Jumping to conclusions Is not the best solution... "Where's my newspaper? Who stole it from me? I must catch the thief, He will not stay free." Uncle Jake was too angry, He accused right away. Then he learned a lesson, At the end of the day.

**The Count of Monte Cristo** Zondervan

ÉOn the 24th of February, 1815, the look-out at Notre-Dame de la Garde signalled the three-master, thePharaonÉfrom Smyrna, Trieste, and Naples. As usual, a pilot put off immediately, and rounding the Chateau d'Ilf, got on board the vessel between Cape Morgion and Rion island. Immediately, and according to custom, the ramparts of Fort Saint-Jean were covered with spectators; it is always an event at Marseilles for a ship to come into port, especially when this ship, like theÉPharaon, has been built, rigged, and laden at the old Phocce docks, and belongs to an owner of the city. The ship drew on and had safely passed the strait, which some volcanic shock has made between the Calasareigne and Jaros islands; had doubled Pomegue, and approached the harbor under topsails, jib, and spanker, but so slowly and sedately that the idlers, with that instinct which is the forerunner of evil, asked one another what misfortune could have happened on board. However, those experienced in navigation saw plainly that if any accident had occurred, it was not to the vessel herself, for she bore down with all the evidence of being skilfully handled, the anchor a-cockbill, the jib-boom guys already eased off, and standing by the side of the pilot, who was steering theÉPharaonÉtowards the narrow entrance of the inner port, was a young man, who, with activity and vigilant eye, watched every motion of the ship, and repeated each direction of the pilot. The vague disquietude which prevailed among the spectators had so much affected one of the crowd that he did not await the arrival of the vessel in harbor, but jumping into a small skiff, desired to be pulled alongside thePharaon, which he reached as she rounded into La Reserve basin. When the young man on board saw this person approach, he left his station by the pilot, and, hat in hand, leaned over the ship's bulwarks. He was a fine, tall, slim young fellow of eighteen or twenty, with black eyes, and hair as dark as a raven's wing; and his whole appearance bespoke that calmness and resolution peculiar to men accustomed from their cradle to contend with danger.

A MEMOIR BY THE YOUNGEST RECIPIENT OF THE NOBEL PEACE PRIZE As seen on Netflix with David Letterman "I come from a country that was created at midnight. When I almost died it was just after midday." When the Taliban took control of the Swat Valley in Pakistan, one girl spoke out. Malala Yousafzai refused to be silenced and fought for her right to an education. On Tuesday, October 9, 2012, when she was fifteen, she almost paid the ultimate price. She was shot in the head at point-blank range while riding the bus home from school, and few expected her to survive. Instead, Malala's miraculous recovery has taken her on an extraordinary journey from a remote valley in northern Pakistan to the halls of the United Nations in New York. At sixteen, she became a global symbol of peaceful protest and the youngest nominee ever for the Nobel Peace Prize. I AM MALALA is the remarkable tale of a family uprooted by global terrorism, of the fight for girls' education, of a father who, himself a school owner, championed and encouraged his daughter to write and attend school, and of brave parents who have a fierce love for their daughter in a society that prizes sons. I AM MALALA will make you believe in the power of one person's voice to inspire change in the world. *Marc Just Couldn't Sleep* Kane/Miller Book Publishers

Las Dionisiácas son un florecimiento tardío (siglo V d.C.) y curioso de la épica clásica, y uno de los últimos poemas ambiciosos del paganismo clásico. Nono (siglo V d.C.), natural de Panópolis, en Egipto, compuso en griego el poema épico Dyonisiaca, sobre las aventuras del dios Dionisio, desde su nacimiento en Tebas hasta su ingreso en el Olimpo. La obra, en cuarenta y ocho libros (la suma de los libros de la Ilíada y la Odisea, según la ordenación alejandrina) y unos 21.000 hexámetros, se centra en la expedición de Dionisio a la India y su regreso (libros 13-48). El tema no era inédito, puesto que a menudo se había identificado a Alejandro con esta divinidad, lo que incluía las campañas contra los hindúes. A partir del libro octavo, con el nacimiento de Dioniso, el poema se asemeja a un compendio mitológico, enriquecido con referencias a misterios dionisiacos, religiones orientales, magia y astrología. La obra se anima con aspectos menos habituales, como la claridad sensualista con que se describen las actividades amoratorias de Dioniso. La importancia del poema, más que en el tema en sí, hay que buscarla en sus esquemas métricos y estilísticos, pues introdujo el llamado hexámetro noniano, que altera la tradicional métrica cuantitativa, ante el cambio fonológico que se produce en la lengua griega desde la época helenística, e introduce el ritmo acentual, en una aproximación a la métrica moderna.

*Quién ha robado mi trono?* Little, Brown

Meghan Chase tenía un destino secreto, un destino que jamás habría imaginado... En la vida de Meghan siempre había habido algo extraño, desde que su padre desapareció cuando ella tenía seis años. Nunca había encajado en la escuela ni en casa. Cuando un siniestro desconocido comenzó a observarla desde lejos y su mejor amigo se convirtió en su incansable guardián, Meghan presintió que su vida iba a dar un vuelco. Pero jamás habría imaginado la verdad: que era la hija de un mítico rey del mundo de los duendes y las hadas y que, inmersa en una guerra implacable en la que era un peón de ambos bandos, tendría que descubrir hasta dónde estaba dispuesta a llegar para salvar a quien amaba, atajar un mal misterioso al que ninguna criatura mágica osaba enfrentarse... y descubrir el amor con un joven príncipe que quizá prefiriera verla muerta a permitir que tocara su corazón helado. Me llamo Meghan Chase. En menos de veinticuatro horas cumpliré dieciséis años. Los dulces dieciséis. Suena mágico. Se supone que, a esa edad, las niñas se vuelven princesas, se enamoran, van a fiestas, a bailes de promoción y cosas así. Se han escrito un sinnfn de relatos, canciones y poemas sobre esa edad maravillosa en la que encuentras el amor verdadero, las estrellas brillan por ti y el apuesto príncipe te lleva en volandas hacia el atardecer. No creo que ése vaya a ser mi caso.

A Groundbreaking Manifesto on the Meaning of Life This book will help you understand why you are alive and God's amazing plan for you-both here and now, and for eternity. Rick Warren will guide you through a personal 40-day spiritual journey that will transform your answer to life's most important question: What on earth am I here for? Knowing God's purpose for creating you will reduce your stress, focus your energy, simplify your decisions, give meaning to your life, and, most importantly, prepare you for eternity. The Purpose-Driven Life is a blueprint for Christian living in the 21st century-a lifestyle based on God's eternal purposes, not cultural values. Using over 1,200 Scriptural quotes and references, it challenges the conventional definitions of worship, fellowship, discipleship, ministry, and evangelism. In the tradition of Oswald Chambers, Rick Warren offers distilled wisdom on the essence of what life is all about. This is a book of hope and challenge that you will read and re-read, and it will be a classic treasured by generations to come.

From A to Z, the Penguin Drop Caps series collects 26 unique hardcovers—featuring cover art by Jessica Hische It all begins with a letter. Fall in love with Penguin Drop Caps, a new series of twenty-six collectible and hardcover editions, each with a type cover showcasing a gorgeously illustrated letter of the alphabet. In a design collaboration between Jessica Hische and Penguin Art Director Paul Buckley, the series features unique cover art by Hische, a superstar in the world of type design and illustration, whose work has appeared everywhere from Tiffany & Co. to Wes Anderson's recent film *Moonrise Kingdom* to Penguin's own bestsellers *Committed* and *Rules of Civility*. With exclusive designs that have never before appeared on Hische's hugely popular *Daily Drop Cap* blog, the Penguin Drop Caps series debuted with an 'A' for Jane Austen's *Pride and Prejudice*, a 'B' for Charlotte Brönte's *Jane Eyre*, and a 'C' for Willa Cather's *My Ántonia*. It continues with more perennial classics, perfect to give as elegant gifts or to showcase on your own shelves. Z is for Zafón. Barcelona, 1945: A city slowly heals in the aftermath of the Spanish Civil War. Daniel, an antiquarian book dealer's son who mourns the loss of his mother, finds solace in what he finds in the "cemetery of lost books," a mysterious book entitled *The Shadow of the Wind*, by one Julián Carax. But when he sets out to find the author's other works, he makes a shocking discovery: someone has been systematically destroying every copy of every book Carax has written. In fact, Daniel may have the last of Carax's books in existence. Soon Daniel's seemingly innocent quest opens a door into one of Barcelona's darkest secrets—an epic story of murder, madness, and doomed love.

A mediados del siglo XIX en el reinado de Montañas Rocañosas, nació la hermosa y extraña Venus. Una niña muy especial, poderosa, mágica, inteligente y maravillosa. Una niña que es diferente a los demás, ya que, su físico tiene rasgos distintos a los demás, es de piel oscura, siendo que los demás habitantes de todo el universo son de piel clara. Cuándo nació Venus, creó un multiverso, donde abunda lo extraordinario, imposible y maravilloso. Separando reinos y haciendo nuevos, donde en su mayoría abunda la fantasía, hermosas y curiosas plantas, criaturas, seres extraños, animales peculiares, portales dimensionales, monstruos extraños. Con innumerables personajes bastantes curiosos e increíbles, cómo los paisajes. Así cómo existe lo bueno también existe lo malo. La traición de las personas que más confías. Dónde el tiempo puede no ser nada o puede ser mucho. Donde la locura está presente. Viaja en los diversos paraísos, lugares cósmicos, universos, planetas, mundos paralelos, dimensiones desconocidas ¿Crees soportar la larga primavera, y un poco de verano en los eternos paraísos? ¿Soportarías el eterno invierno? ¿Podrás saber que es real y que no? ¿podrás luchar en la guerra de los reinos? ¿será Venus alguien en quien confiar? En dónde todas las historias están unidas, en un multiverso mágico. Algo que jamás has visto.

*Libros españoles en venta* Editorial Bruno

The product of five years' investigative reporting, the subject of intense national controversy, and the source of death threats that forced the National Human Rights Commission to assign two full-time bodyguards to its author, Anabel Hernández, *Narcoland* has been a publishing and political sensation in Mexico. The definitive history of the drug cartels, *Narcoland* takes readers to the front lines of the "war on drugs," which has so far cost more than 60,000 lives in just six years. Hernández explains in riveting detail how Mexico became a base for the mega-cartels of Latin America and one of the most violent places on the planet. At every turn, Hernández names names – not just the narcos, but also the politicians, functionaries, judges and entrepreneurs who have collaborated with them. In doing so, she reveals the mind-boggling depth of corruption in Mexico's government and business elite. Hernández became a journalist after her father was kidnapped and killed and the police refused to investigate without a bribe. She gained national prominence in 2001 with her exposure of excess and misconduct at the presidential palace, and previous books have focused on criminality at the summit of power, under presidents Vicente Fox and Felipe Calderón. In awarding Hernández the 2012 Golden Pen of Freedom, the World Association of Newspapers and News Publishers noted, "Mexico has become one of the most dangerous countries in the world for journalists, with violence and impunity remaining major challenges in terms of press freedom. In making this award, we recognize the strong stance Ms. Hernández has taken, at great personal risk,

against drug cartels.”

**The iron King (El rey de hierro)** FaithWords

When was the last time we truly paused to meditate and study the crucially important doctrine of the sovereignty of God? In this book A.W. Pink unpacks the theology of the sovereignty of God for us in a way few others have before or after him. Pink dives into Scripture not only to define the sovereignty of God; he goes on to help us apply the doctrine to various aspects of our lives. Pink passionately challenges us to wrestle with and accept a higher, deeper and broader view of our omniscient and omnipotent King.

Feeling jealous when a new sibling arrives, little Elmore Green becomes frustrated when the "small person" knocks over his things and licks his jelly-bean collection until a special night when their relationship changes. By the award-winning author of the Charlie and Lola series.

**Bibliografía española** Candlewick Press

It is November 25, 1960, and three beautiful sisters have been found near their wrecked Jeep at the bottom of a 150-foot cliff on the north coast of the Dominican Republic. The official state newspaper reports their deaths as accidental. It does not mention that a fourth sister lives. Nor does it explain that the sisters were among the leading opponents of Gen. Rafael Leonidas Trujillo's dictatorship. It doesn't have to. Everybody knows of Las Mariposas—"The Butterflies." In this extraordinary novel, the voices of all four sisters—Minerva, Patria, María Teresa, and the survivor, Dedé—speak across the decades to tell their own stories, from hair ribbons and secret crushes to gunrunning and prison torture, and to describe the everyday horrors of life under Trujillo's rule. Through the art and magic of Julia Alvarez's imagination, the martyred Butterflies live again in this novel of courage and love, and the human cost of political oppression.

**The Sovereignty of God** Ángel Franco

Las tragedias senequistas abordan la experiencia humana universal del mal, ejemplarizada en ciertos mitos conocidos y manifestada en horrores y exageraciones grotescas. Nacido en Córdoba c. 4 a.C. y educado en Roma en retórica y filosofía, Lucio Anneo Séneca el Joven o el Filósofo fue

abogado, cuestor y senador, orador y escritor, preceptor del joven Nerón y consejero político de éste cuando llegó a ser emperador, hasta que el espíritu alocado del discípulo le llevó a retirarse y a participar en una conspiración, a raíz de cuyo fracaso fue obligado a suicidarse (65 d.C.). En su vida privada no aplicó los principios morales estoicos que predicaba, pero su tarea como consejero del emperador, junto con Burro, fue muy útil para el imperio durante varios años. Además de la diversa obra en prosa (que ocupa varios volúmenes de la Biblioteca Clásica Gredos), su producción consiste en nueve tragedias adaptadas del griego, y que son las únicas muestras de este género que nos ha legado Roma. Todas las de este volumen (primero de dos dedicados a la tragedia senequista) se inspiran en Eurípides. En Hércules furioso la diosa Hera hace enloquecer a Heracles, quien asesina a sus propios hijos, confundiéndonos con otros, y a su esposa; recuperada la cordura, Heracles trata de suicidarse por desesperación, pero Teseo le convence de que acuda a Atenas para purificarse y le insta a superar el horror. Las troyanas escenifica el último día de la destrucción de Troya y el sufrimiento de las mujeres troyanas, que son el botín de los vencedores; es una de las mejores tragedias de Séneca, e incluye una emotiva confrontación entre Andrómaca y Ulises. Las fenicias nos ha llegado muy fragmentada, y hasta es posible que la versión que conocemos proceda de dos obras distintas. En Medea la protagonista despechada se sume en la desesperación más violenta a raíz del abandono de su esposo Jasón, y urde la más cruel venganza; Séneca intensifica los aspectos más pasionales de la historia para poner aún más de relieve la dimensión trágica: la infidelidad y los celos desencadenan las pulsiones más irracionales que anidan en el corazón humano, y una cadena de destrucción ajena y propia que precipita al nihilismo más absoluto. Puesto que carecemos de cualquier noticia acerca de la representación de estas tragedias, es posible que fueran compuestas no para la escena, sino para la recitación ante un auditorio o bien para la lectura en solitario. [Felipe el Hermoso. Drama en cuatro actos. original y en verso](#) Disney Electronic Content Percy Jackson is about to be kicked out of boarding school...again. And that's the least of his troubles.
