HARRY LAYLAH

Blood River Sourcebooks, Inc.
 Nora Roberts, the #1 New York Times bestselling author of the epic Year One returns with *Of Blood and Bone*, a new tale of terror and magick in a brand new world. They look like an everyday family living an ordinary life. But beyond the edges of this peaceful farm, unimaginable forces of light and dark have been unleashed. Fallon Swift, approaching her thirteenth birthday, barely knows the world that existed before—the city where her parents lived, now in ruins and reclaimed by nature since the Doom sickened and killed billions. Traveling anywhere is a danger, as vicious gangs of Raiders and fanatics called Purity Warriors search for their next victim. Those like Fallon, in possession of gifts, are hunted—and the time is coming when her true nature, her identity as The One, can no longer be hidden. In a mysterious shelter in the forest, her training is about to begin under the guidance of Mallick, whose skills have been honed over centuries.

She will learn the old ways of healing; study and spar; encounter faeries and elves and shifters; and find powers within herself she never imagined. And when the time is right, she will take up the sword, and fight. For until she grows into the woman she was born to be, the world outside will never be whole again.

The Dark Arts of Blood iUniverse

Forged in the Fallout Prometheus Books
 Brisbane 1999. It's hot. Stormy.
 Dangerous. The waters of the Brisbane
 River are rising. The rains won't stop.
 People's nerves are on edge. And then...
 A body is found. And then another. And
 another. A string of seemingly ritualized
 but gruesome murders. All the victims
 are men. Affluent. Guys with nice
 houses, wives and kids at private
 schools. All have had their throats cut.
 Tabloid headlines shout, THE VAMPIRE
 KILLER STRIKES AGAIN! Detective
 Sergeant Lara Ocean knows the look.
 The 'my-life-will-never-be-the-same-
 again look'. She's seen it too many times
 on too many faces. Telling a wife her
 husband won't be coming home. Ever
 again. Telling her the brutal way he was
 murdered. That's a look you never get
 used to. Telling a mother you need her

daughter to come to the station for
 questioning. That's another look she
 doesn't want to see again. And looking
 into the eyes of a killer, yet doubting
 you've got it right. That's the worst look
 of all - the one you see in the mirror. Get
 it right, you're a hero and the city is a
 safer place. Get it wrong and you
 destroy a life. And a killer remains free.
 Twenty years down the track, Lara
 Ocean will know the truth.

**Dark Side of The Ocean: 47 Book
 Collection (Pirate Novels, Treasure-
 Hunt Tales & Sea Stories)** Kathryn
 Meyer Griffith

Fans of The Witcher and Ilona Andrews
 will love this epic tale of adventure and
 romance by award-winning author Isabel
 Cooper. A century ago, the Traitor God's
 fury left the world broken by violent
 storms and twisted monsters born of
 darkness and death. Now those storms
 are sweeping across the continent again
 and it will take everything the armies of
 man can muster to survive. As a sworn
 knight, Olvir is prepared to do his
 part—even if that means journeying
 deep into the magic-tainted Battlefield to
 face the enemy alone. Sentinel Vivian
 Bathari has lost too much to allow her
 closest friend to make such a sacrifice
 alone. Besides, there are whispers that
 Olvir's strange new powers are somehow
 connected to the Traitor God, and she'd
 rather be by his side should the worst
 occur. But as they travel deep into the
 heart of danger, their growing attraction
 burns into mutual desire, and the true
 depth of Olvir's connection to the evil
 haunting their world is made clear. In the
 end, Vivian will have to decide what
 she's willing to sacrifice to save their
 world...and the man she loves. "The mix
 of hard-headed realism and fantasy in
 this novel is enchanting."—Eloisa James

Bodyguard Of Lightning Balram

Clayson Spangler navigates the wreckage of a strange underground world threatened by nuclear magic and his family's secrets. I turned fourteen a couple of days ago—maybe. Dad keeps the exact date under a mountain of secrets. On a tranquil evening in the Appalachians, my solitary life crashes into Dad's impossible past: a kingdom under the Rocky Mountains; his wife enchanted to forget her own son; strange metal objects filled with magic; and Dad's most dangerous secret—mithrium—a metal strong enough to level cities. Now, Dad is on the run, Mom is on trial for treason, and I'm ordered to hide in the last remaining safehold—Tungsten City. To stay out of danger, I'll need help from my new mentor, Rugnus, a master of the elements, and Andalynn, the sister Dad kept hidden from me. After years of secrets, I won't stand by as a world of enemies—both known and unknown—threatens to eradicate my family and ignite a war between the last two cities deep under the Rockies in the Kingdom of Rimduum. Don't let this shimmering world of neon stay only in your dreams. Order now to enter this immersive world!

Blood and Iron Fawcett

USMC Camp Pendleton, 1951. Jackson Joseph MacKenzie, a seventeen-year-old with a calling, enlists in the US Army. He finds himself hip-deep in the muddy trenches, machine gun nests, human wave attacks, and artillery barrages in the Korean War. Does he have the resiliency to keep moving toward his dream after watching his friends die? Is he a leader or a follower? Will he fold under pressure? Or rise to the top?

Questions he must answer before reaching for that coveted prize, an appointment to West Point.

In the Shadow of Lightning Page Publishing Inc

Where a unique fantasy series began! A fast moving, action packed epic that for the first time tells the story of fantasy's traditional enemy, giving orcs their own motives, heroes and destiny. An epic quest that takes orc warband leader Stryke and his warriors on a journey to secure five artifacts of power with which they hope they can buy their freedom but which actually hold the key to everything and the explanation for the sudden incursion of mankind into the world of the elder races, an incursion that is leeching the magic out of the land of Maras-Dantia.

Xlibris Corporation

Blood runs cold--especially in this family. Thanks to a newfound connection with his natural father, librarian Jordan Potet is suddenly a member of a rich Texas dynasty. But a series of poison-pen letters warns him to stay away from the Goertz family reunion on a Gulf Coast island. He soon wishes he had, because his new kinfolk--four generations of them--are hiding secrets deep and dark enough to taint an entire bloodline. And an unexpected death makes it chillingly clear that the anonymous hate mail directed at Jordan isn't a joke. Ghosts of the violent past are walking. A murderer is on the move. And a terrible unfolding of tragedy has begun that will spare no one--not even Jordan himself. . . .

Of Blood and Sacrifice Simon and Schuster

The mysterious youth had a slim chance of survival. Killing the black dragon, forming a spirit monkey, eating the spirit fruit by mistake, all of this greatly increased his strength. From then on, he would tread on a path that defied the heavens! Since there is no path to heaven and earth, I shall kill the heavens and destroy the earth, and restore the true face of the world ... Immortals and

Buddha are merciless. If I were to continue on the path of ruthlessness, I will not take the normal path. I will destroy the Heavenly Dreams in the Sacred Diagram ...

A Beautiful Evil e-artnow

A dying Faithful World. An unstoppable Plague. One hope to save the galaxy. After Grand Master Garro finds the location of the Mistress of Blood, the sole person who knows the location of the Devourer, he must travel to the Faithful world of Fides to find her. However, when Garro learns an Undead plague has corrupted the world, but no one knows why. He must fight plague, Faith and the Inquisition to learn the truth and find his target. But can Garro stop the apocalyptic threat before it consumes the galaxy? But who's hunting who? Yet nothing is as it seems, and the journey's end will change the galaxy forever! BUY NOW TO EXPERIENCE THIS EPIC SCI-FI FANTASY ADVENTURE! If you enjoy science fiction for adults and fantasy adventure series, then these books are for you. The starting point of this fantasy and science fiction storyline is Garro: Heresy.

Dance of Blood e-artnow

The culmination of years of fieldwork in southern Malawi, *River of Blood* reconstructs the beginnings of the Mbona martyr cult, follows its history to the present day, and reveals the fascinating intersections of an indigenous belief system with European Christianity. In the cult of Mbona, the central African mythology of the snake that is beheaded to make the rains come has been combined with a more spiritual

interpretation: the snake has been transformed into a human martyr and redeemer. According to the cult, the rainmaker Mbona was tracked down by his enemies; they cut off his head, and his blood formed the River of Blood. Mbona returned as a storm wind and asked that a shrine be dedicated in his name. J. Matthew Schoffeleers recounts how the Portuguese presence in Zambezia in the period 1590-1622 led to more than three decades of internecine warfare and caused the people of southern Malawi tremendous suffering. In response to this political oppression and social upheaval, Schoffeleers shows, the people looked to Mbona, their "black Jesus," for redemption. Beyond reconstructing the cult's genesis, Schoffeleers traces its recent history, particularly in political context. He provides texts of seven cult myths from different historical periods in both Chimang'anja and English. His analysis presents the Mbona myth as a continuous social construction and deconstruction. Emphasizing the impact of political and spiritual oppression on the cult, he distinguishes between the differing versions of the myth preserved by the aristocracy and by the commonalty and demonstrates how these disparate views unite to preserve historical information. In so doing, he shows that cults serve as valuable repositories for historical information.

Rhianon - Princess of Fire Macmillan
It was a time before time, a time before creation, before the physical realms came to be, when all was immaterial and light and darkness, which was the abyss worked together. The abyss knew its place for The Great Light had created it to disperse of all of the unwanted words of creation. Out of the depths of the abyss spiraled great lights, here all of

creation abound and all was light, within the light was harmony and peace and man dwelled within this light, himself made from the light. So it was the beginning, play and work was a labor of love for the lights that dwelled within it, they danced to and fro laboring always spinning new creation of lights from the nothingness, weaving new worlds and capturing the imagination of The Great Lights and all around them, time stood still. The Great Light saw the minute subtleties and miniscule changes, which the lesser lights did not see in the mediums or maybe choose to ignore as they were the workers of this magnificent enterprise, this venture of eternity and they depended on The Great Light for all sustenance and protection. They could not fail for they dwell within the one, who is omnipotent; who would never let fear overcome them, which they could not even imagine at this time for fear was unbeknownst to them. The lesser emotions, hatred, anger, envy and many more had not yet infected the minds of these beings, and time, not known was as well. Death was nonexistent for The Great Light had not given it a thought. He was all and they were all within him and so life churned, multiplying and fusing its great powers within the depths of The Great Light and creation hummed as they populated the great abyss and life as they knew it expanded, occupying the darkness growing in comparison to the chasm, and the dark chasm groaned in agony. Millions were born in a measurement of time that did not exist, only to join with each other, where two became one, thus forming the newly created smaller beings lights.

Thieves' World: First Blood Oxford University Press, USA

A centuries-long stalemate endures over

possession of a sentient world. In one corner, a dwindling cabal of shamans holds onto a desperate defence; in the other, a colony of aliens try to control a bio-engineering experiment run amok. In the middle stands a youth who has been genetically altered to 'Shape' the elemental powers. Yet if Tokela claims his power, it will make of him an outcast, a catalyst--and a weapon. The stalemate is about to break...

The Greatest Maritime Novels, Pirate Stories & Treasure-Hunt Tales DigiCat

In 1920s Switzerland, vampire lovers Charlotte and Karl are drawn into turmoil as Godric Reiniger, a local filmmaker and activist with sinister ambitions, begins his rise to power. Meanwhile, fiery dancer Emil achieves his dream to partner the legendary ballerina and vampire Violette Lenoir - until his forbidden desire for her becomes an obsession. Rejected, spiralling towards madness, he seeks solace with a mysterious beauty, Fadiya. But she too is a vampire, with a hidden agenda. When Karl and Charlotte undertake the perilous journey to rescue Emil, they unearth secrets that threaten the very existence of vampire-kind.

Blood Warrior Hachette UK

A unique approach to the history of science using do-it-yourself experiments along with brief historical profiles to demonstrate how the ancient alchemists stumbled upon the science of chemistry.

Be the alchemist! Explore the legend of alchemy with the science of chemistry. Enjoy over twenty hands-on demonstrations of alchemical reactions. In this exploration of the ancient art of alchemy, three veteran chemists show that the alchemists' quest involved real science and they recount fascinating stories of the sages who performed these strange experiments. Why waste more words on this weird deviation in the evolution of chemistry? As the authors show, the writings of medieval alchemists may seem like the ravings of brain-addled fools, but there is more to the story than that. Recent scholarship has shown that some seemingly nonsensical mysticism is, in fact, decipherable code, and Western European alchemists functioned from a firmer theoretical foundation than previously thought. They had a guiding principle, based on experience: separate and purify materials by fire and reconstitute them into products, including, of course, gold and the universal elixir, the Philosophers' stone. Their efforts were not in vain: by trial, by error, by design, and by persistence, the alchemists discovered acids, alkalis, alcohols, salts, and exquisite, powerful, and vibrant reactions--which can be reproduced using common products, minerals, metals, and salts. So gather your vats and stoke your fires! Get ready to make burning waters, peacocks' tails, Philosophers' stone, and, of course, gold!
