An athletic prodigy, Pete resolved from his earliest playing days never to let anything get in the way of his love for the game. But while this determination led to tennis domination,

success didn't come without a price. Here for the first time Pete speaks freely about the personal trials he faced—including the death of a longtime coach and confidant—and the struggles he gutted his way through while being seemingly on top of the world. Among the book's most riveting scenes are the devastating early loss that led Pete to make a monastic commitment to the game; fierce on-court battles with Andre Agassi; and the triumphant last match of Pete's career at the finals of the 2002 U.S. Open. "A thoroughly compelling read that really probes the hard drive of a champion...All the emotion and insight that Sampras seems reluctant to express

in the pond than playing dress-up with the other girls in third grade. So when her teacher casts Marty as the princess in the class play, Marty's absolutely, positively sure that there's been a huge mistake. But after a special lesson in the art of improvisation, Marty comes up with her OWN plan to IMPROVE the play: Why use stuffed-animal frog onstage when a live one would be so much better? In the end, Marty's one-of-a-kind performance makes for an unforgettable show. Maybe Marty CAN live happily ever after, after all!

 Evangelization,
 contrary to what many

people believe, is not just a Protestant concern; in fact, writes Robert Rivers, it is Catholic to the core. In this practical, approachable work he suggests that the Catholic parish is a wonderful setting to carry out the evangelizing work of the church. He makes the case that evangelization holds the key to the future of the church because it was in fact the centerpiece of post-Vatican Council reform. Drawing from the USCCB document "Go and Make Disciples, which offers a comprehensive plan and strategy for evangelization, he explores ways to challenge us to become Catholic evangelizers. And he proposes ways to move

from maintenance to mission-oriented parishes. "My purpose," affirms the author, "is to try to place before the reader a compelling vision of Catholic evangelization and share some strategic thinking that might enable us to implement the great vision to which we have been called." He attains that goal convincingly, practically, and hopefully.

Onalaska is a city in La Crosse County, Wisconsin. Onalaska is built on a slightly elevated ridge above the Black River.

Natural areas include both river bottom land and high, heavily wooded, scenic bluffs. A man-made reservoir at the city's western

edge is known as Lake Onalaska. Onalaska is known as "The Sunfish Capital of the World."

The original village (now city) was platted by Thomas G. Rowe (New York) and John C. Laird (Pennsylvania) in 1851. In its early days, lumbering and related industries served as a basis for its economy. The name for the city comes from the poem, "The Pleasures of Hope", by the Scottish poet Thomas

Campbell. The original spelling of the name in Campbell's poem was "Oonalaska" (an Aleutian island and fishing village).

The story of Cinderella is transported to snowy Russia in Jan Brett's lavish style. One magical night, Cinders, the most picked upon hen in the flock, becomes the most loved by Prince Cockerel when she arrives at his ball looking so beautiful that even her bossy sisters don't recognize her. Jan travelled to Russia and readers will be in awe of the Ice Palace aglow under a deep blue moonlit sky, exquisite ball gowns on the comely pullets, uniforms with gold

braids and buttons on the cockerels, striking Russian architecture transformed into ice in the borders, and a very funny flock of chickens who provide an appealing, original look at this snowy Cinderella. Readers will find these dressed up chickens comical as they pour over the extravagant setting, including a "WOW"-inducing double gatefold of chicken couples whirling around the ballroom. A feast for the eyes that is sure to become a perennial favorite. Herman Klaber 'King of Hops' Open Court Publishing

Emmy Award-winning ABC News chief national correspondent and Nightline coanchor, Byron Pitts shares the heartbreaking and inspiring stories of six young people who overcame impossible circumstances with extraordinary perseverance. Abuse. Bullying. War. Drug

Addiction. Mental Illness. Violence. None of these should be realities for anyone, much less a young person. But for some it is the only reality they have ever known. In these dark circumstances, six teens needed someone to "be the one" for them—the hero to help them back into the light. For Tania, Mason, Pappy, Michaela, Ryan, and Tyton, that hero was themselves. Through stirring interviews and his award-winning storytelling, Byron Pitts brings the struggles and triumphs of these everyday heroes to teens just like them, encouraging all of us to be the source of inspiration in our own lives and to appreciate the lives of others around us.
