The Unofficial Guide to Walt Disney World 2015 The Unofficial Guides

Orange Coast Magazine is the oldest continuously published lifestyle magazine in the region, bringing together Orange County's most affluent coastal communities through smart, fun, and timely editorial content, as well as compelling photographs and design. Each issue features an award-winning blend of celebrity and newsmaker profiles, service journalism, and authoritative articles on dining, fashion, home design, and travel. As Orange County's only paid subscription lifestyle magazine with circulation figures guaranteed by the Audit Bureau of Circulation, Orange Coast is the definitive guidebook into the county's luxe lifestyle.

The Leader in Me Conover-Patterson Publishers

Compiled and written by a team of experienced researchers whose work has been cited by such diverse sources as USA Today and Operations Research Forum, *The Unofficial Guide to Walt Disney World* digs deeper and offers more than any other guide. *The Unofficial Guide to Walt Disney World* explains how Walt Disney World works and how to use that knowledge to make every minute and every dollar of your vacation count. With advice that is direct, prescriptive, and detailed, it takes the guesswork out of travel by unambiguously rating and ranking everything from hotels, restaurants, and attractions to rental car companies. With an Unofficial Guide in hand, and authors Bob Sehlinger and Len Testa as guides, find out what's available in every category, from best to worst, and use step-by-step detailed plans to help make the most of your time at Walt Disney World.

Volunteer Police, Choosing to Serve Simon and Schuster

Surfing is not just a sport; it is a pop-culture phenomenon. Surfing has created

legends, while seizing the spotlight in every aspect of beach culture, in movies, in fashion, and in music. Surfing has evolved from its mystical beginnings in Polynesia, where it was valued as noble, positive, and deeply imbued with spiritual meaning but condemned by critics (mostly religious conservatives) who considered it "pagan, immoral, and corrupting." And we've come a long way from pre-World War II days, when Hawaii was as remote as Timbuktu; when itchy wool swimsuits and heavy hardwood surfboards were the norm. We've matured since the 1950s and 1960s, with their trendy popularity—the culture and fashion, the movies and music, from "Gidget" to the Beach Boys and those bushy, bushy blond hairdos—to today, when the glitz of sophisticated marketing campaigns and media-savvy surfers are "de rigueur." Yet, through the years, surfing has maintained its reputation as a refuge for non-conformists; the often-below-the-radar individualistic lifestyle defies a dry chronicle neatly tied up with a bow. A comprehensive history of the sport by Ben Marcus, a man who lived it and who knows and loves it like nothing else, *Surfing USA!* is anything but dry; it truly captures the glamour and excitement of this extreme sport. If you are still in awe of that first surfboard, still stoked by hanging ten, or still dreaming of that elusive wave, then this book is for you. Ben Marcus, the former editor of "Surfer" magazine and current freelancer for such publications as "Surfer's Journal," brings you up close and personal to the exciting world of surfing.

School Reform Proposals Houghton Mifflin Harcourt

The #1 New York Times bestselling author-artist of the Pinkalicious series, Victoria Kann, is back with an all new picture book about generosity and kindness, starring Pinkalicious and Peterrific. Pinkalicious is searching for stones for her rock collection when suddenly—POOF!—out pops a surprise! Rocky is here to grant Pinkalicious and her brother Peter one wish, and one wish only, so they must choose wisely. Should they

wish for a pile of sweets? Or the ability to fly? Or maybe a castle with a fire-breathing dragon? But are any of those things good enough to be their very best, most special wish in the whole wide world? And what will happen to Rocky after they make their wish? This gem of a book looks at how being selfless can be its own best reward. *Rubylicious* is a sparkling addition to the Pinkalicious library!

The Complete Idiot's Travel Guide to Walt Disney World & Orlando

Routledge

Images of Baseball: Mexican American Baseball in Los Angeles celebrates the flourishing culture of the great pastime in East Los Angeles and other communities where a strong sense of Mexican identity and pride was fostered in a sporting atmosphere of both fierce athleticism and social celebration. From 1900, with the establishment of the Mexican immigrant community, to the rise of Fernandomania in the 1980s, baseball diamonds in greater Los Angeles were both proving grounds for youth as they entered their educations and careers, and the foundation for the talented Forty-Sixty Club, comprised of players of at least 40, and often over 60, years of age. These evocative photographs look back on the great Mexican American teams and players of the 20th century, including the famous Chorizeros—the proclaimed "Yankees of East L.A."

Moore's Rural New-Yorker Houghton Mifflin Harcourt

In this sweet and brightly illustrated picture book, Amy Wu must craft a dragon unlike any other to share with her class at school in this unforgettable follow-up to *Amy Wu and the Perfect Bao*. Amy loves craft time at school. But when her teacher asks everyone to make their own dragon, Amy feels stuck. Her first dragon has a long, wingless body, stag-like horns, and eagle claws, but her friends don't think it's a real dragon. Then she makes dragons like theirs, but none of them feels quite right...None of them feels like hers. After school, a story from *Grandma* sparks new inspiration, and Amy rounds up her family to help her. Together, can they make

Amy's perfect dragon?

Rubylicious Oni Press

In this remarkable author-illustrator debut that's perfect for fans of *Last Stop on Market Street* and *Extra Yarn*, a generous woman is rewarded by her community. Everyone in the neighborhood dreams of a taste of Omu's delicious stew! One by one, they follow their noses toward the scrumptious scent. And one by one, Omu offers a portion of her meal. Soon the pot is empty. Has she been so generous that she has nothing left for herself? Debut author-illustrator Oge Mora brings to life a heartwarming story of sharing and community in colorful cut-paper designs as luscious as Omu's stew, with an extra serving of love. An author's note explains that "Omu" (pronounced AH-moo) means "queen" in the Igbo language of her parents, but growing up, she used it to mean "Grandma." This book was inspired by the strong female role models in Oge Mora's life.

Storm Data MacMillan Publishing Company

Before the purpose-pitch that zips inches from the batter's head, before greenfly autograph-seekers stalk hotel lobbies, before thousands of fans stand up and boo in 50,000-seat stadiums, before the proverbial dog days of summer and the pressure-packed moments of October . . . there is sweet spring. The long hello. Baseball's early season. The words spring training have long held special power over baseball fans. They signal the arrival of fresh air and sunshine after a long winter devoid of bare feet and box scores. The chance to see the game up close and

personal, in beautiful slow motion. No other sport undergoes this slow, glorious unfolding. And no other book captures baseball's rite of passage in all its magic. Come on a wild ride through spring training's many attractions and peculiarities, from Florida to Arizona, the National to the American League, the dugouts to Section D. Glimpse retirees in Hawaiian shirts singing "Take Me Out to the Ball Game," million-dollar players taking it easy on the field and in the bars, young rookies flashing their skills, grizzled vets going through the motions, wide-eyed children dressed from head to toe in their favorite team's garb. It's all here, from Alligator Alley to Cactus Way, sit-ups to sunblock, home runs to hangovers -- a lively tribute to America's favorite pastime in its purest, most wonderful form.

Early Settlers of Orange County, Florida Arcadia Publishing

Surfing enthusiast Ben Marcus takes you as close to the waves as you can get without hitting the beach. Surfing is more than just a sport; it is a cultural phenomenon. From its mystical beginnings in Polynesia, surfing has evolved into a worldwide passion, establishing its own roster of legends and seeping into our society—in movies, in fashion, in music, and in language. Hawaiian Duke Kahanamoku, the "father of surfing," helped elevate the sport beyond its Pacific Islands origins more than a century ago, and his torch has been carried on by a long line of surf heroes: Woody Brown, Mickey Dora, Laird Hamilton, Kelly Slater, and many, many others. During the 1950s and 1960s, surf culture and fashion exploded into movies and music. "Gidget," the Beach Boys, and even Elvis Presley exposed surfing to the masses, and decades later, the sport and its proponents remain fixtures in pop culture and the media. Yet, through the years, surfing has maintained its reputation as a refuge for non-conformists; its often below-the-radar individualistic lifestyle defies a dry chronicle neatly tied up with a bow. In this comprehensive history of surfing, author Ben Marcus captures the glamour and excitement of this extreme sport. If you are still in awe of that first surfboard, still stoked by hanging ten, or still dreaming of that elusive wave, then this book is for you. Surfing: An Illustrated History of the Coolest Sport of All Time brings you up close and personal to the exciting world of surfing.

Publisher Description

Surfing Lonely Planet

Children in today's world are inundated with information about who to be, what to do and how to live. But what if there was a way to teach children how to manage priorities, focus on goals and be a positive influence on the world around them? The Leader in Me is that programme. It's based on a hugely successful initiative carried out at the A.B. Combs Elementary School in North Carolina. To hear the parents of A. B. Combs talk about the school is to be amazed. In 1999, the school debuted a programme that taught The 7 Habits of Highly Effective People to a pilot group of students. The parents reported an incredible change in their children, who blossomed under the programme. By the end of the following year the average end-of-grade scores had leapt from 84 to 94. This book will launch the message onto a much larger platform. Stephen R. Covey takes the 7 Habits, that have already changed the lives of millions of people, and shows how children can use them as they develop. Those habits -- be proactive, begin with the end in mind, put first things first, think win-win, seek to understand and then to be understood, synergize, and sharpen the saw -- are critical skills to learn at a young age and bring incredible results, proving that it's never too early to teach someone how to live well.
