Let your spirit soar with colors using these 30 empowering illustrations.

Alice in Wonderland Adult Coloring Book Simon and Schuster

William Faulkner occupied a unique position as a modern writer. Although famous for his modernist novels and their notorious difficulty, he also wrote

extensively for the "culture industry," and the works he produced for it—including short stories, adaptations, and screenplays—bore many of the hallmarks of consumer art. His experiences as a Hollywood screenwriter influenced him in a number of ways, many of them negative, while the films turned out by the "dream factories" in which he labored sporadically inspired both his interest and his contempt. Faulkner also disparaged the popular magazines—though he frequently sold short stories to them. To what extent was Faulkner's deeply ambivalent relationship to—and involvement with—American popular culture reflected in his modernist or "art" fiction? Peter Lurie finds convincing evidence that Faulkner was keenly aware of commercial culture and adapted its formulae, strategies, and in particular, its visual techniques into the language of his novels of the 1930s. Lurie contends that Faulkner's modernism can be best understood in light of his reaction to the popular culture of his day. Using Theodor Adorno's theory about modern cultural production as a framework, Lurie's close readings of *Sanctuary*, *Light in August*,

Absalom! Absalom!, and *If I Forget Thee, Jerusalem* uncover the cultural history that surrounded and influenced the development of Faulkner's art. Lurie is particularly interested in the influence of cinema on Faulkner's fiction and especially the visual strategies he both deployed and critiqued. These include the suggestion of cinematic viewing on the part of readers and of characters in each of the novels; the collective and individual acts of voyeurism in *Sanctuary* and *Light in August*; the exposing in *Absalom! Absalom!* and *Light in August* of stereotypical and cinematic patterns of thought about history and race; and the evocation of popular forms like melodrama and the movie screen in *If I Forget Thee, Jerusalem*. Offering innovative readings of these canonical works, this study sheds new light on Faulkner's uniquely American modernism.

[Songs in the Key of Z](#) Bloomsbury Publishing USA

Everyone is familiar with the dodo and the woolly mammoth, but how many people have heard of the scimitar cat and the Falkland Island fox? *Extinct Animals* portrays over 60 remarkable animals that

have been lost forever during the relatively recent geological past. Each entry provides a concise discussion of the history of the animal—how and where it lived, and how it became extinct—as well as the scientific discovery and analysis of the creature. In addition, this work examines what led to extinction—from the role of cyclical swings in the Earth's climate to the spread of humans and their activities. Many scientists believe that we are in the middle of a mass extinction right now, caused by the human undermining of the earth's complex systems that support life. Understanding what caused the extinction of animals in the past may help us understand and prevent the extinction of species in the future. *Extinct Animals* examines the biology and history of some of the most interesting creatures that have ever lived, including: The American Terror Bird, which probably became extinct over 1 million years ago, who were massive predators, some of which were almost 10 feet tall; the Rocky Mountain Locust, last seen in 1902, formed the most immense animal aggregations ever known, with swarms estimated to include over 10 trillion

insects; the Giant Ground Sloth, which was as large as an elephant; and the Neandertals, the first Europeans, which co-existed with prehistoric *Homo sapiens*. *Extinct Animals* includes illustrations—many created for the work—that help the reader visualize the extinct creature, and each entry concludes with a list of resources for those who wish to do further research.

Vision's Immanence Courier Dover Publications

This adult coloring book of 31 charming winter scenes will warm your heart! All-original designs include young children gazing out of frosty windows and building snowmen, lovely snow-covered villages, wild animals roaming icy landscapes, horse-drawn sleds, and more. Ben Hardy Coloring Book Courier Dover Publications

From Brian McClellan, author of *The Powder Mage* trilogy, comes the first novel in the *Glass Immortals* series, *In the Shadow of Lightning*, an epic fantasy where magic is a finite resource—and it's running out. "Excellent worldbuilding and a truly epic narrative combine into Brian's finest work to date. Heartily recommended to anyone who wants a new favorite fantasy series to read."—Brandon Sanderson
Demir Grappo is an outcast—he fled a life of wealth and power, abandoning his responsibilities as a general, a governor, and a son. Now he will live out his days as a grifter, rootless, and alone. But when his mother is brutally murdered, Demir must return from exile to claim his seat at the head of the family and uncover the truth that got her killed: the very power that keeps civilization

turning, godglass, is running out. Now, Demir must find allies, old friends and rivals alike, confront the powerful guild-families who are only interested in making the most of the scraps left at the table and uncover the invisible hand that threatens the Empire. A war is coming, a war unlike any other. And Demir and his ragtag group of outcasts are the only thing that stands in the way of the end of life as the world knows it. "Powerful rival families, murderous conspiracies, epic battles, larger-than-life characters, and magic."—Fonda Lee, author of *The Green Bone Saga* "Engaging, fast-paced and epic."—James Islington, author of *In The Shadow of What Was Lost* "Clever, fun, and by turns beautifully bloody, *In the Shadow of Lightning* hits like a bolt through a stained glass window."—Megan E. O'Keefe, author of *Chaos Vector* At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Mandala Meditation Coloring Book
Van Nostrand Reinhold Company
