Metaphors are a vital linguistic component of religious speech and serve as a cultural indicator of how groups understand themselves and the world. The essays compiled in this volume analyze the use, function, and structure of metaphors in Jewish writings from the Hellenistic-Roman period (including the works of Philo and the texts of Qumran), as well as in apocryphal early Christian texts and inscriptions.

Kurtzer Entwurff der politischen Klugheit, sich selbst und andern in allen menschlichen Gesellschaften wohl zu

rathen, und zu einer gescheiden Conduite zu gelangen. ... Aus dem Lateinischen des Herrn Thomasii übersetzt, etc BRILL

First published in 2002. Volume 1 of the Text on the Notebooks of Samuel Taylor Coleridge, spanning from 1794 to 1804. The volume is in two parts, text and notes. During his adult life until his death in 1834, Coleridge made entries in more than sixty notebooks. Neither commonplace books nor diaries, but something of both, they contain notes on literary, theological, philosophical, scientific, social and psychological matters, plans for and fragments of works and many other items of great interest. Shortly after World War II, Kathleen Coburn, formerly of Victoria College in Toronto, rediscovered this great collection of unpublished manuscripts. With the support of the Coleridge estate, she embarked on a career of editing and publishing these volumes and was awarded with many honours for her work, including: a Leverhulme Award (1948), a Guggenheim Fellowship (1953), a Fellowship in the Royal Society of Canada (1958), the Order of Canada (1974) and an honorary doctorate from

her own university. Originally projected as a five volume set (each volume consisting of a book of text and a book of notes).

Handwörterbuch für den historischen und doctrinellen Religionsunterricht ... bearbeitet von einem Lehrer-Vereine und herausgegeben von L. C. Schmerbach

BoD - Books on Demand

The papers collected in this volume address a series of fundamental issues within the current debate on Biblical Theology. They deal with such topics as the biblical concept of revelation, the theology of creation, and the interpretation of the Old Testament in New Testament writings.
