Knitting Sweaters from the Top Down

Black Dog & Leventhal Following their creed of minimal finishing, Deb and Lynda Gemmell and fellow Cabin Fever designers bring you more than 30 delightful fashions for children. Most of the designs are knit in one piece or constructed from one of three different directions. Choose a cozy pullover knit in the round from the bottom up or from the top down. Or choose a

cardigan or vest made in one piece, working back and forth on a circular needle. These can also be knitted from the top down with no seams to sew. For something different, work a sweater from each of the cuffs and then join in the middle. There also is a poncho, beaded bag, tunic and hat, hoodie vest, and bare midriff slipover. Your special little ones will love wearing these amazing creations, which are great for experienced as well as beginning knitters. Kids' Knitted Sweaters & More (Leisure Arts #4399)

The Complete Photo Guide to Knitting, 2nd Edition

Interweave
Traditional knot and interlace patterns, combined to form uniquely striking contemporary designs. Ever since her groundbreaking book *Viking Patterns for Knitting* was published, Elsebeth Lavold has been recognized as one of the world's leading experts on

cabling. It was within the pages of her international bestseller—described as “an indispensable milestone in 20th century knitting literature”—that Lavold first introduced the world to her own innovation: using lifted increases to create interlace patterns, and bringing new life to the ornamental heritage of the Vikings as adornment on modern knitwear. In the years since, Lavold has sought new ideas and “design cousins” to Viking patterns to explore with her needles, and has undertaken a fascinating journey through archives, museums, libraries, and the internet. In more than a decade of continued research, she has studied

cultures from all over the globe in search of similar types of ornamental expression, creating the foundation for this exciting new book: a glorious collection rich in imagery, history, patterns, and designs. Dozens of different sources of inspiration, catalogued and placed within their cultural and historical context, from all around the world. Complete, step-by-step instructions for an abundance of fresh and stunningly beautiful knit designs, presented in the book with full-color photographs. Lavold's own painstaking

analysis of a huge number of interlace motif types, displayed in both swatch and chart form, to allow you to compose your own patterns based on her research.
