pharmacy, and public health, the book focuses on the critical biochemical and physiological aspects of nutrients. It includes clinical case studies to clarify topics at the end of most chapters and references to facilitate further study.

Dream Power Dundurn

"Kamu gila. Ngelawan arus. Pulang tinggal nama entar." Begitu yang terlontar dari kolega dr. Abdul Mun'im Idries, ketika akhir 1993, dokter forensik ini berani

menjadi saksi ahli kasus pembunuhan Marsinah. Kala itu, santer diyakini pejuang buruh ini dihabisi oknum militer—ketika militer paling ditakuti dengan penculikan senyapnya. Tapi berani-beraninya Mun'im mengusik tentara. Lalu, apa yang dihadapi Mun'im dan fakta apa yang ia temukan ketika harus terjun pada detik-detik mencekam Tragedi Trisakti dan Tragedi Semanggi? Bagaimana analisis forensiknya terkait pembunuhan Munir, Tragedi Tanjung Priuk, Tragedi Beutong Ateuh, dan sebagainya? Mun'im dalam buku ini membongkar arsip, membeberkan fakta-fakta mengejutkan, mengungkap sejumlah nama tabu, di samping berbagi kisah dan cara ilmiah (kedokteran) forensik dalam membongkar kriminalitas dan kejahatan di negeri ini.

Nutrient Requirements of Beef Cattle
Bentang Pustaka

Buku kamus ini menjelaskan istilah-istilah peternakan, dan beberapa istilah biologi secara luas yang masih ada kaitannya dengan dunia peternakan, Juga diuraikan tentang bahasa latin ternak serta satwa harapan yang berpotensi untuk ditenakkan. Beberapa istilah peternakan dalam bahasa daerah (Bali), dicantumkan

sebagai unsur serapan untuk memperkaya kosa kata Bahasa Indonesia. Kamus ini diharapkan dapat membantu pembaca yang tertarik di bidang peternakan, khususnya untuk memahami istilah-istilah asing yang tidak umum didengar dalam lingkungan di luar peternakan. Semoga bermanfaat.

Equality, Diversity and Inclusion at Work S. Chand Publishing

As members of the public become more conscious of the food they consume and its content, higher standards are expected in the preparation of such food. The updated seventh edition of Nutrient Requirements of Beef Cattle explores the impact of cattle's biological, production, and environmental diversities, as well as variations on nutrient utilization and requirements. More enhanced than previous editions, this edition expands on the descriptions of cattle and their nutritional requirements taking management and environmental conditions into consideration. The book clearly communicates the current state of beef cattle nutrient requirements and animal variation by visually presenting related data via computer-generated

models. Nutrient Requirements of Beef Cattle expounds on the effects of beef cattle body condition on the state of compensatory growth, takes an in-depth look at the variations in cattle type, and documents the important effects of the environment and stress on food intake. This volume also uses new data on the development of a fetus during pregnancy to prescribe nutrient requirements of gestating cattle more precisely. By focusing on factors such as product quality and environmental awareness, Nutrient Requirements of Beef Cattle presents standards and advisements for acceptable nutrients in a complete and conventional manner that promotes a more practical understanding and application. Investigasi Dan Pengendalian Wabah Di Fasilitas Pelayanan Kesehatan CRC Press Kauderwelsch plus, der bewährte Kauderwelsch-Sprachführer, ergänzt durch ein umfangreiches Wörterbuch: - Ausgewählte Vokabeln des Grund- und Aufbauwortschatzes, speziell abgestimmt auf die Bedürfnisse der Reisenden, angepasst an die Besonderheiten des jeweiligen Sprachraums. - Insgesamt mit über 6.000 Einträgen. - Alle Vokabeln mit

grammatikalischen Angaben. - Farbige Hervorhebungen zur besseren Orientierung. - Mit QR-Codes/Aussprachebeispielen: Benutzer eines Smartphones können sich ausgewählte Wörter, Sätze und Redewendungen aus dem Buch anhören. Die Sprachführer der Kauderwelsch-Reihe orientieren sich am typischen Reisealltag und vermitteln auf unterhaltsame Weise das nötige Rüstzeug, um ohne lästige Büffelei möglichst schnell mit dem Sprechen beginnen zu können, wenn auch vielleicht nicht immer druckreif. Besonders hilfreich ist hierbei die Wort-für-Wort-Übersetzung, die es ermöglicht, mit einem Blick die Struktur und "Denkweise" der jeweiligen Sprache zu durchschauen. Wie jeder Reisende weiß, reichen schon wenige Kenntnisse einer Sprache aus, um mit den Menschen in näheren Kontakt zu kommen, zur richtigen Zeit zum richtigen Ort zu gelangen oder landesübliche Preise zu bezahlen. Wer nach Indonesien fährt, wird feststellen, dass außerhalb der Touristenzentren kaum noch Englisch gesprochen wird und sich der englische Wortschatz mit einem freundlichen "Hello Mister" schnell erschöpft. In diesen

Gegenden ist es darum ratsam, wenigstens ein Minimum der Sprache zu beherrschen, wenn man nicht stumm vor seinem Gegenüber stehen will. Da in Indonesien Hunderte von Sprachen und Dialekten nebeneinander existieren, versucht dieser Sprechführer, dem Reisenden die nationale Sprache Bahasa Indonésia näherzubringen, mit der man sich in jeder Region verständigen kann. Dabei liegt der Schwerpunkt nicht auf der Vermittlung komplizierter Grammatikregeln, sondern auf dem Kommunikationsteil. Wichtig ist v. a. Edensor Reise Know-How Verlag Peter Rump

Tidak sedikit bagi kita, selaku perempuan, yang kebingungan menentukan kriteria calon suami. Bahkan setelah menikah, kita pun masih perlu banyak beradaptasi dengan suami, apalagi jika sifat di antara kita dan suami sangat jauh berbeda. Kok kayaknya kita susah cocok ya? Atau kok dia ga sesuai dengan yang diharapkan ya? Dalam buku ini, Ifa Avianty membahas seluk-beluk tentang suami; kriteria calon suami, mengenal karakter suami, peran seorang suami dan ayah, hingga tips mencintai suami apa adanya. Karena

bagaimanapun, suami adalah pangeran terbaik yang sudah Allah siapkan. Ifa menulis dengan gaya bahasa yang ringan, gaul, dan komunikatif sehingga kita selaku pembaca dapat betah berlama-lama menyelami seluk-beluk suami dan rumah tangga. Buku ini juga memuat kisah berdasarkan pengalaman para istri dan suami sehingga kita bisa banyak belajar dan mengambil hikmah dari mereka. My Farm Colouring Book Zifatama Jawara A literary mystery where the people and the settings in the exotic East are paramount. Two entwined mysteries unfold in two time periods in Singapore – one in the present and the other in the 1920s. Artist Maris Cousins has lived in Singapore for four years, but the sudden death of her mentor, gallery owner Peter Stone, causes her to stop painting and leave Singapore to reconnect with her family in Canada. There she becomes immersed in the fictional stories of love and betrayal from Singapore's past – in first editions left to her by Stone – written by a famous early-20th-century author, E. Sutcliffe Moersby. Drawn back to Singapore and the gallery, she searches for answers to the mystery of three people

– a writer, his young wife, and their baby – who seem to be linked to Stone. But along the way, Maris becomes caught up in circumstances involving smuggling and possibly murder.

Reise Know-How Sprachführer Indonesisch - Wort für Wort plus Wörterbuch:

Kauderwelsch-Band 1 + Gema Insani

The first ornithological field guide covering the vast chain of the Indonesian archipelago, with over 2,500 illustrations, describes all 1,417 bird species known to occur in the region, including 601 endemics, 98 vagrants, eight introduced species and 18 species yet to be formally described. Together these represent over

13% of global bird diversity. In addition, all subspecies from the region are described. The guide fully encompasses the biogeographic regions of the Greater Sundas (Sumatra, Borneo, Java and Bali) and Wallacea (Sulawesi, the Moluccas and the Lesser Sundas), plus all satellite islands. This region spans an arc of over 4,000 km along the Equator, including Brunei, East Timor, the Malaysian states of Sabah and Sarawak and most of the

territory of the Republic of Indonesia. The authors' vast experience and knowledge of the region's birds brings together the latest taxonomic insights, knowledge of distribution, field identification features, vocalisations and more to create an indispensable reference for anyone with an interest in the avifauna of this fabulously diverse region.
