Forgotten Books

Excerpt from The Tragedy of Romeo and Juliet Q 1 differs so considerably, and in so many minute details, from the received text, that the variations can not be rightly exhibited

in notes; it must be read in its entirety, and happily it is easily accessible in the facsimile by Praetorius, in Mommsen's reprint, in the Caizoria'ge S/zalzespeare, in Furness, and (with most advantage for the student) in the New Shakspere Society's reprint of Parallel Texts of t/ze First T zoo Quartos, admirably edited by Mr. Daniel. Such readings as have been adopted from Q I into the text of modern editors have a Special claim to attention; these I have, with few exceptions, recorded, and have added in notes and in Appendix I. Several lines and passages differing from the received text in a way which can hardly be accounted for by errors of the printer or reporter. In these, or in

some of these, we probably find work of Shakespeare discarded in his revision of the play. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. successfully; any imperfections that remain are intentionally left to preserve the state of such historical works. *The Tragedy of Romeo and Juliet (Classic Reprint)* Teacher Created Materials Presents an adaptation of Shakespeare's "Romeo and Juliet," with tips for performing. [With Preface, Glossary &c](#) BoD - Books on Demand About the play: Romeo and Juliet is a tragedy written by William Shakespeare early in his career about two young star-crossed lovers whose deaths ultimately reconcile their feuding families. It was among Shakespeare's most popular plays during his lifetime and, along with Hamlet, is one of

his most frequently performed plays. Today, the title characters are regarded as archetypal young lovers. Romeo and Juliet belongs to a tradition of tragic romances stretching back to antiquity. Its plot is based on an Italian tale, translated into verse as *The Tragical History of Romeus and Juliet* by Arthur Brooke in 1562 and retold in prose in *Palace of Pleasure* by William Painter in 1567. Shakespeare borrowed heavily from both but, to expand the plot, developed supporting characters, particularly Mercutio and Paris. Believed to have been written between 1591 and 1595, the play was first published in a quarto version in 1597. This text was of poor

quality, and later editions corrected it, bringing it more in line with Shakespeare's original. Shakespeare's use of his poetic dramatic structure, especially effects such as switching between comedy and tragedy to heighten tension, his expansion of minor characters, and his use of sub-plots to embellish the story, has been praised as an early sign of his dramatic skill. The play ascribes different poetic forms to different characters, sometimes changing the form as the character develops. Romeo, for example, grows more adept at the sonnet over the course of the play. About the Author: Arguably the greatest English-language playwright, William

Shakespeare was a seventeenth-century writer and dramatist, and is known as the Bard of Avon. Under the patronage of Queen Elizabeth I, he penned more than 30 plays, 154 sonnets, and numerous narrative poems and short verses. Equally accomplished in histories, tragedies, comedy, and romance, Shakespeare's most famous works include *Romeo and Juliet*, *Hamlet*, *Macbeth*, *King Lear*, *The Taming of the Shrew*, and *As You Like It*. Like many of his contemporaries, including Christopher Marlowe, Shakespeare began his career on the stage, eventually rising to become part-owner of Lord Chamberlain's Men, a popular dramatic company of his day,

and of the storied Globe Theatre in London. Extremely popular in his lifetime, Shakespeare's works continue to resonate more than three hundred years after his death. His plays are performed more often than any other playwright's, have been translated into every major language in the world, and are studied widely by scholars and students. Romeo and Juliet SparkNotes

Literature Guide

Lorenz Educational Press

Romeo and Juliet is another tragedy written by renowned British author and dramatist William Shakespeare. The number of tragedies under this author's belt are numerous, some

remarkable ones are: Macbeth, Hamlet, Romeo and Juliet, etc. A perfectly blended story consisting of superbly laid down characters made this tragedy one of the most remarkable works of all time with hundred of plays and cinematography (films) made on it. Romeo and Juliet portrays two young persons, named Romeo and Juliet, who fell in love however were belonging to feuding families. The reconciliation between the families however came in rather evil form of death of the star-crossed lovers, Romeo and Juliet. Romeo and Juliet is also known for the perfecting embellishment done by the remarkable dramatist William Shakespeare in the

form of sub plots. The heat of the story is further escalated with a series of up and downs and scenes of comedy and tragedy. All in all the fiction is very well perceived all around the world and has been taken up in academics too.

Shakespeare's Tragedy of Romeo and Juliet

Lulu.com

By this edition of HAMLET I hope to help the student of Shakspeare to understand the play- and first of all Hamlet himself, whose spiritual and moral nature are the real material of the tragedy, to which every other interest of the play is subservient. But while mainly attempting, from the words and behaviour Shakspeare has given him, to explain the man, I have cast what

light I could upon everything in the play, including the perplexities arising from extreme condensation of meaning, figure, and expression. As it is more than desirable that the student should know when he is reading the most approximate presentation accessible of what Shakspeare uttered, and when that which modern editors have, with reason good or bad, often not without presumption, substituted for that which they received, I have given the text, letter for letter, point for point, of the First Folio, with the variations of the Second Quarto in the margin and at the foot of the page.

In Romeo and Juliet, Shakespeare creates a violent world, in which two young people fall in love. It is not simply that their families disapprove; the Montagues and the Capulets are engaged in a blood feud. In this death-filled setting, the movement from love at first sight to the lovers' final union in death

seems almost inevitable. And yet, this play set in an extraordinary world has become the quintessential story of young love. In part because of its exquisite language, it is easy to respond as if it were about all young lovers. The authoritative edition of Romeo and Juliet from The Folger Shakespeare Library, the trusted and widely used Shakespeare series for students and general readers, includes: -Freshly edited text based on the best early printed version of the play - Newly revised explanatory notes conveniently placed on pages facing the text of the play - Scene-by-scene plot summaries - A key to the play's famous lines and

phrases-An introduction to reading Shakespeare's language-An essay by a leading Shakespeare scholar providing a modern perspective on the play-Fresh images from the Folger Shakespeare Library's vast holdings of rare books-An up-to-date annotated guide to further reading

The Most Excellent and Lamentable Tragedy of Romeo and Juliet

SparkNotes
Romeo and Juliet is a tragedy written by William Shakespeare early in his career about two young star-crossed lovers whose deaths ultimately reconcile their feuding families. It was among Shakespeare's most popular plays during his lifetime and, along with Hamlet, is one of his most frequently performed plays.

Today, the title characters are regarded as archetypal young lovers. Romeo and Juliet belongs to a tradition of tragic romances stretching back to antiquity. The plot is based on an

Italian tale translated into verse as *The Tragical History of Romeus and Juliet* by Arthur Brooke in 1562 and retold in prose in *Palace of Pleasure* by William Painter in 1567. Shakespeare borrowed heavily from both but expanded the plot by developing a number of supporting characters, particularly Mercutio and Paris. Believed to have been written between 1591 and 1595, the play was first published in a quarto version in 1597. The text of the first quarto version was of poor quality, however, and later editions corrected the text to conform more closely with Shakespeare's original.

play, margin notes, and a collection of related readings to make Shakespeare relevant for today's students.

The Tragedy of Romeo and Juliet

Set during five of the most intensely dramatic days ever portrayed, *ROMEO AND JULIET* was probably written in 1594 or 1595, and first published in a 1597 edition, as transcribed by actors who had performed it. Other editions appeared later, but even the more authoritative versions, such as that of 1599--probably drawn from Shakespeare's own manuscript copies--lack the detailed stage directions present in the actors' transcription; thus, modern editions

incorporate several sources. ROMEO AND JULIET is among the most oft performed of Shakespeare's works, and it has been among the most beloved since its earliest days on the stage. Though the title page of the 1597 edition declares that ROMEO AND JULIET had been performed and enjoyed many times prior to its publication, the first extant direct record of the events of a production refer to a 1662 staging, in which the play was probably adapted or altered--adaption was particularly popular in the 17th century. One London stage ran different conclusions on alternative nights; audiences who went home glum on Friday could be uplifted by the play's ending if

they returned on Saturday night. The story of ROMEO AND JULIET was derived by Shakespeare from many sources. The version most contemporary to his own was the 1562 poem "The Tragical History of Romeus and Juliet" by Arthur Brooke, which itself was an adaptation of a French piece by Pierre Boaistuau, which Boaistuau had adapted from the Italian. Indeed, aspects of the tragic story have recurred throughout Western literature since at least the third century. Shakespeare greatly intensified the pace by compressing a piece which had unfolded over the course of several months into the space of five days--a period in which much transpires

at daybreak, including the famous balcony scene where Romeo declares, "But soft, what light through yonder window breaks?/It is the east, and Juliet is the sun." Romeo is forced to approach Juliet in secret because of the impassioned rivalry between his family, the Montagues--and Juliet's, the Capulets. Despite the intensity of

their family's mutual disdain, the young lovers strive to marry. However, fate intervenes to keep them apart, and, when the Montagues and Capulets discover the folly of their ways, it's too late for Romeo and Juliet
