(1906—2001) witnessed
nearly a century of
change in his native India
and captured it in fiction
of uncommon warmth and

vibrancy. Swami and
Friends introduces us to
Narayan's beloved
fictional town of Malgudi,
where ten-year-old
Swaminathan's
excitement about his

country's initial stirrings for independence competes with his ardor for cricket and all other things British. Written during British rule, this novel brings colonial India into intimate focus through the narrative gifts of this master of literary realism.

From the author of the bestselling novel, *The Masquerade*, comes a tale of relationships to soothe your soul like hot chocolate fudge and coffee on a rainy winter night. Niyati Reddy, a budding fashion designer, has no clue about the misadventure waiting for her when she decides to go from New Delhi to Paris at her parents' request. With only her phone, passport, diary,

pens, water bottle, a map of Paris and a lot of courage, she arrives in an unknown city to make a mark for herself. Sparks fly in an unexpected direction and introduce her to a spice she never knew she had. But everything comes at a price. Will she be able to make a choice between her essence and desires? "Manita V takes the readers on a sparkly and spicy journey of well-crafted characters with a fresh and riveting take on relationships. Stylish and vivacious... an

invigorating tale of adorable people who stay with you long after the book has ended.” – The Times of India “Spark and Spice shares a special bond with author Manita V and her readers.” – The Pioneer “Manita V’s books are known for strong female leads and multidimensional characters. Readers love her fluid, detailed writing style.” – The Asian Chronicle Set in contemporary Paris, Spark & Spice was first posted on two online web portals, including Manita V’s blog.

The novel has been massively popular, receiving more than 1 million reads worldwide. *Bijnis Woman* HarperCollins Reese Witherspoon’s Book Club Pick A lively, sexy, and thought-provoking East-meets-West story about community, friendship, and women’s lives at all ages—a spicy and alluring mix of *Together Tea* and *Calendar Girls*. Every woman has a secret life . . . Nikki lives in cosmopolitan West London, where she tends

bar at the local pub. The daughter of Indian immigrants, she’s spent most of her twenty-odd years distancing herself from the traditional Sikh community of her childhood, preferring a more independent (that is, Western) life. When her father’s death leaves the family financially strapped, Nikki, a law school dropout, impulsively takes a job teaching a "creative writing" course at the community center in the beating heart of London’s close-knit Punjabi

community. Because of a miscommunication, the proper Sikh widows who show up are expecting to learn basic English literacy, not the art of short-story writing. When one of the widows finds a book of sexy stories in English and shares it with the class, Nikki realizes that beneath their white dupattas, her students have a wealth of fantasies and memories. Eager to liberate these modest women, she teaches them how to express their untold stories, unleashing creativity of the most

unexpected—and exciting—kind. As more women are drawn to the class, Nikki warns her students to keep their work secret from the Brotherhood, a group of highly conservative young men who have appointed themselves the community's "moral police." But when the widows' gossip offers shocking insights into the death of a young wife—a modern woman like Nikki—and some of the class erotica is shared among friends, it sparks a scandal that threatens

them all.

 In late nineteenth century Lucknow, two rival story-

tellers, Syed Muhammad Husain Jah and Ahmed Husain Qamar, wrote a fantasy in the Urdu language whose equal had not been heard before, and which has never been rivalled since. It was called Tilism-e Hoshruha. The writers claimed that the tale had been passed down to them from story-tellers going back centuries: it was a part of the beloved oral epic, The Adventures of Amir Hamza which had come to the Indian subcontinent via Persia and had gained in

popularity during the reign of Akbar, the Mughal emperor. The Tilism-e-Hoshruha is the subcontinent's first wholly indigenous Indo-Islamic fantasy epic. It tells the stories of Amir Hamza's military forces, his grandson and his loyal band of tricksters (masters of wit and disguise) as they go to war with Afrasiyab, the sorcerer who rules the magical land of Hoshruha. Fantasy, the occult, adventure and romance play themselves out in a typically Indian setting as

wizards, sorceresses, tricksters and royalty pitch themselves into the battle for Hoshruha. The characters of the epic are marvels of literary creation, and are much more colourful and dashing than those of the Amir Hamza cycle of tales. The Tilism-e-Hoshruha runs to twenty four volumes and will be translated into English for the first time ever by Musharraf Ali Farooqi, the acclaimed translator of The Adventures of Amir Hamza. Random House India will publish all the

volumes starting with Hoshruha: The Land and the Tilism, i.e. Book 1 of the series.

A masaledaar mix of fact and fiction, action and emotion, drama and passion—these strange, funny, intriguing tales from small-town Uttar Pradesh have been passed orally from one generation to the next. They are likely to make one exclaim, 'This couldn't have happened!' even as the narrators swear they are nothing but pure fact. The bizarre

chronicle of a lazy daughter-in-law, the court clerk who loved eating chaat, two cousins inseparable even in death, a blind teacher who fell in love with a woman with beautiful eyes and other wild tales from Bareilly, Lucknow, Hapur, Badaun, Sapnawat and Pilibhit, places big and small, in that fascinating part of India called Uttar Pradesh. *El Mundo Indígena 2008* Univ. Press of Mississippi Illustrations used for story-telling and mirth-making have enlivened

Asian walls, scrolls, books, public and private places, and artifacts for millennia. Often playful and humorous, Asian pictorial stories lent conspicuous elements to contemporary comic art, particularly with their use of narrative nuance, humor, satire, and dialogue. Illustrating Asia is a fascinating book on a subject that is of wide and topical interest. All of the articles consider cartoon and/or comic art in the historical and social setting of seven South, Southeast, and East Asian countries: India, Taiwan,

Malaysia, Indonesia, Sri Lanka, China, and Japan. The contributors treat comic and narrative art—including comic books, comic strips, picture books, and humor and fan magazines—in both historical and socio-cultural perspectives, as well as portrayals of ancient Chinese philosophy, gender, and the enemy in cartoons and comics. “An unexpected joy of a book . . . it follows an emotional and culinary journey from childhood in pre-independence Uganda to London in the 21st century.”—The Sunday Times Through the personal story of Yasmin Alibhai-Brown’s family and the food and recipes they’ve shared together,

The Settler’s Cookbook tells the history of Indian migration to the UK via East Africa. Her family was part of the mass exodus from India to East Africa during the height of British imperial expansion, fleeing famine and lured by the prospect of prosperity under the empire. In 1972, expelled from Uganda by Idi Amin, they moved to the UK, where Yasmin has made her home with an Englishman. The food she cooks now combines the traditions and tastes of her family’s hybrid

history. Here you'll discover how shepherd's pie is much enhanced by sprinkling in some chili, Victoria sponge can be enlivened by saffron and lime, and the addition of ketchup to a curry can be life-changing . . . "Alibhai-Brown paints a lively picture of a community that stayed trapped in old ways until it was too late to change . . . [a] brave book."—The Guardian "For many of us food is the gateway experience into other cultures and lives. Yasmin's personal story intertwined with the

foods which mean so much to her touched me deeply. And made me hungry. You can't ask for more."—Gavin Esler, author of *Brexit Without the Bullshit: The Facts on Food, Jobs, Schools, and the NHS* "It's beautifully written, as you would expect, and utterly fascinating. The aunties are back, fiercer than ever and ready to handle any catastrophe—even the mafia—in this delightful and hilarious sequel by Jesse Q. Sutanto, author of *Dial A for Aunties*.

Meddy Chan has been to countless weddings, but she never imagined how her own would turn out. Now the day has arrived, and she can't wait to marry her college sweetheart, Nathan. Instead of having Ma and the aunts cater to her wedding, Meddy wants them to enjoy the day as guests. As a compromise, they find the perfect wedding vendors: a Chinese-Indonesian family-run company just like theirs. Meddy is hesitant at first, but she hits it off right away with

the wedding photographer, Staphanie, who reminds Meddy of herself, down to the unfortunately misspelled name. Meddy realizes that is where their similarities end, however, when she overhears Staphanie talking about taking out a target. Horrified, Meddy can't believe Staphanie and her family aren't just like her own, they are The Family—actual mafia, and they're using Meddy's wedding as a chance to conduct shady business. Her aunties and mother won't let Meddy's

wedding ceremony become a murder scene—over their dead bodies—and will do whatever it takes to save her special day, even if it means taking on the mafia.
