VALENTINE MOODY

The Diva Rules Lenox Hill Pub

Andrea tumbled off the rocky road to success when the man she believed had been sent by the universe to bring stability to her life leaves her jobless and with an extra mouth to feed. She is forced reinvent herself while her former lover torments her with a suspiciously prosperous lifestyle and a custody battle for her child, all from within walking distance of her house.She forges on in "The Underground Diva Lounge," a clandestine beauty salon in the basement of her home. The "Divas" share no common ground when it comes to their outlook on relationships until they find themselves caught in a web of lies, con-games, and crimes; all at the hand of the men they have loved. Their search for validation, security and love sends them on a tumultuous journey towards personal growth, self-awareness, and self-esteem. But...at what price?TALES FROM THE UNDERGROUND DIVA LOUNGE, is a heartfelt, reflective and humorous trek though the lives of four women and the events that forever change their lives.

Global Perspectives on ADHD JHU Press

She’s a young Martha Stewart...in Old Town Virginia! New York Times bestselling author Krista Davis delights with the 14th in her enormously popular and completely charming Domestic Diva Mystery series, as entertaining maven Sophie Winston must cut to the core of another murder investigation when members of an international tour group begin dropping like flies all over Old Town, Virginia... With Old Town’s DIY Home Decorating Festival in full swing, Sophie’s swamped, juggling a bumper crop of artisans, antique dealers, and decorators for the busy street fair. Still, when her best friend Nina suddenly needs a ride from the airport, Sophie is happy to help...until she sees Nina disembarking in a state of disarray. It’s obvious the trip to Portugal soured somewhere along the way. But after one of Nina’s traveling companions turns up murdered the following day, Sophie knows something is truly rotten... Though the crime scene is staged to look like an accident, Sophie isn’t fooled and peels off to conduct her own investigation. Her only clue is a strange image the victim scratched into the soil before dying. Could it point to a cryptic killer in Old Town? A bitter travel adversary? Or a cursed artifact smuggled back from the trip? As the mystery grows, so does the body count, and if Sophie doesn’t pluck the murderer soon, her best friend may be the next to fall...

Robotics Research Trends Routledge

Diva Nation explores the constructed nature of female iconicity in Japan. From ancient goddesses and queens to modern singers and writers, this edited volume critically reconsiders the female icon, tracing how she has been offered up for emulation, debate or censure. The research in this book culminates from curiosity over the insistent presence of Japanese female figures who have refused to sit quietly on the sidelines of history. The contributors move beyond archival portraits to consider historically and culturally informed diva imagery and diva lore. The diva is ripe for expansion, fantasy, eroticization, and playful reinvention, while simultaneously presenting a challenge to patriarchal culture. Diva Nation asks how the diva disrupts or bolsters ideas about nationhood, morality, and aesthetics.

The Three Voyages of Vasco Da Gama, and His Viceroyalty Domestic Diva

Bradt's Alentejo is the first full guide to the raw, beguiling heartland of southern Portugal. Dividing the Alentejo into three distinct sections, with detailed maps and itineraries suitable for all seasons, this guide offers by far the fullest and most complete coverage of the Alentejo region available. Aimed primarily at independent travellers and holidaymakers of all ages and on all budgets, it caters for nature lovers and hikers, history and archaeology enthusiasts, and anyone interested in discovering one of the least explored regions of western Europe. Regional food and wine specialities are also covered, along with details of the Alentejo's extraordinary range of accommodation, which is intricately bound with the region's history, from historic castles, palaces and monasteries converted into hotels and pousadas, to farm stays on cork-growing estates and budget pensões and albergarias (inns).

Bloomsbury Encyclopedia of Popular Music of the World, Volume 11 Rick Steves

Michelle Visage is not your average diva. Powerful, positive, and polished, this diva's not only glamorous, she's a savvy businesswoman with serious credentials who works her tail off. From her days vogueing in the downtown Manhattan clubs in the '90s to her successful career in radio and her ultimate cult status as a judge on RuPaul's Drag Race, Michelle has achieved her dreams and then some! In *The Diva Rules*, Visage shares her rules and advice for living life to the fullest and finding success no matter the hand you're dealt. With her no-nonsense style and super sassy voice, Michelle tells readers to Keep Your Shit Together

Lonely Planet Portugal Cambridge Scholars Publishing

You can count on Rick Steves to tell you what you really need to know when traveling in Portugal. With this guide, you'll explore this relaxed country at the western edge of Europe. Tour Lisbon's cobbled lanes and grand squares, reminders of Portugal's seafaring glory days. Step back into history at the palaces in Sintra and the bone chapel of Évora. Soak up the sun at the Algarve beach of your dreams. When evening comes, enjoy a dinner of fresh seafood stew, and raise a glass of port wine in a toast. Rick's candid, humorous advice will guide you to good-value hotels and restaurants. He'll help you plan where to go and what to see, depending on the length of your trip. You'll get up-to-date recommendations about what is worth your time and money. More than just reviews and directions, a Rick Steves guidebook is a tour guide in your pocket.

The Diva Serves Forbidden Fruit Llewellyn Worldwide

The Diva's Gift to the Shakespearean Stage traces the transnational connections between Shakespeare's all-male stage and the first female stars in the West. The book is the first to use Italian and English plays and other sources to explore this relationship, focusing on the gifted actress whoradically altered female roles and expanded the horizons of drama just as the English were building their first paying theaters. By the time Shakespeare began to write plays, women had been acting professionally in Italian troupes for two decades, traveling across the Continent and acting in allgenres, including tragicomedy and tragedy. Some women became the first truly international stars, winning royal and noble patrons and literary admirers beyond Italy, with repeat tours in France and Spain.Elizabeth and her court caught wind of the Italians' success, and soon troupes with actresses came to London to perform. Through contacts direct and indirect, English professionals grew keenly aware of the mimetic revolution wrought by the skilled diva, who expanded the innamorata and made the typemore engaging, outspoken, and autonomous. Some English writers pushed back, treating the actress as a whorish threat to the all-male stage, which had long minimized female roles. Others saw a vital new model full of promise. Faced with rising demand for Italian-style plays, Lyly, Marlowe, Kyd, andShakespeare used Italian models from scripted and improvised drama to turn out stellar female parts in the mode of the actress, altering them in significant ways while continuing to use boys to play them. Writers seized on the comici's materials and methods to piece together pastoral, comic, andtragicomic plays from mobile theatergrams - plot elements, roles, stories, speeches, and star scenes, such as cross-dressing, the mad scene, and the sung lament. Shakespeare and his peers gave new prominence to female characters, marked their passions as un-English, and devised plots that figuredthem as self-aware agents, not counters traded between men. Playing up the skills and charisma of the boy player, they produced stunning roles charged with the diva's prodigious theatricality and alien glamour. Rightly perceived, the diva's celebrity and her acclaimed skills posed a radicalchallenge that pushed English playwrights to break with the past in enormously generative and provocative ways.

Death of a Kitchen Diva BoD – Books on Demand

Portugal is an established member of the European Union, one of the founders of the euro currency and a founder member of NATO. Yet it is an inconspicuous and largely overlooked country on the continent?s south-west rim. In the fifteenth- and sixteenth-century Age of Discovery the Portuguese led Europe out of the Mediterranean into the Atlantic and they brought Asia and Europe together. Evidence of their one-time four-continent empire can still be felt, not least in the Portuguese language which is spoken by more than 220 million people from Brazil, across parts of Africa to Asia. Analyzing present-day society and culture, The Portuguese also considers the nation?s often tumultuous past. The 1755 Lisbon earthquake was one of Europe?s greatest natural disasters, strongly influencing continental thought and heralding Portugal?s extended decline. The Portuguese also weathered Europe?s longest dictatorship under twentieth-century ruler Ant?nio Salazar. A 1974 military coup, called the Carnation Revolution, placed the Portuguese at the centre of Cold War attentions. Portugal?s quirky relationship with Spain, and with its oldest ally England, is also scrutinized. Portugal, which claims Europe?s oldest fixed borders, measures just 561 by 218 kilometres . Within that space, however, it offers a patchwork of widely differing and beautiful landscapes. With an easygoing and seductive lifestyle expressed most fully in their love of food, the Portuguese also have an anarchical streak evident in many facets of contemporary life. A veteran journalist and commentator on Portugal, the author

paints an intimate portrait of a fascinating and at times contradictory country and its people.

Manual of Brazilian Portuguese Linguistics Chronicle Books

This manual is the first comprehensive account of Brazilian Portuguese linguistics written in English, offering not only linguists but also historians and social scientists new insights gained from the intensive research carried out over the last decades on the linguistic reality of this vast territory. In the 20 overview chapters, internationally renowned experts give detailed yet concise information on a wide range of language-internal as well as external synchronic and diachronic topics. Most of this information is the fruit of large-scale language documentation and description projects, such as the project on the linguistic norm of educated speakers (NURC), the project “Grammar of spoken Portuguese”, and the project “Towards a History of Brazilian Portuguese” (PHPB), among others. Further chapters of high contemporary interest and relevance include the study of linguistic policies and psycholinguistics. The manual offers theoretical insights of general interest, not least since many chapters present the linguistic data in the light of a combination of formal, functional, generative and sociolinguistic approaches. This rather unique feature of the volume is achieved by the double authorship of some of the relevant chapters, thus bringing together and synthesizing different perspectives.

Examining ADHD and its social and medical treatments around the world. Attention deficit/hyperactivity disorder (ADHD) has been a common psychiatric diagnosis in both children and adults since the 1980s and 1990s in the United States. But the diagnosis was much less common—even unknown—in other parts of the world. By the end of the twentieth century, this was no longer the case, and ADHD diagnosis and treatment became an increasingly widespread global phenomenon. As the diagnosis was adopted around the world, the definition and treatment of ADHD often changed in the context of different psychiatric professions, medical systems, and cultures. *Global Perspectives on ADHD* is the first book to examine how this expanding public health concern is diagnosed and treated in 16 different countries. In some countries, readers learn, over 10% of school-aged children and adolescents are diagnosed with ADHD; in others, that figure is less than 1%. Some countries focus on medicating children with ADHD; others emphasize parent intervention or child therapy. Showing how a medical diagnosis varies across contexts and time periods, this book explains how those distinctions shape medical interventions and guidelines, filling a much-needed gap by examining ADHD on an international scale.

Robotics began as a science fiction creation which has become quite real, first in assembly line operations such as automobile manufacturing, aeroplane construction etc. They have now reached such areas as the internet, ever-multiplying-medical uses and sophisticated military applications. Control of today's robots is often remote which requires even more advanced computer vision capabilities as well as sensors and interface techniques. Learning has become crucial for modern robotic systems as well. This new book presents the latest research in the field.

[Thacker's Reduced Survey Map of India](#) Trafford Publishing

This book reinterprets the Muslim architecture and urban planning of South India, looking beyond the Deccan to the regions of Tamil Nadu and Kerala - the historic coasts of Coromandel and Malabar. For the first time a detailed survey of the Muslim monuments of the historic ports and towns demonstrates a rich and diverse architectural tradition entirely independent from the better known architecture of North India and the Deccan sultanates. The book, extensively illustrated with photographs and architectural drawings, widens the horizons of our understanding of Muslim India and will no doubt pave new paths for future studies in the field.

Geneva the Diva is a story about a little girl whose heart is as big as her love for performing. This leading lady teaches us to dream big while remaining kind and down to earth. Geneva is a fun, kind-hearted character who will be loved by children and adults alike!

How Peripheral is the Periphery? Translating Portugal Back and Forth Andrews UK Limited

A bowl of chowder is a Maine food writer's last meal in this “delicious and satisfying” mystery (Carolyn Hart, New York Times bestselling author of the Death on Demand series). Single mom Hayley Powell is barely keeping her leaking roof over her head in Bar Harbor, Maine, when her boss at the Island Times gives her a new assignment—taking over the paper's food column. Hayley's not sure she has the chops—she's an office manager, not a writer, even if her friends clamor for her mouth-watering potluck dishes. But the extra income is tempting, and Hayley's chatty first column is suddenly on everyone's menu—with one exception. When rival food writer Karen Appelbaum is found dead facedown in a bowl of Hayley's creamy clam chowder, all signs point to Hayley. To clear her name, she'll have to enlist some help, including her BFFs, a perpetually pregnant lobster woman, and a glamorous real estate agent. As she whips up a list of suspects, Hayley discovers a juicy secret about the victim—and finds herself in a dangerous mix with a cold-blooded killer. Includes seven delectable recipes from Hayley's kitchen! “What a delicious debut mystery!” —Laura Levine, author of *Death of a Gigolo* “I ate up in one sitting.” —Isis Crawford, author of *A Catered Book Club Murder* “Sleuth Hayley Powell slides down as easily as one of her Lemon Drop Martinis (recipe included) and readers will be calling for a second round from author Lee Hollis.” —Leslie Meier, New York Times bestselling author of *Christmas Card Murder*
