Meet the Melendys! The four Melendy children live with their father and Cuffy, their beloved housekeeper, in a worn but comfortable brownstone in New York City. There's thirteen-year-old Mona, who has decided to become an actress; twelve-year-old mischievous Rush; ten-and-a-half-year-old Randy, who loves to dance and paint; and thoughtful Oliver, who is just six. Tired of wasting Saturdays doing nothing but wishing for larger allowances, the four Melendys jump at Randy's idea to start the Independent Saturday Afternoon Adventure Club (I.S.A.A.C.). If they pool their resources and take turns spending the whole amount, they can each have at least one memorable Saturday afternoon of their own. Before long, I.S.A.A.C. is in operation and every Saturday is definitely one to remember. Written more than half a century ago, *The Saturdays* unfolds with all the ripe details of a specific place and period but remains, just the same, a winning, timeless tale. *The Saturdays* is the first installment of Enright's Melendy Quartet, an engaging and warm series about the close-knit Melendy family and their surprising adventures.

When young Gary Robertson moved from the old tenements to an almost brand new housing scheme in the early 1970s, it was the start of a very big adventure. In the skeems, you could roam from morning to night and get up to all sorts - provided you obeyed the rules of the street (and your parents if they saw you). As a training ground for life it was second to none but there was plenty to learn. There was money to be made on the lemonade bottles and the berries each summer - provided you knew the tricks of the trade. There were games to be played, from Backie Hopping to Scubby Queen, gangs to be avoided and football, music and lassies to get to grips with - or not - at the Clubbie. Irreverent and funny, *Skeem Life* is set against a backdrop of the tough housing schemes of 1970s Dundee. It was Britain in the time of the three-day week and the OPEC oil crisis but it was a journey full of excitement, adventure and youthful dreams.

Now an Emmy-nominated film streaming on Netflix! Pulitzer Prize recipient Frank McCourt shares the story of his mother's childhood Christmas in this tender and heartwarming picture book, previously published as *Angela and the Baby Jesus*. Angela is six-years-old and worries for the baby Jesus on the altar of St. Joseph's church in Limerick. December nights are damp and cold, and the church is dark at night. How can the baby Jesus' mother leave him in the manger without even a blanket to cover him? The baby Jesus surely needs Angela's help, even if she is not allowed to go on the altar, especially by herself. Filled with the characters, incident, and detail that have made Frank McCourt internationally renowned and beloved, *Angela's Christmas* is a timeless story of real life—in all of its joy, innocence, and incongruity. A story for all generations to enjoy and cherish.

Some girls get giddy over a new pair of shoes. Marian Parsons gets giddy over room makeovers. With a lot of ingenuity, a little bit of effort, and a tight budget, she has transformed her home into a beautiful space and filled her heart with a lot more contentment. Thousands have found inspiration at Marian's blog, missmustardseed.com, and now she shares dozens of new projects, ideas, and DIY adventures in the pages of *Inspired You*. Marian will remind you that homes don't have to be magazine material to be special, comfortable, and inviting. The goal you're working toward is home. Not a perfect home. Not an "impress the neighbors" home. Just home—one whose walls and rooms tell the story of the family who lives there. Beautiful homes start with inspiration and a willingness to try. So uncover your God-given creativity. Be encouraged, be willing, and be inspired.

Things to Look Forward To Feiwel & Friends

A celebration of the liberating power of consciousness—a triumphant book that lets us witness an indomitable spirit and share in the pure joy of its own survival. In 1995, Jean-Dominique Bauby was the editor-in-chief of *French Elle*, the father of two young children, a 44-year-old man known and loved for his wit, his style, and his impassioned approach to life. By the end of the year he was also the victim of a rare kind of stroke to the brainstem. After 20 days in a coma, Bauby awoke into a body which had all but stopped working: only his left eye functioned, allowing him to see and, by blinking it, to make clear that his mind was unimpaired. Almost miraculously, he was soon able to express himself in the richest detail: dictating a word at a time, blinking to select each letter as the alphabet was recited to him slowly, over and over again. In the same way, he was able eventually to compose this extraordinary book. By turns wistful, mischievous, angry, and witty, Bauby bears

witness to his determination to live as fully in his mind as he had been able to do in his body. He explains the joy, and deep sadness, of seeing his children and of hearing his aged father's voice on the phone. In magical sequences, he imagines traveling to other places and times and of lying next to the woman he loves. Fed only intravenously, he imagines preparing and tasting the full flavor of delectable dishes. Again and again he returns to an "inexhaustible reservoir of sensations," keeping in touch with himself and the life around him. Jean-Dominique Bauby died two days after the French publication of *The Diving Bell and the Butterfly*. This book is a lasting testament to his life.

Everyone needs things to look forward to: big things and small things, on good days and on bad days, whether we actively create delight for ourselves or simply allow it to enter our lives. In these pages, beloved author and illustrator Sophie Blackall has gathered a collection of joys for all of us - reminders that every day the sun comes up and new babies are born. She includes suggestions that you bake muffins for a friend, or draw a face on an egg and put it in the fridge where it will smile at you each time you open the door. With wisdom, whimsy, and compassion, the 52 illustrated ideas in this book offer moments of uplift and serendipity for yourself and your loved ones. A message of hope and solace in hard times and of joyful anticipation at times of new beginnings - whether you're grieving a loss or starting a new chapter - and for all the days in between - THINGS TO LOOK FORWARD TO is full of gentle reminders of the objects, occasions, gestures, and ideas that warm our hearts. There is always something bright on the horizon, and sometimes that horizon can be a lot closer than we think.

The Butthole Surfers remain one of the most enigmatic bands in the history of rock music. Most of their records have no information of any kind, and often with the suggestion that you play them at 69 rpm.... They lived like nomads through much of the 1980s, and built their reputation upon tours that never ended, and shows that resembled hedonistic acid tests. They left a heap of former band members in their wake, and have often alienated as many fans as they've attracted. Here for the first time is the complete story of one of the most controversial and dangerous bands to have emerged from the ashes of the punk rock movement. 'Let's Go to Hell' compiles the scattered memories into the first comprehensive overview of the band. Featuring exclusive interviews, tons of rare and unpublished photographs, and analysis of the band's vast recorded (and unrecorded) efforts, 'Let's Go to Hell' finally tells the story that was thought (and often hoped) would never be told...

Just like snowflakes, no two sisters are alike, but together, they can share the perfect snow day. Siblings, snow-bunnies, and fans of the Frozen movies will all find something to love in *Snow Sisters!* When snowflakes fall, two sisters react in different ways. One is excited and the other is wary. The first sister spends the morning outdoors, playing until she's all tuckered out. Meanwhile, the second sister stays indoors, becoming ever more curious about the drifts outside. Soon, they switch places, and spend the second half of the day retracing each other's footsteps. But each sister puts her own unique spin on activities like sledding, baking and building. The simple mirrored text is spare and lovely, and each spread is split to show what each sister is doing independently--until at last they

come together in the sweet, satisfying conclusion. LeUyen Pham's Big Sister, Little Sister meets Kate

Messner's Over and Under the Snow. "Chock-full of ideas for fun on a snowy day . . . A nice addition to sibling shelves that shows that fun can also be had apart." --Kirkus Reviews
