A Clash of Heroes

Penguin From his controversial coverage of Vietnam, which incurred the wrath of President

Johnson but won him a Pulitzer Prize, to his unforgettable and daring on-the-ground reporting of

the Gulf War during one of the greatest airborne assaults in history, Peter Arnett has established himself as the leading voice of American war reportage. In *Live from the Battlefield*, one of the most highly celebrated journalistic memoirs ever written, Peter Arnett gives us an engrossing account of the Vietnam era, as well as an indispensable portrait of battlefield reporting. *Live from the Battlefield*

captures the adventures, gambles, and glories that have marked this master journalist's life with a vividness and intelligence rare in any memoir. But more than that, Arnett provides an insider's view of some of the greatest and most tragic events of the century in a book of singular and enduring importance. **Tom Clancy Point of Contact** Simon and Schuster Analyzes the Persian Gulf

War, describes the strengths and weaknesses of the Coalition forces, and evaluates the strategies and weapons used in the war. *The Wildest Hunt* US Naval Institute Press Jack Ryan Jr. finds that the scars of war can last a lifetime in this entry in Tom Clancy's #1 New York Times bestselling series. Twenty-six years ago, Dr. Cathy Ryan restored the eyesight of a young Bosnian girl who had been injured

during an attack in the Bosnian War. Today, her son Jack Ryan, Jr. has agreed to track down the young woman and deliver a letter from his mother. What he finds shocks them both. The helpless child has grown into a remarkable woman. Aida Curic is a self-possessed beauty with a big heart and an even bigger secret who runs a controversial refugee agency near Sarajevo. Jack finds himself deeply drawn

to both her and her country, but soon finds himself in the crosshairs of the seething ethnic tensions and ancient blood feuds of the Balkans, the region of Europe where empires go to die. If Jack can't navigate the world of secret service agencies, special operators and local mafias to save Aida, Sarajevo will prove to be the fuse that lights the next world war. electromagnetic pulse generator aboard Orion-- a state-of-the-art weapon with the capacity to throw every major American city into chaos...
Tom Clancy Line of Sight
 Penguin
 The immigration debate has challenged our nation since its founding. But today, it divides Americans more stridently than ever, due to a chronic failure of national leadership by both parties.

Here at last is an attainable resolution guided by two core principles: first, immigration is vital to America's future; second, any enduring resolution must adhere to the rule of law. Unfortunately, current laws are so cumbersome and irrational that millions have circumvented them and entered the United States illegally, taxing our system to the breaking

point. Jeb Bush and Clint Bolick contend there are other unique factors currently at play: America's future population expansion will come solely from immigrants. And for the first time, the U.S. must compete with other countries for immigrant workers and their skills. In the first book to offer a practical, nonpartisan approach, Bush and Bolick propose a compelling

six-point strategy for reworking our policies that begins with erasing all existing, outdated immigration structures and starting over. From there, Immigration Wars details their plan for advancing the national goals that immigration policy is supposed to achieve: build a demand-driven immigration system; increase states' autonomy based on varying needs; reduce the

significant physical risks and financial costs imposed by illegal immigration; unite Mexico and America in their common war against drug cartels; and educate aspiring citizens in our nation's founding principles and why they still matter. Here too is a viable variation of the DREAM Act as a legal status for children brought here illegally, and sound strategies for the Republican

Party to revitalize their ever-decreasing core constituency. With Immigration Wars as a beacon of hope, Americans can finally solidify a national identity that is based on a set of ideals enriched and reinvigorated by immigrants, most of whom fervently embrace our core values—family, faith, hard work, education, and patriotism. *Submarine*

U.S.-Mexico border, #1 New York Times bestselling author Tom Clancy delivers a heart-stopping thriller that is frighteningly close to reality. Working behind the scenes for the CIA, ex-Navy SEAL Maxwell Moore arrives at a rendezvous to take charge of a high-ranking Taliban captive and barely escapes with his life. Undaunted, Moore is relentless in his quest to

find the terrorist cell responsible, but what he discovers leads him to a much darker conspiracy in an unexpected part of the globe... After years of planning, the Taliban have come to terms with a vicious Mexican drug cartel and agreed to supply them with opium. For the cartel, the deal means money, power, and ultimate control of the drug trade. But for the Taliban, it is a long awaited

opportunity: to exploit the cartels and bring the fire of the jihad to the hearts of the infidels, striking against the very heart of America. Against All

Enemies

Prima Games Jack Ryan Jr. finds himself on the front lines of cyber war and in the eye of a killer storm in this thriller in Tom Clancy's #1 New York Times bestselling series. A former U.S. senator and defense contractor needs someone to look over the books of Dalfan Technologies, a Singapore company-- quickly. He turns to Jack Ryan, Jr., and Paul Brown, two

employees of one of the best financial analysis firms in the country, which also happens to be the cover for The Campus, a top secret American intelligence agency. Brown has no idea that Jack works for The Campus. Jack has no idea that the awkward accountant has been tasked with uploading a cyberwarfare program into the highly secure Dalfan Technologies mainframe on behalf of the CIA. On the

verge of mission success, Brown discovers a game within the game, and the people who now want to kill him are as deadly as the cyclone bearing down on the island nation. Together Ryan and Brown race to escape both the dangerous storm and a team of trained assassins in order to prevent a global catastrophe, even at the cost of their own lives.
The Last

Sentry
Penguin
In his brilliant, bestselling novels, Tom Clancy has explored the most dramatic military and security issues of our time. Now he takes readers deep into the operational art of war with this insightful look at one of America's most important military engagements in recent years: the Gulf War. Never before has the art of maneuver warfare been explored so incisively and

in such rich, provocative detail. Clancy and General Frederick M. Franks, Jr.-commander of the main force that broke the back of the Republican Guard-take us deep inside the war councils and command posts and up to the front lines. They give us a war that few people really knew-and that television never showed.
Flight of the Old Dog
Penguin
Unspoiled. Uninhabited. Under attack... On

the wind-swept, ice-covered continent of Antarctica, Roger Gordian's UpLink Technologies has established a scientific research facility called Cold Corners. But its testing of potential robotic landing craft for use on Mars is disrupted when one of the rovers disappears—along with the repair team sent out after it. Fear of discovery has prompted a renegade

consortium—that is illegally using Antarctica as a nuclear waste dump—to wipe out the UpLink base. Now, the men and women of Cold Corners have only themselves to rely on as the consortium mounts its decisive strike against the ice station—and the final sunset plunges them into the total darkness of a polar winter... *The Hunt for Red October* Penguin Chaim Weizmann, steeped in the

folk culture of the East European shtetl and the humanistic science of Central and Western Europe, was the ambassador of the Jewish people to the English-speaking world. Louis D. Brandeis, on the other hand, was known as the true exponent of Anglo-American civic culture who gave his leadership at a critical moment to the American and world Jewish community. A

Clash of Heroes studies the conflict between these two dominant personalities, each of whom has been hailed by devoted followers as the hero of a crucial era in recent Jewish history. Halpern sets the meeting, collaboration, and sharp conflict between these two men against the shifting background of a world at war and the shaky travail of revolution and reconstruction in the early 20th century.

Through a comparison of two exemplary figures in Jewish leadership, Halpern paints an enthralling portrait of 20th-century Zionism and illuminates the complex relationships between leaders and the public and between Jewish nationalism and its extended environment. **Into the Storm** Penguin Only the author of The Hunt for Red October could capture the

reality of life aboard a nuclear submarine. Only a writer of Mr. Clancy's magnitude could obtain security clearance for information, diagrams, and photographs never before available to the public. Now, every civilian can enter this top secret world...the weapons, the procedures, the people themselves...t he startling facts behind the fiction that made Tom Clancy a #1 bestselling author.
