Swiss Family Robinson Tale #1 Shipwrecked

Independently Published Two intrepid girls hunt for a legendary treasure on the deadly high seas in this YA remix of the classic adventure novel Treasure Island. 1826.

The sun is setting on the golden age of piracy, and the legendary Dragon Fleet, the scourge of the South China Sea, is no more. Its ruthless leader, a woman known only as the Head of the Dragon, is now only a story, like the ones Xiang has grown up with all her life. She desperately wants to prove her worth, especially to her mother, a shrewd businesswoman who never seems to have enough time for Xiang. Her father is also only a story, dead at sea before Xiang was born. Her single memento of him is a pendant she always wears, a simple but plain piece of gold jewelry. But the pendant's true nature is revealed when a mysterious girl named Anh steals it, only to return it to Xiang in exchange for her help in decoding the tiny map

scroll hidden inside. The revelation that Xiang's father sailed with the Dragon Fleet and tucked away this secret changes everything. Rumor has it that the legendary Head of the Dragon had one last treasure—the plunder of a thousand ports—that for decades has only been a myth, a fool's journey. Xiang is convinced this map could lead to the fabled treasure.

Captivated with the thrill of adventure, she joins Anh and her motley crew off in pursuit of the island. But the girls soon find that the sea—and especially those who sail it—are far more dangerous than the legends led them to believe. [apsakymai] Feiwel & Friends
 Both suspenseful and deeply moving, *Carolina Moonset* is an engrossing novel about family, memories both golden and terrible, and secrets too dangerous to stay hidden forever, from New York Times bestselling and Emmy Award-winning author, Matt Goldman. Joey Green has returned to Beaufort, South Carolina, with its palmettos and shrimp boats, to look after his ailing father, who is succumbing to dementia, while his overstressed mother takes a break. Marshall Green's short-term memory has all but evaporated, but, as if in compensation, his oldest memories are more vivid than ever. His mind keeps slipping backwards in time, retreating into long-ago yesterdays of growing up in Beaufort as a boy. At first this seems like a blessing of sorts, with the past providing a refuge from a shrinking future, but Joey grows increasingly anxious as his father's hallucinatory arguments with figures from his youth begin to hint at deadly secrets, scandals, and suspicions long buried and forgotten. Resurfacing from decades past are mysteries that

still have the power to shatter lives—and change everything Joey thought he knew. Especially when a new murder brings the police to his door... At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

What Souls Are Made Of, British Fantasy Award-winning author Tasha Suri's masterful new take on Brontë's *Wuthering Heights* and fourth book in the *Remixed Classics*, will leave readers breathless. Sometimes, lost things find their way home...

Yorkshire, North of England, 1786. As the abandoned son of a lascar—a sailor from India—Heathcliff has spent most of his young life maligned as an "outsider." Now he's been flung into an alien life in the Yorkshire moors, where he clings to his birth father's language even though it makes the children of the house call him an animal, and the maids claim he speaks gibberish. Catherine is the younger child of the estate's owner, a daughter with light skin and brown curls and a mother that nobody talks about. Her father is

grooming her for a place in proper society, and that's all that matters. Catherine knows she must mold herself into someone pretty and good and marriageable, even though it might destroy her spirit. As they occasionally flee into the moors to escape judgment and share the half-remembered language of their unknown kin, Catherine and Heathcliff come to find solace in each other. Deep down in their souls, they can feel they are the same. But when Catherine's father dies and the household's treatment of Heathcliff only grows more cruel, their relationship becomes strained and threatens to unravel. For how can they ever be together, when loving each other—and indeed, loving themselves—is as good as throwing themselves into poverty and death? Praise for *What Souls Are Made Of*: "A gorgeously reclaimed Gothic. ... I'm a Tasha Suri fan for life." —Chloe Gong, New York Times bestselling author of *These Violent Delights* "With its brooding characters, gorgeous setting, and a romance that sparkles with electricity, this retelling of

Wuthering Heights breathes fresh air into an old classic." —Stacey Lee, New York Times bestselling author of *The Downstairs Girl* and *Luck of the Titanic*

A ragtag band of misfits gets swept up in Holy Land politics in *Travelers Along the Way* by Aminah Mae Safi, a thrilling YA remix of the classic legend of Robin Hood. Jerusalem, 1192. The Third Crusade rages on. Rahma al-Hud loyally followed her elder sister

Zeena into the war over the Holy Land, but now that the Faranji invaders have gotten reinforcements from Richard the Lionheart, all she wants to do is get herself and her sister home alive. But Zeena, a soldier of honor at heart, refuses to give up the fight while Jerusalem remains in danger of falling back into the hands of the false Queen Isabella. And so, Rahma has no choice but to take on one final mission with her sister. On their journey to Jerusalem, Rahma and Zeena come across a motley collection of fellow travelers—including a kind-hearted Mongolian warrior, an eccentric Andalusian scientist, a frustratingly handsome spy with a connection to Rahma's childhood, and an unfortunate English chaplain abandoned behind enemy lines. The teens all find solace, purpose and camaraderie—as well as a healthy bit of mischief—in each other's company. But their travels soon bring them into the orbit of Queen Isabella herself, whose plans to re-seize power in Jerusalem would

only guarantee further war and strife in the Holy Land for years to come. And so it falls to the merry band of misfits to use every scrap of cunning and wit (and not a small amount of thievery) to foil the usurper queen and perhaps finally restore peace to the land. Praise for *Travelers Along the Way*: "Rousing ... Wholly original in its cultural perspective and its centering of strong female characters. ... By creating an almost all-female cast, Safi makes women the heart of her story at a time when they were seen as a 'bargaining chip.'" —Shelf Awareness, starred review "If you love heists, found family, and stealing from the rich and giving to the poor, then put Aminah Mae Safi's heartfelt and humorous take on Robin Hood at the very top of your TBR." —Jodi Meadows, *New York Times* bestselling co-author of *My Lady Jane Dr Jekyll and Mr Hyde* Roaring Brook Press "Jim Hawkins tells the story of the journey on the ship, the Hispaniola, to Treasure Island. And he tells of the battle with the pirates to get Captain Flint's gold." --Cover.
