The End of the Rainbow Hachette UK

The Instant New York Times Bestseller Selma Blair has played many archetypal roles: gullible ingenue in Cruel Intentions. Preppy ice queen in Legally Blonde. Fire-starter in Hellboy. Muse to Karl Lagerfeld. Face of Chanel. Cover model. Advocate for the multiple sclerosis community. But before all of that, Selma was known best for being one thing: a mean baby. In a memoir that is as wildly funny as it is emotionally shattering, Selma Blair tells the captivating story of growing up and finding her truth. The first story Selma Blair Beitner ever heard about herself is that she was a mean, mean baby. With her mouth pulled in a perpetual snarl and a head so furry it had to be rubbed to make way for her forehead, Selma spent years living up to her terrible reputation: biting her sisters, lying spontaneously, getting drunk from Passover wine at the age of seven, and behaving dramatically so that she would be the center of attention. Although Selma went on to become a celebrated Hollywood actress and model, she could never quite shake the periods of darkness that overtook her, the certainty that there was a great mystery at the heart of her life. She often felt like her arms might be on fire, a sensation not unlike electric shocks, and she secretly drank to escape. Over the course of this beautiful and, at times, shocking memoir, Selma lays bare her addiction to alcohol, her devotion to her brilliant and complicated mother, and the moments she flirted with death. There is brutal violence, passionate love, true friendship, the gift of motherhood and, finally, the simultaneous devastation and surprising salvation of a multiple sclerosis diagnosis. In a voice that is powerfully original, fiercely intelligent, and full of hard-won wisdom, Selma Blair's Mean Baby is a deeply human memoir and a true literary achievement. OLYMPIA'S LIFE CHANGED OVERNIGHT! Olympia's overbearing aunt used her as her personal servant, until attractive Dutchman Waldo van der Graaf quite literally rescued her. He suggested that she exchange her life of drudgery for the role of his wife. Waldo needed someone to look after his small daughter and run his home—a marriage of convenience. Olympia was thankful and accepted his proposal, but soon realized she had only exchanged one set of problems for another when she found herself falling in love with her own husband!

The Rainbow Comes and Goes Vintage

A lively and lyrical picture book jaunt from actor and author John Lithgow! Oh, children! Remember! Whatever you may do, Never play music right next to the zoo. They'll burst from their cages, each beast and each bird, Desperate to play all the music they've heard. A concert gets out of hand when the animals at the neighboring zoo storm the stage and play the instruments themselves in this hilarious picture book based on one of John Lithgow's best-loved tunes.

It Seemed Important at the Time Bloomsbury Publishing

Kidnapped as a teenage girl, Ma has been locked inside a purpose built room in her captor's garden for seven years. Her five year old son, Jack, has no concept of the world outside and happily exists inside Room with the help of Ma's games and his vivid imagination where objects like Rug, Lamp and TV are his only friends. But for Ma the time has come to escape and face their biggest challenge to date: the world outside Room.

The Rainbow Clause Ecco

In celebration of its highly anticipated Broadway revival, Ntozake Shange's classic, award-winning play centering the wide-ranging experiences of Black women, now with introductions by two-time National Book Award winner Jesmyn Ward and Broadway director Camille A. Brown. From its inception in California in 1974 to its Broadway revival in 2022, the Obie Award-winning for colored girls who have considered suicide/when the rainbow is enuf has excited, inspired, and transformed audiences all over the country for nearly fifty years. Passionate and fearless, Shange's words reveal what it meant to be a woman of color in the 20th century. First published in 1975, when it was praised by The New Yorker for "encompassing...every feeling and experience a woman has

ever had," for colored girls who have considered suicide/when the rainbow is enuf will be read and performed for generations to come. Now with new introductions by Jesmyn Ward and Broadway director Camille A. Brown, and one poem not included in the original, here is the complete text of a groundbreaking dramatic prose poem that resonates with unusual beauty in its fierce message to the world.

Elmer and the Rainbow Simon and Schuster

Absorb the essence of Anderson Cooper and Gloria Vanderbilt's emotional and thought-provoking work...The Rainbow Comes and Goes. This was one of the most popular reads of 2016, so don't miss out on the opportunity to learn the key takeaways, advice, and unconventional wisdom from this world-class book. With this FastReads's Summary, you will quickly and easily soak up the essence of this touching "love story" between mother and son. Book Summary Overview:The Rainbow Comes and Goes is a story of the bond between a mother and her son, the difficulties of mother-daughter relationships, and the family ties (or lack thereof) that shape us into the adults whom we become. Anderson Cooper and Gloria Vanderbilt are "rich and famous." But that has little bearing on their ability to deliver profound wisdom on life, love, and loss-they have also experienced tragedies, abuses, births, deaths, successes and failures, just like the rest of us. It is an incorrect assumption that just because a person inherits wealth that they will lead a charmed and perfect life from the time they are born to the time they die. The Vanderbilt name evokes a sense of legacy and massive fortunes. During the Gilded age, the Vanderbilts, along with the Rockefellers, Carnegies, and Morgans during that era, were one of the richest families in America. Fast forward to the fourth generation with the birth of Gloria Vanderbilt in 1924, and this is the story of her life told to her son Anderson Cooper. While reading, the story feels like eavesdropping on a private conversation. Intimate and revealing, this book leaves the reader feeling as if you know these people personally. The Rainbow Comes and Goes offers knowledge and introspective wisdom that only old age can bring. Click Buy Now with 1-Click to Own your copy today! Please note: This is a summary, analysis and review of the book and not the original book.

Mean Baby HarperCollins

Elmer and the other elephants are waiting for the storm to end so they can see the beautiful, colourful rainbow. But something dreadful has happened: the rainbow has lost its colours! Elmer decides to give his own colours to the rainbow. But what will happen to Elmer if he gives the rainbow his own colours? Will he lose them for ever?

The Rainbow Comes and Goes by Anderson Cooper The Rainbow Comes and Goes: A Mother and Son on Life, Love and Loss is a work of non-fiction falling in the genres of motivational books and family/relationship books. The book captures the year-long conversations between the two authors, Anderson Cooper and Gloria Vanderbilt, bonded by a mother-son relationship and covering details of their personal lives. The book gives a glimpse into what the life of a celebrity could be like, as narrated and perceived by celebrities themselves. The book gives a tour of what life was like from the 1920s and beyond and what it was like in places like France and the UK. It is sometimes funny but mostly serious and thought-provoking. All in all, the authors promise that its readers will definitely be motivated to get to know their loved ones and change their lives for the better by taking long due steps. The book was a New York Times #1 bestseller and received critical praise from various publishers, including, Publishers Weekly, The Wall Street Journal, Washington Times, and Kirkus. #1 New York Times Bestseller A touching and intimate correspondence between Anderson Cooper and his mother, Gloria Vanderbilt, offering timeless wisdom and a revealing glimpse into their lives The Rainbow Comes and Goes is a charming, intimate and fascinating collection of correspondence between broadcaster and #1 New York Times bestselling author Anderson Cooper and his mother, the celebrated Gloria Vanderbilt. Anderson Cooper's intensely busy career as a journalist for CNN and CBS' 60 Minutes affords him little time to spend with his ninety-one year old mother. After she briefly fell ill, he and Gloria began a conversation through e-mail unlike any they had ever had before—a correspondence of surprising honesty and depth in which they discussed their lives, the things that matter to them and what they still want to learn about each other. Both a son's love letter to his mother in her final years and an unconventional mother's life lessons for her grown son, The Rainbow Comes and Goes offers a rare window into their close relationship and fascinating lives. In these often hilarious and touching exchanges, they share their most private thoughts and the hard-earned truths they've learned along the way. Throughout, their distinctive personalities shine through—Anderson's darker outlook on the world is a brilliant contrast to his mother's idealism and unwavering optimism. An appealing blend of memoir and inspirational advice, The Rainbow Comes and Goes is a beautiful and affectionate celebration of the profound and universal bond between a parent and child, and, like Tuesdays with Morrie, a thoughtful reflection on life and love, reminding us of the precious knowledge and insight that remains to be shared, no matter what age we are.

Room HarperCollins

Lady Diana Cooper was a star of the early twentieth stage, screen and social scene. This first instalment of her sparkling autobiography tells of her upbringing, her beautiful artistic mother and aristocratic father, her debut into high society and the glittering parties - 'dancing and extravagance and lashing of wine, and charades and moonlit balconies and kisses' - which were interrupted with the outbreak of the First World War. This volume ends with Diana's marriage to the 'love of her life', diplomat and politician Duff Cooper.

Instant New York Times, USA Today, and Wall Street Journal Bestseller! An intimate and light-hearted memoir by viral sensation and three-time Emmy-nominated musical comedian Randy Rainbow that takes readers through his life—the highs, the lows, the lipstick, the pink glasses, and the show tunes. Randy Rainbow, the man who conquered the Internet with a stylish pair of pink glasses, an inexhaustible knowledge of Broadway musicals, and the most gimlet-eyed view of American politics this side of Mark Twain finally tells all in *Playing with Myself*, a memoir sure to cause more than a few readers to begin singing one of his greatest hits like “A Spoonful of Clorox” or “Cover Your Freakin’ Face.” As Randy has said, “There’s so much fake news out there about me. I can’t wait to set the record straight and finally give people a peek behind the green screen.” And set the record straight he does. *Playing with Myself* is a first-hand account of the journey that led Randy Rainbow from his childhood as the over-imaginative, often misunderstood little boy who carried a purse in the second grade to his first job on Broadway as the host at Hooters and on to the creation of his trademark comedy character. In chapters titled “Pajama Bottoms” (a look back at the days when he wore pajama bottoms on his head to pretend he was Dorothy in *The Wizard of Oz*), “Yes, It’s My Real Name, Shut Up!” (no explanation necessary...) and “Pink Glasses” (a rose-colored homage to his favorite accessory), *Playing with Myself* is a memoir that answers the question “Can an introverted musical theatre nerd with a MacBook and a dream save the world, one show tune at a time?”

Educated Harper Collins

Finding the Rainbow, a multi-award winning memoir, is a fascinating and honest insight into a world that most would find difficult to understand, and many would be quietly thankful not to need to. McGrath tells the story of her battle to conceive and carry a baby, with unrestricted honesty, leaving the reader in no doubt as to her thoughts and feelings, and the courageous with which she deals with a very difficult period in her and her husband's lives. This emotive account draws attention to some of the otherwise unknown aspects of infertility and miscarriage, whilst still leaving room for humour, happiness and philosophy. The first book for Rachel McGrath, has been notably acclaimed as she writes about her battle with her body, her mind and the health service, whilst showing an incredible inner strength, elegance and poise.

Summary of the Rainbow Comes and Goes Blurb

New York Times bestselling author and journalist Anderson Cooper teams with New York Times bestselling historian and novelist Katherine Howe to chronicle the rise and fall of a legendary American dynasty—his mother’s family, the Vanderbilts. One of the Washington Post’s Notable Works of Nonfiction of 2021 When eleven-year-old Cornelius Vanderbilt began to work on his father’s small boat ferrying supplies in New York Harbor at the beginning of the nineteenth century, no one could have imagined that one day he would, through ruthlessness, cunning, and a pathological desire for money, build two empires—one in shipping and another in railroads—that would make him the richest man in America. His staggering fortune was fought over by his heirs after his death in 1877, sowing familial discord that would never fully heal. Though his son Billy doubled the money left by “the Commodore,” subsequent generations competed to find new and ever more extraordinary ways of spending it. By 2018, when the last Vanderbilt was forced out of The Breakers—the seventy-room summer estate in Newport, Rhode Island, that Cornelius’s grandson and namesake had built—the family would have been unrecognizable to the tycoon who started it all. Now, the Commodore’s great-great-grandson Anderson Cooper, joins with historian Katherine Howe to explore the story of his legendary family and their outsized influence. Cooper and Howe breathe life into the ancestors who built the family’s empire, basked in the Commodore’s wealth, hosted lavish galas, and became synonymous with unfettered American capitalism and high society. Moving from the hardscrabble wharves of old Manhattan to the lavish drawing rooms of Gilded Age Fifth Avenue, from the ornate summer palaces of Newport to the courts of Europe, and all the way to modern-day New York, Cooper and Howe wryly recount the triumphs and tragedies of an American dynasty unlike any other. Written with a unique insider’s viewpoint, this is a rollicking, quintessentially American history as remarkable as the family it so vividly captures.

The Rainbow Comes and Goes Idreambooks

This is a story of money, glamour, and scandal (on the highest level); a story of American society and of European royalty; a story of family strife exploding into one of the most dramatic and publicized court battles of the century—the battle for a solemn ten-year-old child, “little Gloria” Vanderbilt, who in 1934 was the object of the epic custody suit between her mother, the beautiful and penniless Vanderbilt widow, and her aunt, the famous Gertrude Vanderbilt Whitney, whose \$78 million could buy her anything she wanted. And what she wanted was “little Gloria.” The leading characters: Gloria Morgan, who was one of the fabled Morgan Twins (invented by society reporter “Cholly” Knickerbocker as the quintessential Café Society beauties) and who, as a shy, stammering eighteen-year-old, living on nothing a year, did what she was raised to do, becoming the wife of . . . Reggie Vanderbilt, at forty-three a worn-out alcoholic who had managed to go through almost \$25 million in fourteen years and who died only two years after his marriage to Gloria, leaving his beautiful young widow nothing but their baby, their baby’s untouchable trust fund, and the Vanderbilt name . . . Gloria Morgan’s twin, Thelma, who, as Lady Furness, was for years the mistress of the Prince of Wales (until she introduced him to her “best friend” Wallis Simpson) . . . Gertrude Vanderbilt Whitney, Reginald’s sister, a formidable Society woman, a sculptor and the founder of the Whitney Museum of American Art, a woman who conformed—on the surface—to everything expected of American royalty and yet lived a hidden second life as a passionate bohemian . . . And the child—little Gloria herself—shunted out of her mother’s life, carted around Europe, depending for her existence on her neurotically overprotective nurse, Dodo, who never left her for a single day, and her mad Morgan grandmother, who insisted that her own daughter might murder the child for the Vanderbilt millions. Deserted, “dressed in rags,” neglected, she became an almost mythic incarnation of “the poor little rich girl.” This child, who was to grow up to become a world-famous fashion designer, her name—Gloria Vanderbilt—a household word. We come to understand and care about this child as we observe, close up, the astonishing lives and intrigues surrounding her. We see her at the age of ten brought to the courthouse, rushed through mobs of spectators, reporters, photographers. We follow a courtroom drama of sensation after sensation, the judge ultimately banning both public and press, the final scandalous testimony reaching to the heart of the English royal family. We listen to the parade of witnesses—servants, millionaires, society celebrities, aristocrats, family retainers. We watch the

judge himself—a classic Tammany pol—becoming another of the many victims of the case, reviled on all sides. And finally we see little Gloria pushed to choose between her mother and her aunt, making the decision that will affect her whole life—with nobody ever asking her the basic question, “Why are you afraid?” For the first time, the thousands of pages of documents and sealed court testimony have been unearthed and explored. Hundreds of people have been interviewed. And a writer completely knowing about society and the period has used all this material to create a compelling narrative of vitality, resonance, and fascination. Combining her extraordinary abilities as an investigative reporter with the skills and sensitivity of a novelist, Barbara Goldsmith has given us a galvanizing story, a whole world of astonishing emotional and social circumstances, unforgettably revealed.

LITTLE GLORIA HarperCollins

The marriages of desire . . . From the multitalented and versatile Gloria Vanderbilt comes a passionate, sensual, witty, and puzzling tale of erotic obsession, beauty, and revenge, told in tandem by two women obsessed with the same man—and, ultimately, with each other. Talbot Bingham is a renowned architectural genius who, with his formidable wife, Priscilla, creates an architectural community. When he dies unexpectedly in the middle of their tenth wedding anniversary celebration, the devastated Priscilla is left keeper of the flame of Talbot’s genius. Going through her husband’s archives, she comes unexpectedly upon a pile of neatly tied letters, and the shocking secret of her husband’s intimate life—a discovery that shatters the foundation of her soul and spirit. Obsession explores the mysteries of the human heart and the nature of sexuality and obsession, provoking questions about whom we choose to love, and why. The reader is left to decide if the other woman represents another facet of Priscilla, or if Priscilla her-self has invented the other woman who completed the world her husband so recently inhabited?
