May 3, 1913-a historic day in the history of Indian Cinema. India's first indigenous silent film Raja Harishchandra was released at the Coronation Cinema in Mumbai. This lay the foundation of what, in time, would grow to become the largest film-producing industry in the world. Spanning a wide range of decades, genres, and style, the Bollywood film culture in all its glory is a wonderful thing. Of the hundreds of great hits it has given, some have attained an aura of unparalleled respectability because, overtime, they continue to draw viewers in multitudes for weeks, months, and even years. Bless You Bollywood is an endeavor to pay tribute to the tallest among movie makers, artistes, composers, lyricists, and scriptwriters down the decades for contributing their extraordinary caliber to Bollywood.

Bless You Bollywood! Penguin UK

Even the most conservative women have a naughty side to them. To see it, you have to communicate and make them feel comfortable. Brandi Love can show you what women want to hear, and what to do to get them to go wild on you!

Sach Kahun Toh Random House India

Full of wit and delicious observations, Mrs Funnybones captures the life of the modern Indian woman a woman who organizes dinner each evening after having been at work all day, who runs her own life but has to listen to her mummyji, who worries about

her weight and the state of the country. Based on Twinkle Khanna's super-hit column, Mrs Funnybones marks the debut of one of our funniest, most original voices.

Hema Malini Shubham Srivastava

When a path is forged in blood, it is hard to find peace. The son of a penniless refugee from Lahore, Arjun Bhatia has worked his way up from being an arms smuggler in the badlands of Uttar Pradesh to the most influential power-broker in Delhi. But when the shadows of the past - of a friend he has lost forever and of a woman he can never be with - finally catch up to him, Arjun finds himself fighting the biggest battle of his life. For at stake is not just his iron hold over the government, but something even greater - his family...and his soul. Spanning five decades and two generations, Sultan of Delhi: Ascension is an explosive saga of ambition, greed, love and passion.

THE JEWISH BOOK OF HORROR Edited by Josh Schlossberg Horror is part of the human condition, but few peoples across the ages know it quite like the Jews. From slavery to pogroms to the Holocaust to antisemitism, the "Chosen People" have not only endured hell on Earth, they've risen above it to share their stories with the world. Whether it's pirate rabbis or demon-slaying Bible queens, concentration camp vampires or beloved, fearless bobbies, THE JEWISH BOOK OF HORROR offers you twenty-two dark tales about the culture, history, and folklore of the Jewish people. TABLE OF CONTENTS An Orchard of Terror: Scary Stories and the Jewish Tradition by Rabbi John Carrier Origins of The Jewish Book of Horror by Josh Schlossberg Torah-Fying Tales: An Introduction to Jewish Horror by Molly Adams On Seas of Blood and Salt by Richard Dansky The Last Plague by KD Casey The 38th Funeral by Marc Morgenstern Same as Yesterday by Alter S. 'If the ball's there, hit it. Don't worry about what might happen. Play for the glory. Play for the six' Chris Gayle is the only man to have ever hit a six off the first ball of a Test match. But then producing the impossible is an everyday act for the West Indies legend: the first man to smash an international T20 century, the first to hit a World Cup 200, the fastest century in the history of the game. He has hit twice as many T20 sixes as any other man and scored two Test triple centuries. All this is delivered with cricket's biggest bat and an even bigger smile. Off the pitch, millions follow him on Instagram and Twitter to catch a glimpse of a globe-trotting life spent in nightclubs as much as nets, hot-tubs as often as helmets and pads. He plays late, parties later, demolishes a king-size pile of pancakes and then strolls out to mangle another hapless bowling attack. But do we really know him? Do we know what took a shy, skinny kid from a cramped tin-roofed shack in the dusty back streets of Kingston, sharing a bed with three brothers and stealing empty bottles to buy food, to the very top of the cricket world - without losing himself along the way? Outrageous and utterly original, this unputdownable memoir will leave you reeling. Welcome to the world of the Six Machine.

**Liar** Rutgers University Press

Saudi Arabia is a wealthy and powerful country which wields influence in the West and across the Islamic world. Yet it remains a closed society. Its history in the twentieth century is dominated by the story of state formation. After the collapse of the Ottoman Empire, Ibn Sa'ud fought a long campaign to bring together a disparate people from across the Arabian peninsula. In 1932 the Kingdom of Saudi Arabia was born. Madawi al-Rasheed traces its extraordinary history from the age of emirates in the nineteenth century, through the 1990 Gulf War, to the present day. She fuses chronology with analysis, personal experience with oral histories, and draws on local and foreign documents to illuminate the social and cultural life of the Saudis. This is a rich and rewarding book which will be invaluable to students, and to all those trying to understand the enigma of Saudi Arabia.

Umrao Jan Ada Penguin UK

Why run after the West when we already have the best? Join Shilpa Shetty Kundra and Luke Coutinho as they tell you just how nutritious your locally grown and sourced ingredients are and that there's no need to look beyond borders to tailor the perfect diet. The book touches upon various food categories and not only tells you how to take care of your nutritional intake but also how to burn fat in the process. The combined experience of a professional nutritionist and an uber-fit celebrity who swears by the diet will open your eyes to why Indian food is the best in the world.

Six Machine Shanti Arts Publishing

Brings critical insights to the reality of porn and what it can tell us about ourselves sexually, culturally, and economically. Divided into two sections, this book covers important debates on the topic and traces the evolution of pornographic film, including comparing its development to that of Hollywood cinema.

**The Perils of Being Moderately Famous** Random House India

From the heart of a well-known family of Hyderabad to life in a single room with the barest of necessities, Shaukat Kaifi's memoir of her life with the renowned poet Kaifi Azmi speaks of love and commitment. A marriage of over a half a century, a life steeped in poetry and progressive politics, continuing involvement with the Indian People's Theatre Association, the Progressive Writers Association, Prithvi Theatre... all of these and more inform this

beautifully told tale of love. Shaukat Kaifi's writing details life in a communist commune, a long career in theatre and film and a life spent bringing up her two children, cinematographer Baba Azmi and actor Shabana Azmi. Nasreen Rehman's deft and fluent translation brings this luminous memoir alive with warmth and empathy. "To say that this is a lovely book would be an understatement. It is an enchanting recollection of the life of a hugely talented and sensitive human being, shared with a great poet." -- Amartya Sen. Published by Zubaan.

**The Swiss Family Robinson (HarperCollins Children's Classics)** Harper Collins

'Someone at this table has killed before, and someone at this table will kill again.' Nikhil Kapoor, Bollywood's biggest film director, made this shocking proclamation to his friends one night. Sameer Ali Khan, Bollywood's badshah, seethed with rage. Nyra Oberoi, film's queen-in-waiting, turned her face away. Ishan Malhotra, producer extraordinaire, laughed out loud, while Kiki Fernandez, dress designer to the stars, looked afraid. Two nights later, both Nikhil and his wife, leading actress Mallika Kapoor, were found dead. It is up to Senior Inspector Hoshiyar Khan to solve the puzzle.

**The Grammar of Untold Stories** Cambridge University Press

In Western countries, twenty-five percent of women and thirteen percent of men have been victims of sexual abuse by adults before they reach the age of seventeen. Their abusers were family members, loved ones, clergy and often esteemed members of the community. Over the course of eight years, Lorena Ros built close relationships with the survivors in this book. They shared their private world, recalling the traumatic experiences that took place many years ago. In many cases, survivors invited her to photograph the actual places where the abuse occurred; at other times she photographed elements that triggered their memories such as an object or a place that related to their childhood trauma. The circumstances of the abuse vary and the survivors are of different ages and come from many countries including Spain - Ros' homeland. Child sex-abuse is a crime without borders. A child's socio-economic status or cultural background offers no protection. Even though this abuse is so widespread, speaking about it remains a taboo in Western societies. There is a great deal of shame surrounding child sexual abuse and victims are silenced and often re-traumatized. What bonded these survivors to each other was shame and a conviction instilled in them by the perpetrator that what happened to them should never be spoken of ...

What is it like to be known as Mansoor Ali Khan Pataudi's daughter? Or to have a mother as famous as Sharmila Tagore? Or to be recognized as Saif Ali Khan's sister? Or as Kareena Kapoor's sister-in-law? And where do I stand among them? Actor Soha Ali Khan's debut book is at heart a brilliant collection of personal essays where she recounts with self-deprecating humour what it was like growing up in one of the most illustrious families of the country. With never before published photos from her family's archives, *The Perils of Being Moderately Famous* takes us through some of the most poignant moments of Soha's life-from growing up as a modern-day princess and her days at Balliol College to life as a celebrity in the times of social media culture and finding love in the most unlikely of places-all with refreshing candour and wit.

*Khullam Khulla* HarperCollins

One of the most enduring divas of Hindi cinema, a producer and director for films and television, dancer and choreographer par excellence, magazine editor, an active member of Parliament and now a singer, Hema Malini wears many hats with admirable ease.

No other industry name comes close to matching the breadth of her achievements. In an industry where the male star has traditionally driven the commercial success of films, Hema was an exception, with her name alone sufficing to ensure a film's box-office glory. She was, arguably, India's first female superstar. Apart from starring in mainstream super-hits like Johnny Mera Naam, Jugnu, Andaz, Seeta Aur Geeta, Sholay and, more recently, Baghban, she received critical acclaim for her performances in Lal Patthar, Khushboo, Kinara, Meera, Ek Chadar Maili Si and

Razia Sultan. But there is much more to her than just her Bollywood journey. From her efforts at reviving and sustaining classical dance to her graceful handling of her personal life and the controversies that have plagued her in her political avatar, from her relationships to her religious beliefs and her recent tryst with singing, Hema Malini: Beyond the Dream Girl covers it all. With detailed interviews and exclusive anecdotes from her family, friends and co-actors, this is an inside look at the remarkable life of one of our greatest cinema icons, someone who has truly lived life on her own terms.
