Letters of Samuel Taylor Coleridge Forgotten Books

Perfect for tween readers who enjoy mysteries and puzzles and books like Chasing Vermeer, this page-turning debut novel is filled with adventure, intrigue, and heart. After their father, a video-game inventor, strikes it rich, the Smithfork kids find they hate their new life. They move from their cozy Brooklyn neighborhood to a swanky apartment on Manhattan's Fifth Avenue. They have no friends, a nanny who takes the place of their parents, and a school year looming ahead that promises to be miserable. And then, one day, Brid, CJ, and Patrick discover an astonishing secret about their apartment: The original owner, the deceased multimillionaire Mr. Post, long ago turned the apartment itself into a giant puzzle containing a mysterious book and hidden panels—a puzzle that, with some luck, courage, and brainpower, will lead to discovering the Post family fortune. Unraveling the mystery causes them to race through today's New York City—and to uncover some long-hidden secrets of the past.

Back at the Christmas tree farm... Hanna Merrifield's childhood family home was once where everyone came to buy their Christmas trees on snowy evenings. Now Hanna has returned to save the farm... Standing in her way is blast-from-the-past Sam Chisholm. Hanna's first crush might have swapped his leathers for a well-cut suit, but he's as irresistible as ever--and he wants to buy her farm! Sparks still fly between the rebel and the good girl, but as they work together to turn the business around, something magical happens under the mistletoe...

The Iliad Of Homer. Translated by Mr. Pope Ayer Company Pub

Excerpt from A Latin-English Dictionary: For the Use of Junior Students Abridge From the Larger Work of White and Riddle As the suffix always forms the last portion of a word, and follows the hyphen in simple words and the last hyphen in compound words, it has not been thought necessary to repeat in any instance what it is, inasmuch as it is self-evident. Where no suffix is used, the fact will appear in the state ment given of the origin of the word. Such is the outline of the plan upon which the leading words in this work are printed; a plan which, it is confidently believed, will go far to render an acquaintance with the mode of formation, and the etymological meaning, of words in general, comparatively easy even to persons beginning to study the. Latin language. Should further insight into these matters be desired, it may be obtained from the work already mentioned Latin Suffixes. Much, also, will soon be procurable from the forthcoming Public Schools Latin Grammar, especially with regard to letter-changes, and the construction of the cases of nouns and of the perfect tenses and the supines of verbs. From an examination of that work, which has been courteously conceded to the author of this Dictionary, in common with certain others engaged in educational pursuits, he is enabled to speak of the effort to harmonize grammatical teaching in this country as being, in his judgment, most skilfully carried out, and likely to be hailed as a great boon by all who can appreciate the advantages that cannot but accrue from the general adoption of one standard Grammar for the primary instruction of youth. Achtung-Panzer! London : J. Murray

In a violent world with an increase of family violence there is also correlated an increase of school violence, substance abuse and sexual abuse. Like never before the schools are implementing changes for the children's learning dynamics through the computer and the internet. This little book provides a review of simple live dynamics that allow for children to think how to deal with challenges in a peaceful and more emphatic way, for the beginner there are too simple but for the experienced clinician and the teacher it is easy to modify this dynamics to the relationships and conflicts in the group as well as adjust the complexity of problem solving according to their developmental milestones. There are morals and values, but mostly an opportunity to unfold the journey to peaceful resolution of problems so we start preventing school violence before it becomes more destructive and harmful.

Edition 2013. Cet ouvrage, devenu célèbre sous son sigle MCSE, a déjà été utilisé par environ 200 000 personnes, étudiants, chercheurs, universitaires, ingénieurs... L'objectif est d'abord de lire et écrire des textes en anglais scientifique avec facilité et pertinence. L'ouvrage est conçu pour que l'apprenant devienne un véritable utilisateur de l'anglais. La méthode repose sur l'analyse des fonctions et structures nécessaires : measurement, frequency, comparison, modification, ink words, time, cause and consequence, hypothesis, modality, purpose and process, impersonal forms, compound nouns and adjectives. Dans chaque unit, des tests d'auto-évaluation permettent au lecteur de construire son parcours de formation. On peut définir ses objectifs à l'aide de key points et du lexis, en puisant dans les exemples in context, les checkpoints... MCSE est l'outil de base d'une méthode qui comprend un environnement numérique en développement permanent. C'est un "pap-ebook", c'est-à-dire qu'au livre est associé un site web en accès libre qui permet d'effectuer des exercices directement corrélés au livre (des exercices, un programme pour faire une évaluation réaliste de son niveau, des versions audio pour s'entraîner, un répétiteur lexical pour une révision du vocabulaire scientifique, etc.). D'autres outils sont également proposés pour mieux comprendre et mieux s'exprimer oralement. MCSE est la porte d'entrée de tout cet environnement.

The Great Bishop of Poitiers, Mgr. Pie, in his funeral Oration on our Father, Dom. Guéranger, said: "You have long been feasting at a royal board, where you were daily regaled with the most delicate and varied food. Those Conferences on the Christian Life and Virtues, and that incomparable Commentary on your Rule, - you have no right to keep them to yourselves." Aeterna Press

The Love Challenge

This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.
