Catalog of Copyright Entries. Third Series Destiny Image Publishers Prosperity Teaching is fast becoming a standard part of contemporary African Christianity. This teaching is best understood in the Charismatic and Pentecostal churches in Africa. The varied expressions and nuances call for a critical analysis of the phenomenon. Prosperity Teaching affirms wealth, divine healing, good health and long-life as manifestations of God's blessing. Conspicuous consumption is often seen as a sign of a successful life and suffering has no place in the divine order of God's sovereignty. This book, Who Wants to be a Millionaire? seeks to bring some understanding to this teaching and shows the extent of its impact in the wider society.

All Kingdom All the Time Trafford Publishing

This publications awakens the believer to a myriad of spiritual laws and principles of God which he can take advantage of and enter deeper realms of the spirit. It is worth exploring the divine truth that there are laws and principles that God has put in place by which He governs the universe. These are categorically physical laws which govern the natural realm and spiritual laws which govern the realm of the spirit. For example, there is a law of gravity which stipulates that if you throw an object up in the air, it will evidently crash back onto the earth; the law of floatation which allows ships and boats to float on water, the law of aerodynamics that enables aeroplanes to fly and the law of electricity which helps us generate heat and light energy. The reality is that when we operate in obedience to these physical laws within nature, we reap positive results but when we violate them, the repercussions are severe. However, as much as there are physical laws, there are also spiritual laws which are the highest class of laws governing and controlling the entire universe. In the spiritual realm, God has established a court system with laws, principles and divine protocols which functions just like the court system of the natural realm. Just like physical laws, when we corporate with these spiritual laws, we reap alarming results but when we violate them, we face the consequences. It's a pity that most people do not understand the operation of these divine laws and protocols, which explains why the devil ends taking advantage of their ignorance, thus gaining a legal foothold that grants him the right to ensnare them into debilitating circumstances of poverty, sickness and defeat. There are certain principles that one can tap into in order to walk into the deeper realities of God's power. Just like there are laws of gravity which governs how to operate in the natural realm, there are also spiritual laws that govern the spirit realm or how to operate in the realm of the miraculous. These laws of the supernatural complement each other and are progressions to enter into the greater depths of God. Each of these laws has a specific manifestation that produces something special. However, it is unfortunate that many believers are failing to operate in the realm of the miraculous because they do not understand spiritual laws and principles which they could take advantage of to generate positive results.

The Door Magazine LIT Verlag MÜNSTER

Shayne Lee, an assistant professor of Sociology at Tulane University, has provided us with the first critical examination of the most influential African American preacher of our time. A socio-cultural biography of sorts, the author examines T.D. Jakes rise to prominence from the hills of West Virginia to multimillion-dollar religious corporate enterprise. But this book does more than follow the development of T.D. Jakes and his ministry. As the author puts it, Jakes becomes "a prism through which the reader may learn more about contemporary American religion." Lee contends that Jakes is an embodiment of traditional American cultural ideals and the postmodern features that inform what it means to be American in this contemporary moment.-Pop Matters"Most of the public knows about the Bishop T. D. Jakes who graced the cover of Timemagazine, preached "Woman, Thou Art Loosed!" and filled stadiums across the country with throngs of weeping fans.

But how many know about the Jakes who boasted that he didn't have enough garage space for his luxury cars, said Jesus was rich, and once tried to evict the owners of a home he had just purchased though they only had a week to pay off their debts? That portrait of Jakes comes courtesy of T. D. Jakes: America's New Preacher. Shayne Lee, a sociologist and professor at Tulane University in New Orleans, asks hard questions about Jakes' ministry."-Atlanta Journal-Constitution"Jakes has risen from poverty in the mining towns of West Virginia to a multimillion-dollar faith industry based in Dallas, benefiting from the controversial trend toward prosperity religion. Lee examines the rags-to-riches life of Jakes in the broader context of changes in how Americans view religion."-Booklist"Lee offers an intriguing exploration of Jakes's popularity. His entrepreneurial spirit and multimedia approach have endeared him to millions, while his lavish lifestyle and focus on Christians' right to material prosperity continue to spark criticism. Lee avoids heavy jargon and effectively pares his study down to the essentials, making this an accessible portrait."-Publishers Weekly"Places an important contemporary African American religious leader in the context of recent trends in American religion in general and also of certain traditions of the Black Church in the African American experience. Lee's description and analysis of the phenomenon that is T.D. Jakes helps us gain a greater understanding of contemporary American religion and of African American religion as at once patently distinct but also quintessentially American."-Milton Harrison, Ph.D., author of Righteous Riches: The Word of Faith Movement in Contemporary African American ReligionT.D. Jakes has emerged as one of the most prolific spiritual leaders of our time. He is pastor of one of the largest churches in the country, CEO of a multimillion dollar empire, the host of a television program, author of a dozen bestsellers, and the producer of two Grammy Award-nominated CDs and three critically acclaimed plays. In 2001 Timemagazine featured Jakes on the cover and asked: Is Jakes the next Billy Graham?T.D. Jakes draws on extensive research, including interviews with numerous friends and colleagues of Jakes, to examine both Jakes's rise to prominence and proliferation of a faith industry bent on producing spiritual commodities for mass consumption. Lee frames Jakes and his success as a metaphor for changes in the Black Church and American Protestantism more broadly, looking at the ramifications of his rise-and the rise of similar preachers-for the way in which religion is practiced in this country, how social issues are confronted or ignored, and what is distinctly "American" about Jakes's emergence. While offering elements of biography, the work also seeks to shed light on important aspects of the contemporary American and African American religious experience.Lee contends that Jakes's widespread success symbolizes a religious realignment in which mainl

This book documents and analyses the differentiated control policies, the determinant factors behind, social resilience, and international relations during the pandemic from a comparative perspective in a facts-based, data-supporting manner. The intermittent outbreak of cases, public sentiments after long anxiety, questions over the efficacy of vaccines, have forced governments as well as the public to rethink differing approaches and policies in the combat against not just COVID, but the delta variant. In this context, this book establishes itself as a timely product, perhaps the first of its kind, to provide a widely covered individual country-based observation of policies, with an emphasis on multidimensional determinant factors behind the policies. A comparative study of social resilience during the pandemic constitutes another highlight of the book. The different policies tested social resilience differently in parameters such as mortality rates, vaccination coverage, social mobility, travel arrangements, trust in government, and general human development. Above and beyond observations and analyses at local and national levels, this book expands its scope to incorporate international relations, contemplating over the impacts of the pandemic on international relations, power shifts, and new world/global orders, crystallized in the indisputable rise of China.

Faith It 'Til You Make It WestBow Press

There are instructions set forth in the Word of God to teach men how to live a prosperous life. True prosperity is the ability to apply the power of God to meet any need spiritual, mental, and physical. In this book, Kenneth Copeland shares the revelation of spiritual laws that govern prosperity. The Laws of Prosperity is written to teach you how to apply these laws in your own life so that you can begin to enjoy the great, abundant life that only God can provide.

The NIV Application Commentary helps you communicate and apply biblical text effectively in today's context. To bring the ancient messages of the Bible into today's world, each passage is treated in three sections: Original Meaning. Concise exegesis to help readers understand the original meaning of the biblical text in its historical, literary, and cultural context. Bridging Contexts. A bridge between the world of the Bible and the world of today, built by discerning what is timeless in the timely pages of the Bible. Contemporary Significance. This section identifies comparable situations to those faced in the Bible and explores relevant application of the biblical messages. The author alerts the readers of problems they may encounter when seeking to apply the passage and helps them think through the issues involved. This unique, award-winning commentary is the ideal resource for today's preachers, teachers, and serious students of the Bible, giving them the tools, ideas, and insights they need to communicate God's Word with the same powerful impact it had when it was first written.

"This book explores the myriad ways that the WWE and Vince McMahon have shaped the opinions of their audience around issues of diversity and inclusion. The author critically analyzes what viewers are being taught by the messages that McMahon and the WWE craft about issues like race, gender, and sexuality"--

The Door Bloomsbury Publishing

The teaching of Kenyon, Hagin and Copeland that Jesus 'died spiritually' (JDS) is important because of the influence of these men, not least on Pentecostalism. This title states that adoption of JDS by Pentecostalism would be damaging in several respects, and thus draw the latter away from its moorings in traditional Christianity.

Tracing the evolution of political advertising from 1952 through 2016, Darrell M. West returns with his much anticipated Seventh Edition of *Air Wars: Television Advertising and Social Media in Election Campaigns, 1952-2016*. Integrating the latest data and key events from the 2016 campaigns—including the most provocative presidential campaign in recent decades and the surprising victory of Donald Trump—West provides in-depth examination and insight into how candidates plan and execute advertising and social media campaigns, how the media covers these campaigns, and how American voters are ultimately influenced by them. This new edition includes coverage of social media campaigning, nano-targeting strategies in a fragmented electorate, and thorough analysis of the 2016 presidential campaign. It examines the candidates' use of Twitter, concerns over falsehoods and deception, the impact of ads and debates on candidate perceptions, and the new risks to democratic elections brought about by these campaigns.

A timely exploration and discussion of the prosperity gospel movement

The Pillars of Prosperity Kregel Publications

Every child of God has been given a clear mandate to manifest and reveal the glory of God. But how can you manifest, when you are surrounded by mountains, which comes in forms of challenges, barriers, hindrances, strongholds, afflictions and a whole lot. Mountains cause pain, discomfort, obstruction and they hinder you from possessing and becoming all that God has ordained for you to become. However you have the ability to say no to that mountain and to move it out of your way. But to be able to move any mountain at all, you need to know and identify the exact mountain confronting you. In this book you would, * Learn and identify 30 different types of mountains and the various strategies to move them. * Learn the A B C of faith in order to consistently be a winner. * Learn how to walk in dominion and live a kingdom lifestyle here on earth. In the world of exploits, ignorance they say is no excuse and you need knowledge to drive away ignorance. Therefore catch the revelation in this book and be all that God has called you to be and that is TO MANIFEST HIS GLORY.

[Comparative Studies on Pandemic Control Policies and the Resilience of Society](#) Lulu Press, Inc

After reading this book, those who are truly seeking the kingdom of God and his righteousness will become God-conscious, Christ-centered, and Holy Spirit-focused, prioritizing the principles of the Kingdom of Heaven over the evil systems of the world. The reader can expect spiritual growth that leads to their understanding of the principles of the Kingdom, which will heighten their desire and passion to become a commissioned Kingdom-compliant servant leader. The reader will learn the wavelengths of Heaven and how to stay tuned-in to Heaven's frequency; they become God inside-minded, and they embark upon a new journey of living the principles of the Kingdom of Heaven on earth as a lifestyle; they prioritize the Word of God in any situation, consistently receive Holy Spirit rhema and revelation knowledge of the logos Word of God, and they become true disciples, Ambassadors of Jesus Christ who continue in the Word of God.

Just think...breakfast, your Bible, and a big word of encouragement and faith from Kenneth and Gloria Copeland every day of the year. You will grow *From Faith to Faith*.

Over the Edge Youth Devotional R. R. Bowker

'Blessed' offers a comprehensive history of the rise of the American prosperity gospel. What began as diverse metaphysical, pentecostal, and self-help conceptions about the power of the mind became one of the most influential popular religious movements of the last century. The book follows how the movement took shape after World War II in pentecostal healing revivals and exploded onto the national scene through televangelists with big hair and bigger promises. It survived the scandals of the late 1980s and remade its image as a therapeutic and effective theology of modern living. Now thriving in the 21st century megachurch movement, the prosperity gospel reigns as a full-fledged cultural phenomenon.
